

YOU ARE why Andrew is HERE

MEET *Andrew Vickery*, PUBLIC RELATIONS SPECIALIST.

MOST EMBARRASSING MOMENT

I accidentally destroyed a light fixture at my in-laws' home at 4 a.m. on Christmas Eve: woke up the whole house!

WHAT'S ON YOUR BUCKET LIST

I've never visited Elvis Presley's grave.

**WHAT'S A NON-JOB-RELATED
SKILL OR TALENT OF YOURS**

I'm a musician, and once in a while I even get paid for it.

**IF YOU COULD BE SOMEONE
ELSE FOR THE DAY**

Being the CNN Anthony Bourdain (not the one who struggled early in the culinary world) so I could fly first class and eat good food!

**WHAT DOES YOUR JOB MEAN
TO YOU?**

My job is important because, like all of my colleagues, we're being trusted with Gwinnett County's identity.

**WHAT DO YOU WISH PEOPLE
KNOW ABOUT YOUR JOB**

The workload and the types of tasks we perform each day—it'd be a great way for folks to appreciate how hard everyone in local government works on citizens' behalf.

YOU ARE
why we're
HERE
