He will also be taking paid orders by check or correct amount of cash only). **Registration is required for the class.** E-mail Timothy Daly at timothy.daly@gwinnettcounty.com or by calling 678.377.4010 no later than Thursday, March 15, 2012.

Plant Information

Blueberry – (1 gallon) The average family needs 4 to 6 bushes. You will need at least two varieties for cross-pollination. Read more about [Blueberries](#).

Blackberry/Raspberry – (1 gallon) The average family needs 10 to 15 plants. Each plant can yield up to 3 to 4 pints. Read more about [Blackberries and Raspberries](#).

Apples – (3 to 5 gallon) General planting and care information for Apples can be found at by clicking [here](#).

Ferns – (1 gallon) Nice addition to any landscape. Shade plants. Read more about [Ferns](#).

Figs – (1 gallon) Figs are easy to grow and the rewards are great. Read more about [Figs](#).

Camellias – (1 gallon) Spring and fall bloomers. Read more about [Camellias](#).

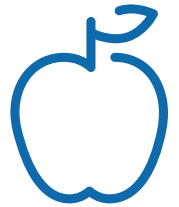

Native Azaleas – (3 gallon) Choices are: fragrant white, a pink, and a yellow variety. Read more about [Native Azaleas](#).

Frost Proof Gardenias – (1 gallon) This plant won the “2007 Garden Writers Best Plant Award”. It blooms into velvety white fragrant flowers in late spring and continues through summer. 3 to 4 foot tall. Prefers full or partial sun. Read more about [Frost Proof Gardenias](#).

Viburnums – (1 gallon) Very popular landscape shrubs and are admired for their outstanding fall foliage, fruit, and flowers. Most blossom in spring, with fragrant flowers ranging from white and cream to pink. Many species bear ornamental fruits in late summer or fall in colors of red, yellow, black, or blue. Most viburnums are easy to grow and favor sun to partial shade. Read more about [Viburnums](#).

Heucheras – (Coral Bells) – (1 gallon) Heucheras are very hardy plants and are known for their outstanding color and flower spikes. Read more about [Heucheras](#).

Crape Myrtles – (1 gallon) “Back by popular demand!” – White (Natchez), Dark Pink (Arapaho), and Light Pink (Pink Velour). Read more about [Crape Myrtles](#).

Pickup Information for Plants

Remember: Pick up day is March 29, 2012, from 10:00am until 6:30pm at Gwinnett County Fairgrounds on Sugarloaf Parkway in Lawrenceville. Plants that are not picked up are considered a donation. There will be no refunds.
