## Thank you from YOUR Volunteer Resource staff

The key to our success rests in the people like YOU, who embody the spirit of greatness by saying, "Yes I can, and so can you!". Thank you to each and every one of you who took the time to give to your community by volunteering. Thank you for your inspiring dedication and tremendous example to the citizens of Gwinnett County.

Thanks to all your hard work and passion for Gwinnett County Parks and Recreation, during 2011, 7000+ volunteers completed over 40,000 hours of service with a value of \$850,000.

We never could have asked for a more dedicated group of volunteers and words cannot express how grateful we are to have you serve with us! 2012 promises to offer more exciting opportunities for your service. Take a moment and check out the calendar section of this newsletter for new opportunities. We look forward to working with you again in 2012!

## Time to JIVE!

### Introducing: Creeper Cutters

Gwinnett County Parks and Recreation needs you! Invasive plants are an ongoing battle in our parks and Creeper Cutter volunteers can help us fight.

This new and exciting group will help beautify each park by invasive plant removal, trash clean-up, mulching, and more! Great for families, church groups, scouts, businesses, and individuals.
