Letter Of Intent:

I am writing to request the ability to operate a single table nail salon in my residence. I am licensed by the state of Georgia and practice all regulations within state guidelines. I will only have one person at a time in my salon and have irregular scheduling of customers 6 days a week by appointment only. I would like the ability to help contribute to my family income in this economy and be home for my children when they get home from school. I have been practicing as a professional for 14 years and run a very quite and clean salon for friends and family. There will be no physical changes to property and I do not advertise to the public. Please if you can expedited this request so I may begin work as soon as possible.

Thank You

Amy Wilson
