LETTER OF INTENT FOR GROUP HOME SPECIAL USE PERMIT AND REZONING APPLICATIONS 9063 HIGHTOWER TRAIL

The Applicant, Vivica Brown and Owner (Laferme Residences, LLC, an entity owned by Vivica Brown, hereinafter cumulatively, the "Applicant"), submits this request for a Rezoning from RL to RA-200 and a Special Use Permit for a Group Home on an approximately 5.00 acre tract of land (hereinafter, the "Property") located at 9063 Hightower Trail near its intersection with Henry Road and two parcels away from Rockdale County (to the east) and DeKalb County (to the south). The subject property covered by this Application is currently zoned RL.

The proposed Group Home would be targeted at helping individuals with autism spectrum disorder improve their lives and become productive members of the community. It would house a maximum of five (5) residents within the existing residential structure. Interior remodeling and renovation would be performed to convert the home to a Group Home but there would be no changes to the exterior of the building, which would continue to appear just as it does today. Additionally, there would be no exterior signage to indicate the presence of the group home. The proposed group home would be essentially invisible to anyone not inside the existing residence itself.

In addition, there are plans to utilize the existing horse barn and acreage to facilitate equine therapy for the residents of the Group Home.

The property has access to a public water supply, public sanitary sewer, and convenient access to collector streets, major thoroughfares and a limited access highway. The subject property is also located near public transportation routes and locations already existing and being considered in Gwinnett County.

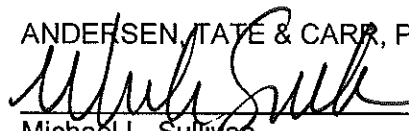

CONCLUSION

The subject property is an appropriate location for the proposed Group Home and would have little to no impact on any surrounding properties or to the citizens in nearby or surrounding areas. It is worth noting that the current zoning would allow 5 unrelated individuals to live in the house and for horses to be kept on the Property and the impacts of the proposed rezoning and Special Use Permits would be identical. Applicant and its representatives welcome the opportunity to meet with the staff of the Gwinnett County Department of Planning and Development to answer any questions or to address any concerns. Applicant respectfully requests your approval of this Application.

This 3rd day of November, 2011.

Respectfully submitted,
