## **Notice! Notice! Notice!**

### **Change in the Development Review Coordinating Committee's (DRCC) Weekly Plan Review Meeting**

### **DRCC Meeting Moves from Wednesday to Thursday (9 am)** **Appointment Must be Requested by 5 pm Wednesday**

### **Effective: 3<sup>rd</sup> Week of October 2004**

Back in June, the county reestablished a weekly meeting of the Development Review Coordinating Committee to allow for discussion of plan review comments with the design & development community. This meeting was held each Wednesday at 9 am and appointments were not necessary. However, after a 3 month review of the effectiveness of the meeting, it has been determined that design consultants and/or developers have not had enough time to "digest" plan review comments prior to the meeting and very few attended the meetings.

Therefore, in order to address these concerns, **effective the 3<sup>rd</sup> week of October, the Wednesday meetings move to Thursdays**. In addition, in order to attend the meeting, **an appointment must be requested by the design consultant and/or developer by 5 pm each Wednesday by calling the Development Review Section staff at 678.518.6034**.
