

Gwinnett County Transit Proposes Downtown Rerouting

Public Open Houses to Gather Public Input

Atlanta – *Xpress*, metropolitan Atlanta’s regional commuter service, will hold a series of meetings in conjunction with Gwinnett County Transit (GCT) and Cobb Community Transit (CCT) to present ideas for and receive comment on proposed rerouting of routes serving downtown Atlanta. The meetings will take place during the weeks of November 7 and November 14, 2011.

Routes will be divided into two groups, one traveling on the west side of downtown and the other on the east. GCT is proposing to use the Eastside. The Eastside routes generally will follow a corridor along Central Avenue, Peachtree Center Avenue and Spring Street.

The proposed route changes are made to avoid conflicts with construction of the first segment of the Atlanta Streetcar and to implement an earlier agreement with the City of Atlanta, Central Atlanta Progress and MARTA to move *Xpress* service off of Peachtree Street. Utility relocations for the Streetcar project are scheduled to begin in December 2011.

Descriptions and maps of the proposed routes are also available on the *Xpress* website at www.XpressGa.com. Comments may be made using the Customer Service response form at www.XpressGa.com, emailed to Customer_Service@XpressGA.com, faxed to 770.344.5254, or mailed to *Xpress* Downtown Rerouting, GRTA, 245 Peachtree Center Avenue, NE, Suite 800, Atlanta, GA 30303.
