## COUNTY RESIDENTS USE NEW SECTIONS OF SIDEWALKS TO ENJOY SPRING WEATHER

(Lawrenceville, Ga., May 11, 2017) – The Gwinnett County Department of Transportation recently opened several sidewalk projects to pedestrian traffic. While the contractors are still addressing punch-list items, these projects are ready for walkers.

Sections of sidewalk were installed on Burns Road, Dickens Road and State Route 378/Beaver Ruin Road. These projects improved pedestrian mobility options by installing new five-foot-wide sidewalks.

A section of sidewalk was installed on Collins Hill Road from Georgia Gwinnett College to the tennis facility. Another project filled in gaps in the sidewalk along Peachtree Industrial Boulevard from Hansboro Way to Tench Road and from Tench Road to North Price Road.

All of the sidewalk projects include curb, gutter and other drainage improvements. These projects were funded by the County's SPLOST program.

For additional information about the SPLOST or Gwinnett County road improvements, please visit the website at [www.gwinnettcounty.com](http://www.gwinnettcounty.com).
