### **OFFICIALS CELEBRATE THE NEW FIRE AND EMERGENCY SERVICES ADMINISTRATION BUILDING AT RIBBON CUTTING CEREMONY**

(Lawrenceville, Ga., June 16, 2004) – The new Fire and Emergency Services Administration building opened for business on Monday, May 3, but Gwinnett County Commissioners and Fire and Emergency Services officials celebrated the opening of the new facility on Hurricane Shoals Road in Lawrenceville at a ribbon cutting ceremony Tuesday, June 15, at 3:30 p.m.

“We are so proud of this facility and what it means for the Department of Fire and Emergency Services,” said Gwinnett County Commission Chairman Wayne Hill. “Once again, we must give credit to the citizens who had the foresight to pass the Special Purpose Local Option Sales Tax.”

The \$7 million project was funded by the 1997 SPLOST, and includes a new Logistical Support Facility. The new administration building allows for the consolidation of Fire Administrative Support Staff into one building from six separate work locations, enabling the Department of Fire and Emergency Services to more efficiently and effectively serve the needs of the public.

The new phone number for the facility is 678-518-4800.
