NEW SIDEWALKS TO CONNECT NEIGHBORHOODS TO LANIER MIDDLE

(Lawrenceville, Ga., Sept. 6, 2016) – The Board of Commissioners on Tuesday awarded the contract to install sidewalk along Suwanee Dam and Buford Dam roads leading to Lanier Middle School.

The contract for \$799,369.30 goes to CMI Inc. to install sidewalk along the west side of Suwanee Dam Road from Grand Magnolia Drive to the existing sidewalk at Lanier Middle School. The contract also includes another section of sidewalk to be installed along the south side of Buford Dam Road from Island Ford Road to Lanier Middle.

“Our 2014 SPLOST citizens committee helped review pedestrian safety needs, both to provide new walking corridors and to fill in the gaps in sections of sidewalk,” said District 1 Commissioner Jace Brooks. “These projects do both.”

CMES was the lowest of five bidders on the projects, which are funded by the 2014 SPLOST Program. The school safety project on Suwanee Dam Road sits in both commission districts 1 and 4, and the pedestrian safety improvement on Buford Dam Road is in district 1. Both projects will include curb and gutter and drainage improvements.

Additional information about these and other SPLOST road improvement projects can be found on the County’s website at www.gwinnettcounty.com.
