## Gwinnett County launches Community Service Aide Program

To enhance support for Gwinnett Police officers, the County introduced a new, non-sworn position within the Police Department called community service aides.

Community service aides handle functions like road closures, abandoned vehicles, and missing-person searches. These responsibilities will support our officers, allowing more time to respond quickly to urgent calls and critical incidents. For those interested in a career in law enforcement, this role can serve as a valuable pathway with hands-on experiences and a potential entry point into the profession.

Six community service aides began serving the community this month. To learn more about the program, visit [GwinnettCounty.com/CommunityServiceAide](http://GwinnettCounty.com/CommunityServiceAide).

## AROUND GWINNETT

### More than 200 miles of County roads to be resurfaced

The Board of Commissioners awarded resurfacing contracts totaling \$12.7 million to maintain and extend the life of residential roadways. The contracts will allow Gwinnett to resurface more than 43 centerline miles of residential streets this cycle, with more than 200 miles scheduled for rehabilitation this year. These improvements demonstrate the County's commitment to preserving infrastructure and enhancing travel experience for residents and visitors.

### Tax Assessors' Office issues Real Estate Property Annual Notices of Assessment

The Tax Assessors' Office has mailed approximately 308,000 Annual Notices of Assessment to residential and commercial property owners. Stay alert for yours to arrive in the mail, or you can download it at [Gwinnett-Assessor.com](http://Gwinnett-Assessor.com). An Annual Notice of Assessment is not a tax bill. The notice informs you of the value assessed on your residential or commercial real estate as of January 1, 2025. Property owners may appeal the assessed value within 45 days of the date of the notice by submitting a completed PT-311A form online or by mail. Mailed forms must be received or postmarked within 45 days of the date of your notice. It is suggested to send mailed documents by a trackable method to confirm delivery. For questions, call 770.822.7200.

### Get ready for National Park and Recreation Month

Whether you're hiking scenic trails, enjoying a picnic with family, or taking part in recreational programs, this month is the perfect opportunity to make memories. We invite you to join us in celebrating this year's theme, "Build Together, Play Together," by exploring a new park, volunteering, or attending events for all ages and abilities. ## PROTECTING OUR RESOURCES

### Be mindful of what you flush

It might seem easier to flush items like wipes, cotton balls, or paper towels, but these don't break down like toilet paper and can wreak havoc on your plumbing. Toilets are designed for one thing — disposing of toilet paper and waste. Flushing anything else can lead to serious clogs or backups both in your home and the public sewer system, resulting in expensive repairs.

To keep your pipes clear and your plumbing trouble-free, toss these items in the trash instead. A small choice now can prevent a major headache later. Keep your plumbing safe — flush only toilet paper and waste! Visit [GwinnettCounty.com/WhatNotToFlush](http://GwinnettCounty.com/WhatNotToFlush) to learn more about what not to flush.

### Discover how to collect and store rainwater

Ever wondered how to use rainwater in your landscaping? Join us on Saturday, July 12 from 10:00am to noon for the Rain Barrels workshop at the Grayson Senior Center in Grayson. Attendees will get a hands-on lesson on installing and using rain barrels to collect and reuse rainwater on your landscape. A \$40 pre-payment is required to take home your rain barrel. To register, visit [Gwinnett2o.com](http://Gwinnett2o.com), call 678.376.7193, or email [DWRworkshops@GwinnettCounty.com](mailto:DWRworkshops@GwinnettCounty.com) with your name, address, and phone number.

## TAX COMMISSIONER

If you are a new mobile homeowner, you can visit any Gwinnett County Tax Commissioner's office to change the title and complete the Manufactured Home Change Request Form. If you do not have a title, call 770.822.8800 or email [Tax@GwinnettCounty.com](mailto:Tax@GwinnettCounty.com). Mobile home taxes are due April 1 each year. Any unpaid taxes must be paid at the time of the title transfer. To learn more, visit [GwinnettTaxCommissioner.com/MobileHomes](http://GwinnettTaxCommissioner.com/MobileHomes).

## PUBLIC SAFETY

### Grill safely this summer

Nothing beats sizzling barbecue on a hot summer day, but safety is just as important as flavor! Before firing up the grill, remember these tips:

- Always grill outdoors in well-ventilated spaces, away from flammable items
- Inspect your equipment for leaky gas hoses or excess charcoal buildup
- Ensure gas grill lids are open before lighting them
- Never leave hot grills unattended
- Keep a portable fire extinguisher nearby
- Keep children and pets at least 5 feet away from any cooking area

Follow these safety precautions, and you'll be set for a safe and delicious outdoor feast with family and friends. Learn more at [GwinnettSafety411.com](http://GwinnettSafety411.com).

## SPLOST

### Putting pedestrians first at Beaver Ruin Road and Center Way

Exciting pedestrian-friendly improvements are coming to Beaver Ruin Road and Center Way. The Board of Commissioners recently awarded a \$4.77 million contract to E.R. Snell Contractor Inc. to construct new fencing on Beaver Ruin Road and Center Way bridges over Interstate 85 and install crosswalks at the intersection of Center Way and Brook Hollow Parkway. These upgrades aim to create a more accessible environment, encouraging safe roadways for walkers, joggers, and cyclists. The SPLOST-funded project is expected to be completed this fall.
