1

An aerial photograph of a residential neighborhood. The area is filled with single-family homes, mostly with dark roofs and light-colored exteriors. A network of streets is visible, with some larger roads and cul-de-sacs. The text 'Norcross' and 'Tucker' is overlaid on the image, with 'Norcross' positioned along a street and 'Tucker' further down the same street. The overall scene is a typical suburban residential area.
