

Ballot Cast and Voter Credit Reconciliation Report																
As soon as possible but no later than 30 days following the certification of election results, the election superintendent shall transmit to the Secretary of State a reconciliation report that reconciles the aggregate total of all ballots cast in each precinct as reported in the precinct-level election results to the aggregate number of voters who received credit for voting in each precinct on the form made available by the Secretary of State. Any discrepancies in the aggregate total of ballots cast in each precinct compared to the aggregate number of voters who received credit for voting in a precinct shall be fully investigated by the election superintendent or designee. The explanation for any discrepancy shall be included in the Reconciliation Report. (Note: This report is required even when no discrepancies exist.)																
Report is due no later than 30 days after county certification - Pursuant to SEB Rule 183-1-12-.12(e). ☐
