March 2020

Greetings!

Gwinnett Community Outreach promotes strategic communications and outreach with diverse constituencies, cultural events, and programs to engage and empower residents to be more informed and involved with Gwinnett County Government. Community Outreach News is one way we are able to stay vibrantly connected with our diverse community.

Calling future Gwinnett youth leaders!

We're hopeful that we'll still be able to gather Gwinnett's bright, ambitious, and community-oriented young people to learn and serve in our fourth Gwinnett Youth Commission class this summer.

Gwinnett County needs future youth leaders in the 10th, 11th, and 12th grades, who want to serve their county on behalf of their peers and learn how to impact decisions that affect youth in our community. Interested candidates must apply by **Monday, April 6, 2020**.

Sponsored by the Board of Commissioners and coordinated through the Community Outreach office, the Gwinnett County Youth Commission is a leadership and service oriented program that empowers young people to become knowledgeable and involved in the local governmental process. We aim to inspire the next generation of civic leaders! [Apply today](#).
