In honor of Hispanic Heritage Month, we invite you to participate in a special online event honoring the contributions of the Hispanic/Latino Community in Gwinnett County on Thursday, October 8 at 6:00pm.

[Register online](#) to join us for an evening of performances, remarks, and more.

## Remembering times together

Some of our favorite moments during our annual Hispanic Heritage Month celebration are the live performances from various community groups. It is a wonderful time of celebration.

While we can't gather in person this year, we'll still get to experience those performances through throwback posts on the @GwinnettGov [Facebook](#), [Twitter](#), and [Instagram](#) pages as well as during the Community Reflection event. Thank you to all of the groups that have given their time to celebrating Hispanic culture with us throughout the years.
