

GIS DATA BROWSER USER GUIDE

FOR ONPOINT 10.1

To access the site, go to <https://www.gwinnettcountry.com>

1. Click on Top Links tab along the top of the page.
2. Select GIS Data Browser
3. Click the link on the page to open the GIS Data Browser.

FIND PROPERTY BY PARCEL SEARCH

Select [Property Search \(By PIN or Address\)](#) from the Searches menu on the blue bar above the map.

PROPERTY SEARCH BY PARCEL ID:

1. Enter the Parcel ID (see FAQs for format).
2. Click Search.

PROPERTY SEARCH BY PARCEL ADDRESS:

1. Enter the property address with number, street name, abbreviated street type, ex. 75 Langley Dr (City is not required.)
2. Click Search.

CONDO SEARCH BY UNIT/COMMON AREA:

1. Enter Parcel ID of the Common Area or the Condo Unit.
2. Click the box to Limit Search Results to Condo Common Area Parcels.
3. Click Search. If you search by Common Area PIN you will see common area parcel information and all condo units associated with it. If you search by Condo Unit PIN, you will get all information about that particular Condo Unit.

A screenshot of the 'Parcel Search (By PIN Or Address)' form. The form is titled 'SEARCH FOR A PARCEL' and includes input fields for 'Parcel ID (PIN)', 'Address', and 'City', each with a dropdown menu set to 'Equal' and a 'Look Up' button. Below this, there is a section for 'SEARCH FOR CONDO' with input fields for 'Common Area Pin' and 'Condo Unit Pin', also with 'Equal' dropdowns and 'Look Up' buttons. A checkbox labeled 'Limit Search Results to Condo Common Area Parcels' is present. At the bottom right, there are 'Search' and 'Reset' buttons. Examples of PINs are provided: 'Ex: 5123 001 , 5123A001A' for Parcel ID, 'Ex: 6243 153' for Common Area Pin, and 'Ex: 6243 184' for Condo Unit Pin.

Reset before starting a new search. Use Look Up to pick from a list all parcels that are in a particular Landlot, e.g. 5123.

FIND PROPERTY BY OWNER NAME

1. Select [Property Owner Search](#) from the Searches menu
2. Enter the primary owner's name (LAST_NAME FIRST_NAME) in the Owner 1 box.
3. Click Search.

FIND MORE INFORMATION

1. Click on the Identify tool (i button on the right side of the map).
2. Select feature by clicking on the location on map.

3. Select Land Parcels, or the layer you are interested in, from the [Attribute Details For](#) list on the More Information window.

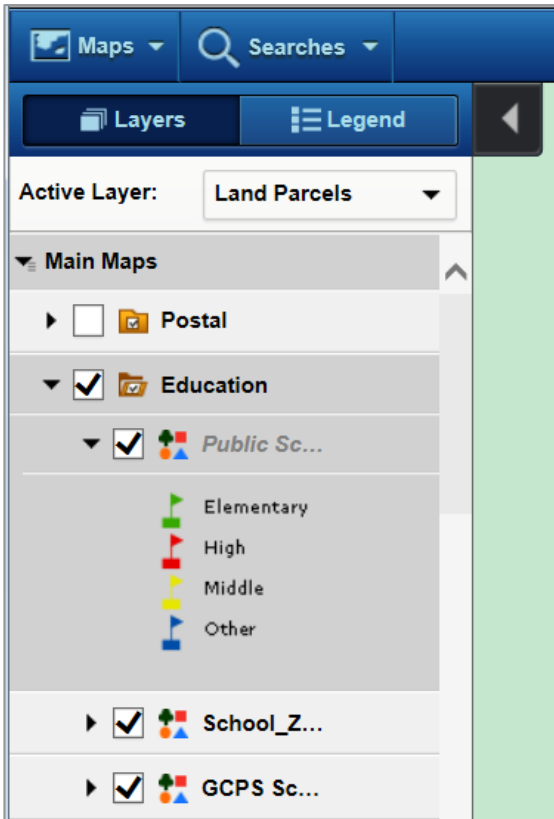

Attribute	Value
Parcel ID (PIN)	5123 161
Lot	62

Assessor Information

Attribute	Value
Lrsn	33220091
Address	2698 GRAYMILL WAY
City	LOGANVILLE

FIND MORE LAYERS

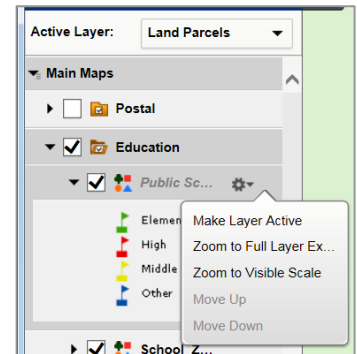

To turn Layers on or off, click on the black arrow [Map Content](#) and [Legend](#) button on the top left of the map.

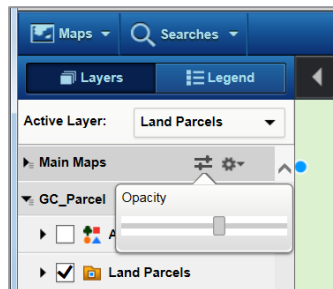

In the Layers tab, you can:

- Click the checkbox for a group to turn on the layers in the group.
- Expand the group layers by clicking on the arrows beside the group name. Then check the boxes to turn on/off layer visibility.
- Expand the layer to see the symbology used for any layer.

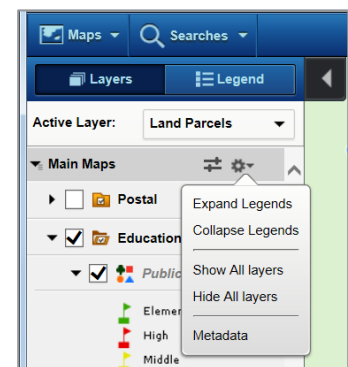

- Click on the gear tool options to Make Layer Active, Zoom to Full Layer Extent or Zoom to Visible Scale.

- Click the Opacity button to change transparency for a map category.

- Click the gear tool options for a map category to Expand or Collapse Legends, Show or Hide All Layers.

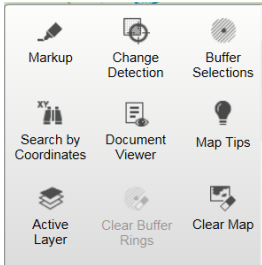

To close the Layer menu, click on the black arrow button on the top left of the map.

FIND TOOLS

The Tools bar is located on the right side of the map. The most popular tools are on the toolbar.

Click the button  to see More Tools.

To close the Tools bar, click on the black arrow button on the top right of the map.

FIND HELP

Click on the  button on the top right and select [Help](#).

Click on the  button on most boxes to get online help about that tool.

FIND INFORMATION ABOUT THE DATA AND SITE

Click on the  button on the top right and select [Terms of Use](#) to read the disclaimer.

Click on the  button on the top right and select [About this Site](#) to see Metadata about data on the site, such as citation, dates, status, etc.
