Re: BOC Agenda Item 2013-0273  
GP Enterprises

Dear Diane:

In accordance with the Gwinnett Code of Ethics, Sections 60-31 and 60-32, I make the following disclosure: Prior to my election as a District Commissioner to the Gwinnett County Board of Commissioners, and while in my capacity as a private engineer, I provided professional engineering services as an independent contractor to GP Enterprises, Inc.

All or part of these professional engineering services may be indirectly related to a project which was the subject of BOC Agenda Item 2013-0273. This item came before the Board on April 2, 2013 for approval to allow the Chairman to execute a supplemental agreement with GP Enterprises concerning an on-going roadway improvement project on a portion of Old Norcross Road.

Please note that I abstained from any deliberation, discussion or vote on this item when it came before the Board for official action on April 2, 2013.

Sincerely,

Tommy Hunter  
Gwinnett County Commissioner, District 3
