## TRANSPORTATION SPLOST COMMITTEE TO VOTE TUESDAY ON BRIDGE AND DRAINAGE PROJECTS

(Lawrenceville, Ga., Jan. 23, 2017) – The Citizens Project Selection Committee will meet Tuesday night to vote on projects in the Bridges, Culverts and Transportation Drainage category of the 2017 Special Purpose Local Option Sales Tax.

The group, known as the CPSC, is to meet at 6:30 p.m. in Conference Room C in the Gwinnett Justice and Administration Center in Lawrenceville.

“DOT staff presented information related to bridges and culverts earlier this month,” said Alan Chapman, director of the Gwinnett County Department of Transportation. “After opening the floor to public comment, the group will vote on bridges. Then staff will present information on the road safety and alignment category.”

At each meeting, the group is briefed on a project category. Then they vote on that category at a following meeting. On Jan. 9, the CPSC approved Transportation staff’s recommended list of school safety projects.

Prior to the November referendum, the CPSC allocated funding across these categories of Transportation projects:

- Bridges, Culverts and Transportation Drainage,
- Capital Projects Rehabilitation and Resurfacing,
- Intersections,
- Major Roads,
- Residential Speed Control,
- Road Safety and Alignment,
- School Safety,
- Sidewalks and Pedestrian Safety,
- Transportation Planning, and
- Unpaved Roads.

Since the SPLOST vote, the CPSC has received presentations and voted on five project categories: school safety, rehabilitation and resurfacing, unpaved roads, residential speed control, and transportation planning.

The CPSC is made up of 11 members and 11 alternates self-selected to represent various constituencies in Gwinnett County. For additional information about citizen input and the 2017 SPLOST, please visit [www.gwinnettcpsc.com](http://www.gwinnettcpsc.com).
