Special Purpose Local Option Sales Tax

Gwinnett voters have approved a series of Special Purpose Local Option Sales Tax programs, known as SPLOST, since the mid-1980s. This one percent sales tax has paid for County and city facilities, acres of greenspace, parks and recreation facilities, new roads and improvements, police and fire stations, and libraries around the county. Your pennies are working to keep Gwinnett a great play to live, work, and play!
