

If you're cold, they're cold.

**Please bring
pets inside on
cold winter days
and nights.**

Reference Gwinnett County Animal Control Ordinance
#AC2015-001 Sec. 10-50. – Cruelty to Animals.

As you prepare for freezing winter temperatures, don't forget your pets! Never leave pets alone in a car during the winter; they can freeze in cold cars. Even with their winter fur, dogs and cats are susceptible to the cold.

Other things you can do:

- Make sure your winter survival kit includes items for your pets
- Limit time outdoors to prevent hypothermia
- Provide warm and cozy sleeping spots during cold months
