

2020 BY THE NUMBERS

VOLUNTEER GWINNETT

Volunteer Gwinnett is a countywide program designed to involve more residents in volunteer activities associated with County government.

Offering countywide volunteer opportunities increases awareness about Gwinnett County's roles and responsibilities, supports government operations, and allows residents the opportunity to participate on boards and County-supported organizations. Opportunities are available in most County departments and can include one-time events, ongoing projects, and student internships.

Finding a volunteer opportunity that fits your needs is simple. Visit VolunteerGwinnett.net to learn more and sign up!
