July 24 • Tablets101 • 1:00pm–3:00pm

Tablet computer basics will be covered – powering tablets, charging tablets, downloading apps, and tablet settings. Register by July 19.

July 25 • Videos and Photos with Tablet Computers • 1:00pm–3:00pm

The focus of this class is capturing video and photos. Students will also learn how to share them with others and how to view pictures sent to them. Register by July 20.

July 26 • Video Chatting • 1:00pm–3:00pm

Learn how to create an account, check the settings, create a contact list, and make a test call. Register by July 23.

July 27 • Facebook Basics • 1:00pm–3:00pm

Students will set up a Facebook page, learn about privacy settings, uploading pictures, adding friends, and other basics. Register by July 24.
