The Board desires citizens of the county to attend its meetings so that they may become better acquainted with the operation of county elections and that the Board may have the opportunity to hear the comments and ideas of the public.

Time is allotted for public comment when the Board meets for its regularly scheduled meetings.

In order to assure that persons who wish to appear before the Board may be heard and, at the same time, allow the Board to conduct its meetings properly and efficiently, the Board adopts as policy the following procedures and rules pertaining to public participation in meetings:

A citizen wishing to speak at a regularly scheduled meeting shall:

1. Sign up at a table near the entrance to the meeting before the Public Comments section. The Chairman will call on each speaker in the order of sign up.
2. The speaker's comments in the regularly scheduled meeting shall be as brief as possible, limited to two-to-three (2-3) minutes maximum, unless an extension of time is granted. Speakers will be expected to conclude their remarks promptly when the allotted time has expired. Speakers shall begin their comments by stating their name and any group they may be representing. Speakers may not yield their time to another individual.
3. The speaker's comments shall be directed to the Board as a body and not to an individual Board member. The Board members or Elections Supervisor may ask questions for clarification but will not necessarily engage in discussion with the speaker.
4. Supporting documents or information to be shared with the Board must be provided in hard copy. Ten copies should be provided and should be presented to the Chairman for distribution to the Board members. Audiovisual presentations are not allowed.

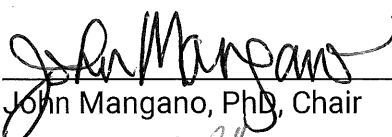

5. Speakers may offer objective criticism of the Board, but in public session, the Board will not hear personal complaints regarding elections personnel or against any person connected with the Elections Office. Personnel complaints should be in writing and directed to the Board Chair. The Chair will share the written complaint with the entire board and any other appropriate personnel.
6. Speakers will remain courteous and respectful throughout their presentations, avoiding inappropriate language or behavior at all times.
7. Written responses will not be provided.
8. The Board vests in its chair, or other presiding officer, the authority to terminate the remarks of any individual who does not adhere to the rules established here.

The purpose of the meeting minutes is to serve as the official record of the actions of the board. Public comments will not be reflected unless the Board takes action on any comments.

The policy shall be posted online and printed for distribution at every meeting.

Approved, this 27 day of August, 2019.
