Subpart A—General

§92.1 Overview.

This part implements the HOME Investment Partnerships Act (the HOME Investment Partnerships Program). In general, under the HOME Investment Partnerships Program, HUD allocates funds by formula among eligible State and local governments to strengthen public-private partnerships and to expand the supply of decent, safe, sanitary, and affordable housing, with primary attention to rental housing, for very low-income and low-income families. Generally, HOME funds must be matched by nonfederal resources. State and local governments that become participating jurisdictions may use HOME funds to carry out multi-year housing strategies through acquisition, rehabilitation, and new construction of housing, and tenant-based rental assistance. Participating jurisdictions may provide assistance in a number of eligible forms, including loans, advances, equity investments, interest subsidies and other forms of investment that HUD approves.

§92.2 Definitions.

The terms “1937 Act”, “ALJ”, “Fair Housing Act”, “HUD”, “Indian Housing Authority (IHA)”, “Public Housing Agency (PHA)”, and “Secretary” are defined in 24 CFR 5.100.

Act means the HOME Investment Partnerships Act at title II of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12701 *et seq.*

ADDI funds means funds made available under subpart M through allocations and reallocations.

Adjusted income. See §92.203.

Annual income. See §92.203.

Certification shall have the meaning provided in section 104(21) of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12704.

Commitment means:

(1) The participating jurisdiction has executed a legally binding agreement with a State recipient, a subrecipient or a contractor to use a specific amount of HOME funds to produce affordable housing or provide tenant-based rental assistance; or has exe-

cuted a written agreement reserving a specific amount of funds to a community housing development organization; or has met the requirements to commit to a specific local project, as defined in paragraph (2), of this definition.

(2) Commit to a specific local project means:

(i) If the project consists of rehabilitation or new construction (with or without acquisition) the participating jurisdiction (or State recipient or subrecipient) and project owner have executed a written legally binding agreement under which HOME assistance will be provided to the owner for an identifiable project under which construction can reasonably be expected to start within twelve months of the agreement date. If the project is owned by the participating jurisdiction or State recipient, the project has been set up in the disbursement and information system established by HUD, and construction can reasonably be expected to start within twelve months of the project set-up date.

(ii)(A) If the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is acquiring the property with HOME funds, the participating jurisdiction (or State recipient or subrecipient) and the property owner have executed a legally binding contract for sale of an identifiable property and the property title will be transferred to the participating jurisdiction (or State recipient or subrecipient) within six months of the date of the contract.

(B) If the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is providing HOME funds to a family to acquire single family housing for homeownership or to a purchaser to acquire rental housing, the participating jurisdiction (or State recipient or subrecipient) and the family or purchaser have executed a written agreement under which HOME assistance will be provided for the purchase of the single family housing or rental housing and the property title will be transferred to the family or purchaser within six months of the agreement date.

(iii) If the project consists of tenant-based rental assistance, the participating jurisdiction (or State recipient, or subrecipient) has entered into a rental assistance contract with the owner or the tenant in accordance with the provisions of § 92.209.

Community housing development organization means a private nonprofit organization that:

(1) Is organized under State or local laws;

(2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;

(3) Is neither controlled by, nor under the direction of, individuals or entities seeking to derive profit or gain from the organization. A community housing development organization may be sponsored or created by a for-profit entity, but:

(i) The for-profit entity may not be an entity whose primary purpose is the development or management of housing, such as a builder, developer, or real estate management firm.

(ii) The for-profit entity may not have the right to appoint more than one-third of the membership of the organization's governing body. Board members appointed by the for-profit entity may not appoint the remaining two-thirds of the board members; and

(iii) The community housing development organization must be free to contract for goods and services from vendors of its own choosing;

(4) Has a tax exemption ruling from the Internal Revenue Service under section 501(c) (3) or (4) of the Internal Revenue Code of 1986 (26 CFR 1.501(c)(3)-1);

(5) Does not include a public body (including the participating jurisdiction). An organization that is State or locally chartered may qualify as a community housing development organization; however, the State or local government may not have the right to appoint more than one-third of the membership of the organization's governing body and no more than one-third of the board members may be public officials or employees of the participating jurisdiction or State recipient. Board members appointed by the State or local government may not appoint the re-

maining two-thirds of the board members;

(6) Has standards of financial accountability that conform to 24 CFR 84.21, "Standards for Financial Management Systems;"

(7) Has among its purposes the provision of decent housing that is affordable to low-income and moderate-income persons, as evidenced in its charter, articles of incorporation, resolutions or by-laws;

(8) Maintains accountability to low-income community residents by:

(i) Maintaining at least one-third of its governing board's membership for residents of low-income neighborhoods, other low-income community residents, or elected representative of low-income neighborhood organizations. For urban areas, "community" may be a neighborhood or neighborhoods, city, county or metropolitan area; for rural areas, it may be a neighborhood or neighborhoods, town, village, county, or multi-county area (but not the entire State); and

(ii) Providing a formal process for low-income program beneficiaries to advise the organization in its decisions regarding the design, siting, development, and management of affordable housing;

(9) Has a demonstrated capacity for carrying out activities assisted with HOME funds. An organization may satisfy this requirement by hiring experienced key staff members who have successfully completed similar projects, or a consultant with the same type of experience and a plan to train appropriate key staff members of the organization; and

(10) Has a history of serving the community within which housing to be assisted with HOME funds is to be located. In general, an organization must be able to show one year of serving the community before HOME funds are reserved for the organization. However, a newly created organization formed by local churches, service organizations or neighborhood organizations may meet this requirement by demonstrating that its parent organization has at least a year of serving the community.

Displaced homemaker means an individual who:

(1) Is an adult;

§ 92.2

(2) Has not worked full-time full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family; and

(3) Is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment.

Family has the same meaning given that term in 24 CFR 5.403.

First-time homebuyer means an individual and his or her spouse who have not owned a home during the three-year period prior to purchase of a home with assistance under the American Dream Downpayment Initiative (ADDI) described in subpart M of this part. The term first-time homebuyer also includes an individual who is a displaced homemaker or single parent, as those terms are defined in this section. An individual shall not be excluded from consideration as a first-time homebuyer on the basis that the individual owns or owned, as a principal residence during the three-year period, a dwelling unit whose structure is not permanently affixed to a permanent foundation in accordance with local or other applicable regulations or is not in compliance with State, local, or model building codes, or other applicable codes, and cannot be brought into compliance with the codes for less than the cost of constructing a permanent structure.

HOME funds means funds made available under this part through allocations and reallocations, plus program income.

Homeownership means ownership in fee simple title or a 99 year leasehold interest in a one- to four-unit dwelling or in a condominium unit, or equivalent form of ownership approved by HUD. The ownership interest may be subject only to the restrictions on resale required under § 92.254(a); mortgages, deeds of trust, or other liens or instruments securing debt on the property as approved by the participating jurisdiction; or any other restrictions or encumbrances that do not impair the good and marketable nature of title to the ownership interest. For purposes of the insular areas, homeownership includes leases of 40 years or more. For purposes of housing located on trust or restricted Indian lands,

24 CFR Subtitle A (4-1-11 Edition)

homeownership includes leases of 50 years. The participating jurisdiction must determine whether or not ownership or membership in a cooperative or mutual housing project constitutes homeownership under State law.

Household means one or more persons occupying a housing unit.

Housing includes manufactured housing and manufactured housing lots, permanent housing for disabled homeless persons, transitional housing, single-room occupancy housing, and group homes. Housing also includes elder cottage housing opportunity (ECHO) units that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings. Housing does not include emergency shelters (including shelters for disaster victims) or facilities such as nursing homes, convalescent homes, hospitals, residential treatment facilities, correctional facilities and student dormitories.

Insular areas means Guam, the Northern Mariana Islands, the United States Virgin Islands, and American Samoa.

Jurisdiction means a State or unit of general local government.

Low-income families means families whose annual incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Metropolitan city has the meaning given the term in 24 CFR 570.3.

Neighborhood means a geographic location designated in comprehensive plans, ordinances, or other local documents as a neighborhood, village, or similar geographical designation that is within the boundary but does not encompass the entire area of a unit of general local government; except that if the unit of general local government has a population under 25,000, the neighborhood may, but need not, encompass the entire area of a unit of general local government.

Participating jurisdiction means a jurisdiction (as defined in this section) that has been so designated by HUD in accordance with § 92.105.

Person with disabilities means a household composed of one or more persons, at least one of whom is an adult, who has a disability.

(1) A person is considered to have a disability if the person has a physical, mental, or emotional impairment that:

- (i) Is expected to be of long-continued and indefinite duration;
- (ii) Substantially impedes his or her ability to live independently; and
- (iii) Is of such a nature that such ability could be improved by more suitable housing conditions.

(2) A person will also be considered to have a disability if he or she has a developmental disability, which is a severe, chronic disability that:

- (i) Is attributable to a mental or physical impairment or combination of mental and physical impairments;
- (ii) Is manifested before the person attains age 22;
- (iii) Is likely to continue indefinitely;
- (iv) Results in substantial functional limitations in three or more of the following areas of major life activity: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency; and
- (v) Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services that are of lifelong or extended duration and are individually planned and coordinated.

Notwithstanding the preceding provisions of this definition, the term "person with disabilities" includes two or more persons with disabilities living together, one or more such persons living with another person who is determined to be important to their care or well-being, and the surviving member or members of any household described in the first sentence of this definition who were living, in a unit assisted with HOME funds, with the deceased member of the household at the time of his or her death.

Program income means gross income received by the participating jurisdiction, State recipient, or a subrecipient

directly generated from the use of HOME funds or matching contributions. When program income is generated by housing that is only partially assisted with HOME funds or matching funds, the income shall be prorated to reflect the percentage of HOME funds used. Program income includes, but is not limited to, the following:

(1) Proceeds from the disposition by sale or long-term lease of real property acquired, rehabilitated, or constructed with HOME funds or matching contributions;

(2) Gross income from the use or rental of real property, owned by the participating jurisdiction, State recipient, or a subrecipient, that was acquired, rehabilitated, or constructed, with HOME funds or matching contributions, less costs incidental to generation of the income;

(3) Payments of principal and interest on loans made using HOME funds or matching contributions;

(4) Proceeds from the sale of loans made with HOME funds or matching contributions;

(5) Proceeds from the sale of obligations secured by loans made with HOME funds or matching contributions;

(6) Interest earned on program income pending its disposition; and

(7) Any other interest or return on the investment permitted under § 92.205(b) of HOME funds or matching contributions.

Project means a site or sites together with any building (including a manufactured housing unit) or buildings located on the site(s) that are under common ownership, management, and financing and are to be assisted with HOME funds as a single undertaking under this part. The project includes all the activities associated with the site and building. For tenant-based rental assistance, project means assistance to one or more families.

Project completion means that all necessary title transfer requirements and construction work have been performed; the project complies with the requirements of this part (including the property standards under § 92.251); the final drawdown has been disbursed for the project; and the project completion information has been entered in

§92.2

the disbursement and information system established by HUD. For tenant-based rental assistance, project completion means the final drawdown has been disbursed for the project.

Reconstruction means the rebuilding, on the same lot, of housing standing on a site at the time of project commitment. The number of housing units on the lot may not be decreased or increased as part of a reconstruction project, but the number of rooms per unit may be increased or decreased. Reconstruction also includes replacing an existing substandard unit of manufactured housing with a new or standard unit of manufactured housing. Reconstruction is rehabilitation for purposes of this part.

Single family housing means a one-to four-family residence, condominium unit, cooperative unit, combination of manufactured housing and lot, or manufactured housing lot.

Single parent means an individual who:

- (1) Is unmarried or legally separated from a spouse; and
- (2) Has one or more minor children of whom the individual has custody or joint custody, or is pregnant.

Single room occupancy (SRO) housing means housing (consisting of single room dwelling units) that is the primary residence of its occupant or occupants. The unit must contain either food preparation or sanitary facilities (and may contain both) if the project consists of new construction, conversion of non-residential space, or reconstruction. For acquisition or rehabilitation of an existing residential structure or hotel, neither food preparation nor sanitary facilities are required to be in the unit. If the units do not contain sanitary facilities, the building must contain sanitary facilities that are shared by tenants.

State means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any agency or instrumentality thereof that is established pursuant to legislation and designated by the chief executive officer to act on behalf of the state with regard to the provisions of this part; however, for purposes of the American Dream Downpayment Initiative (ADDI) described in subpart M of

24 CFR Subtitle A (4-1-11 Edition)

this part, the term “state” does not include the Commonwealth of Puerto Rico (except for FY2003 ADDI funds).

State recipient. See §92.201(b)(2).

Subrecipient means a public agency or nonprofit organization selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction’s HOME program. A public agency or nonprofit organization that receives HOME funds solely as a developer or owner of housing is not a subrecipient. The participating jurisdiction’s selection of a subrecipient is not subject to the procurement procedures and requirements.

Tenant-based rental assistance is a form of rental assistance in which the assisted tenant may move from a dwelling unit with a right to continued assistance. Tenant-based rental assistance under this part also includes security deposits for rental of dwelling units.

Transitional housing means housing that:

- (1) Is designed to provide housing and appropriate supportive services to persons, including (but not limited to) deinstitutionalized individuals with disabilities, homeless individuals with disabilities, and homeless families with children; and
- (2) Has as its purpose facilitating the movement of individuals and families to independent living within a time period that is set by the participating jurisdiction or project owner before occupancy.

Unit of general local government means a city, town, township, county, parish, village, or other general purpose political subdivision of a State; a consortium of such political subdivisions recognized by HUD in accordance with §92.101; and any agency or instrumentality thereof that is established pursuant to legislation and designated by the chief executive to act on behalf of the jurisdiction with regard to provisions of this part. When a county is an urban county, the urban county is the unit of general local government for purposes of the HOME Investment Partnerships Program.

Urban county has the meaning given the term in 24 CFR 570.3.

Very low-income families means low-income families whose annual incomes

do not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

[61 FR 48750, Sept. 16, 1996, as amended at 67 FR 61755, Oct. 1, 2002; 69 FR 16765, Mar. 30, 2004; 72 FR 16685, Apr. 4, 2007]

§ 92.4 Waivers and suspension of requirements for disaster areas.

HUD's authority for waiver of regulations and for the suspension of requirements to address damage in a Presidentially declared disaster area is described in 24 CFR 5.110 and in section 290 of the Act, respectively.

Subpart B—Allocation Formula

§ 92.50 Formula allocation.

(a) *Jurisdictions eligible for a formula allocation.* HUD will provide allocations of funds in amounts determined by the formula described in this section to units of general local governments that, as of the end of the previous fiscal year, are metropolitan cities, urban counties, or consortia approved under § 92.101; and States.

(b) *Amounts available for allocation; State and local share.* The amount of funds that are available for allocation by the formula under this section is equal to the balance of funds remaining after reserving amounts for insular areas, housing education and organizational support, other support for State and local housing strategies, and other purposes authorized by Congress, in accordance with the Act and appropriations.

(c) *Formula factors.* The formula for determining allocations uses the following factors. The first and sixth factors are weighted 0.1; the other four factors are weighted 0.2.

(1) Vacancy-adjusted rental units where the household head is at or below the poverty level. These rental units are multiplied by the ratio of the

national rental vacancy rate over a jurisdiction's rental vacancy rate.

(2) Occupied rental units with at least one of four problems (overcrowding, incomplete kitchen facilities, incomplete plumbing, or high rent costs). *Overcrowding* is a condition that exists if there is more than one person per room occupying the unit. *Incomplete kitchen facilities* means the unit lacks a sink with running water, a range, or a refrigerator. *Incomplete plumbing* means the unit lacks hot and cold piped water, a flush toilet, or a bathtub or shower inside the unit for the exclusive use of the occupants of the unit. *High rent costs* occur when more than 30 percent of household income is used for rent.

(3) Rental units built before 1950 occupied by poor households.

(4) Rental units described in paragraph (c)(2) of this section multiplied by the ratio of the cost of producing housing for a jurisdiction divided by the national cost.

(5) Number of families at or below the poverty level.

(6) Population of a jurisdiction multiplied by a net per capita income (pci). To compute net pci for a jurisdiction or for the nation, the pci of a three person family at the poverty threshold is subtracted from the pci of the jurisdiction or of the nation. The index is constructed by dividing the national net pci by the net pci of a jurisdiction.

(d) *Calculating formula allocations for units of general local government.* (1) Initial allocation amounts for units of general local government described in paragraph (a) of this section are determined by multiplying the sum of the shares of the six factors in paragraph (c) of this section by 60 percent of the amount available under paragraph (b) of this section for formula allocation. The shares are the ratio of the weighted factor for each jurisdiction over the corresponding factor for the total for all of these units of general local government.

(2) If any of the initial amounts for such units of general local government in Puerto Rico exceeds twice the national average, on a per rental unit basis, that amount is capped at twice the national average.

§ 92.60

(3) To determine the maximum number of units of general local government that receive a formula allocation, only one jurisdiction (the unit of general local government with the smallest allocation of HOME funds) is dropped from the pool of eligible jurisdictions on each successive recalculation, except that jurisdictions that are participating jurisdictions (other than consortia that fail to renew the membership of all of their member jurisdictions) are not dropped. Then the amount of funds available for units of general local government is redistributed to all others. This recalculation/redistribution continues until all remaining units of general local government receive an allocation of \$500,000 or more or are participating jurisdictions. Only units of general local government which receive an allocation of \$500,000 or more under the formula or which are participating jurisdictions will be awarded an allocation. In fiscal years in which Congress appropriates less than \$1.5 billion of HOME funds, \$335,000 is substituted for \$500,000.

(4) The allocation amounts determined under paragraph (d)(3) of this section are reduced by any amounts that are necessary to provide increased allocations to States that have no unit of general local government receiving a formula allocation (see paragraph (e)(4) of this section). These reductions are made on a *pro rata* basis, except that no unit of general local government allocation is reduced below \$500,000 (or \$335,000 in fiscal years in which Congress appropriates less than \$1.5 billion of HOME funds) and no participating jurisdiction allocation which is below this amount is reduced.

(e) *Calculating formula allocations for States.* (1) Forty percent of the funds available for allocation under paragraph (b) of this section are allocated to States. The allocation amounts for States are calculated by determining initial amounts for each State, based on the sum of the shares of the six factors. For 20 percent of the funds to be allocated to States, the shares are the ratio of the weighted factor for the entire State over the corresponding factor for the total for all States. For 80 percent of the funds to be allocated to States, the shares are the ratio of the

24 CFR Subtitle A (4-1-11 Edition)

weighted factor for all units of general local government within the State that do not receive a formula allocation over the corresponding factor for the total for all States.

(2) If the initial amounts for Puerto Rico (based on either or both the 80 percent of funds or 20 percent of funds calculation) exceed twice the national average, on a per rental unit basis, each amount that exceeds the national average is capped at twice the national average, and the resultant funds are re-allocated to other States on a prorata basis.

(3) If the initial amounts when combined for any State are less than the \$3,000,000, the allocation to that State is increased to the \$3,000,000 and all other State allocations are reduced by an equal amount on a prorata basis, except that no State allocation is reduced below \$3,000,000.

(4) The allocation amount for each State that has no unit of general local government within the State receiving an allocation under paragraph (d) of this section is increased by \$500,000. Funds for this increase are derived from the funds available for units of general local government, in accordance with paragraph (d)(4) of this section.

INSULAR AREAS PROGRAM

§ 92.60 Allocation amounts for insular areas.

(a) *Initial allocation amount for each insular area.* The initial allocation amount for each insular area is determined based upon the insular area's population and occupied rental units compared to all insular areas.

(b) *Threshold requirements.* The HUD Field Office shall review each insular area's progress on outstanding allocations made under this section, based on the insular area's performance report, the timeliness of close-outs, and compliance with fund management requirements and regulations, taking into consideration the size of the allocation and the degree and complexity of the program. If HUD determines from this review that the insular area does not

have the capacity to administer effectively a new allocation, or a portion of a new allocation, in addition to allocations currently under administration, HUD may reduce the insular area's initial allocation amount.

(c) *Previous audit findings and outstanding monetary obligations.* HUD shall not make an allocation to an insular area that has either an outstanding audit finding for any HUD program, or an outstanding monetary obligation to HUD that is in arrears, or for which a repayment schedule has not been established. This restriction does not apply if the HUD Field Office finds that the insular area has made a good faith effort to clear the audit and, when there is an outstanding monetary obligation to HUD, the insular area has made a satisfactory arrangement for repayment of the funds due HUD and payments are current.

(d) *Increases to the initial allocation amount.* If funds reserved for the insular areas are available because HUD has decreased the amount for one or more insular areas in accordance with paragraphs (b) or (c) of this section, or for any other reason, HUD may increase the allocation amount for one or more of the remaining insular areas based upon the insular area's performance in committing HOME funds within the 24 month deadline, producing housing units described in its program description, and meeting HOME program requirements. Funds that become available but which are not used to increase the allocation amount for one or more of the remaining insular areas will be reallocated in accordance with § 92.66.

(e) *Notice of allocation amounts.* HUD will notify each insular area, in writing, as to the amount of its HOME allocation.

§ 92.61 Program description.

(a) *Submission requirement.* Not later than 90 days after HUD notifies the insular area of the amount of its allocation, the insular area must submit a program description and certifications to HUD.

(b) *Content of program description.* The program description must contain the following:

(1) An executed Standard Form 424;

(2) The estimated use of HOME funds and a description of projects and eligible activities, including number of units to be assisted, estimated costs, and tenure type (rental or owner occupied) and, for tenant assistance, number of households to be assisted;

(3) A timetable for the implementation of the projects or eligible activities;

(4) If the insular area intends to use HOME funds for homebuyers, the guidelines for resale or recapture as required in § 92.254(a)(5);

(5) If the insular area intends to use HOME funds for tenant-based rental assistance, a description of how the program will be administered consistent with the minimum guidelines described in § 92.209;

(6) If an insular area intends to use other forms of investment not described in § 92.205(b), a description of the other forms of investment;

(7) A statement of the policy and procedures to be followed by the insular area to meet the requirements for affirmative marketing, and establishing and overseeing a minority and women business outreach program under § 92.351;

(8) If the insular area intends to use HOME funds for refinancing along with rehabilitation, the insular area's guidelines described in § 92.206(b).

(c) *Certifications.* The following certifications must accompany the program description:

(1) A certification that, before committing funds to a project, the insular area will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other governmental assistance than is necessary to provide affordable housing;

(2) If the insular area intends to provide tenant-based rental assistance, the certification required by § 92.209;

(3) A certification that the submission of the program description is authorized under applicable law and the insular area possesses the legal authority to carry out the HOME Investment Partnerships Program, in accordance with the HOME regulations;

§ 92.62

(4) A certification that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, implementing regulations at 49 CFR part 24 and the requirements of § 92.353;

(5) A certification that the insular area will use HOME funds in compliance with all requirements of this part;

(6) The certification required with regard to lobbying required by 24 CFR part 87, together with disclosure forms, if required by 24 CFR part 87.

[61 FR 48750, Sept. 16, 1996, as amended at 72 FR 73493, Dec. 27, 2007]

§ 92.62 Review of program description and certifications.

(a) *Review of program description.* The responsible HUD Field Office will review an insular area's program description and will approve the description unless the insular area has failed to submit information sufficient to allow HUD to make the necessary determinations required for § 92.61 (b)(4), (b)(6), and (b)(7), or the guidelines under (b)(8) are not satisfactory to HUD, if applicable; or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs. If the insular area has not submitted information on § 92.61 (b)(4), (b)(6), and (b)(7), or the guidelines under (b)(8) are not satisfactory to HUD, if applicable; or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs, the insular area may be required to furnish such further information or assurances as HUD may consider necessary to find the program description and certifications satisfactory. The HUD Field Office shall work with the insular area to achieve a complete and satisfactory program description.

(b) *Review period.* Within thirty days of receipt of the program description, the HUD Field Office will notify the insular area if determinations cannot be made under § 92.61 (b)(4), (b)(6), (b)(7), or (b)(8) with the supporting information submitted, or if the proposed projects or activities are beyond currently dem-

24 CFR Subtitle A (4-1-11 Edition)

onstrated capability. The insular area will have a reasonable period of time, agreed upon mutually, to submit the necessary supporting information or to revise the proposed projects or activities in its program description.

(c) *HOME Investment Partnership Agreement.* After HUD Field Office approval under this section, a HOME funds allocation is made by HUD execution of the agreement, subject to execution by the insular area. The funds are obligated on the date HUD notifies the insular area of HUD's execution of the agreement.

§ 92.63 Amendments to program description.

An insular area must submit to HUD for approval any substantial change in its HUD-approved program description that it makes and must document any other changes in its file. A substantial change involves a change in the guidelines for resale or recapture (§ 92.61(b)(4)), other forms of investment (§ 92.61(b)(6)), minority and women business outreach program (§ 92.61(b)(7)) or refinancing (§ 92.61(b)(8)); or a change in the tenure type of the project or activities; or a funding increase to a project or activity of \$100,000 or 50% (whichever is greater). The HUD Field Office will notify the insular area if its program description, as amended, does not permit determinations to be made under § 92.61 (b)(4), (b)(6), (b)(7), or (b)(8), or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs, within 30 days of receipt. The insular area will have a reasonable period of time, agreed upon mutually, to submit the necessary supporting information to revise the proposed projects or activities in its program description.

§ 92.64 Applicability of requirements to insular areas.

(a) Insular areas are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart

L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): Administrative costs, as described in § 92.207, are eligible costs for insular areas in an amount not to exceed 15 percent of the HOME funds provided to the insular area. The matching contribution requirements in this part do not apply.

(2) Subpart K (Program Administration):

(i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury for each insular area and the HOME funds must be used for approved activities. A local account must be established for program income. Each insular area may use either a separate local HOME account or a subsidiary account within its general fund (or other appropriate fund) as the local HOME account. HUD will recapture HOME funds in the HOME Treasury account by the amount of:

(A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the insular area of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds that are not expended within five years after the last day of the month in which HUD notifies the insular area of HUD's execution of the HOME Investment Partnership Agreement; and

(C) Any penalties assessed by HUD under § 92.552.

(ii) Section 92.502 (Program disbursement and information system) applies, except that references to the HOME Investment Trust Fund mean HOME account. In addition, § 92.502(c) does not apply, and instead compliance with Treasury Circular No. 1075 (31 CFR part 205) and 24 CFR 85.21 is required.

(iii) Section 92.503 (Program income, repayments, and recaptured funds) applies, except that the funds may be retained provided the funds are used for eligible activities in accordance with the requirements of this section.

(3) Section 92.504 (Participating jurisdiction responsibilities; written agreements; on-site inspections) applies, except that the written agreement must

ensure compliance with the requirements in this section.

(4) Section 92.508 (Recordkeeping) applies with respect to the records that relate to the requirements of this section.

(5) Section 92.509 (Performance reports) applies, except that a performance report is required for the fiscal year allocation only after completion of the approved projects funded by the allocation.

(6) Subpart L (Performance Reviews and Sanctions): Section 92.552 does not apply. Instead, § 92.65 applies.

(b) The requirements of subpart H (Other Federal Requirements) of this part apply as follows: § 92.357 Executive Order 12372 applies as written, and the requirements of the remaining sections which apply to participating jurisdictions are applicable to the insular areas.

(c) Subpart B (Allocation Formula), subpart C (Consortia; Designation and Revocation as a Participating Jurisdiction), subpart D (Submission Requirements), and subpart G (Community Housing Development Organizations) of this part do not apply.

(d) Subpart A (General) applies, except that for the definitions of *commitment*, *program income*, and *subrecipient*, "participating jurisdiction" means "insular area."

§ 92.65 Funding sanctions.

Following notice and opportunity for informal consultation, HUD may withhold, reduce or terminate the assistance where any corrective or remedial actions taken under § 92.551 fail to remedy an insular area's performance deficiencies, and the deficiencies are sufficiently substantial, in the judgment of HUD, to warrant sanctions.

§ 92.66 Reallocation.

Any HOME funds which are reduced or recaptured from an insular area's allocation and which are not used to increase the allocation amount for one or more of the remaining insular areas as provided in § 92.60 of this part, will be reallocated by HUD to the States in accordance with the requirements in subpart J for reallocating funds initially allocated to a State.

Subpart C—Consortia; Designation and Revocation of Designation as a Participating Jurisdiction

§ 92.100 [Reserved]

§ 92.101 Consortia.

(a) A consortium of geographically contiguous units of general local government is a unit of general local government for purposes of this part if the requirements of this section are met.

(1) One or more members of a proposed consortium or an existing consortium whose consortium qualification terminates at the end of the fiscal year, must provide written notification to the HUD Field Office of its intent to participate as a consortium in the HOME Program for the following fiscal year. HUD shall establish the deadline for this submission.

(2) The proposed consortium must provide, at such time and in a manner and form prescribed by HUD, the qualification documents, which will include submission of:

(i) A written certification by the State that the consortium will direct its activities to alleviation of housing problems within the State; and

(ii) Documentation which demonstrates that the consortium has executed one legally binding cooperation agreement among its members authorizing one member unit of general local government to act in a representative capacity for all member units of general local government for the purposes of this part and providing that the representative member assumes overall responsibility for ensuring that the consortium's HOME Program is carried out in compliance with the requirements of this part.

(3) Before the end of the fiscal year in which the notice of intent and documentation are submitted, HUD must determine that a proposed consortium has sufficient authority and administrative capability to carry out the purposes of this part on behalf of its member jurisdictions. HUD will endeavor to make its determination as quickly as practicable after receiving the consortium's documentation in order to provide the consortium an opportunity to correct its submission, if necessary. If

the submission is deficient, HUD will work with the consortium to resolve the issue, but will not delay the formula allocations. HUD, at its discretion, may review the performance of an existing consortium that wishes to requalify to determine whether it continues to have sufficient authority and administrative capacity to successfully administer the program.

(b) A metropolitan city or an urban county may be a member of a consortium. A unit of general local government that is included in an urban county may be part of a consortium, only if the urban county joins the consortium. The included local government cannot join the consortium except through participation in the urban county.

(c) A non-urban county may be a member of a consortium. However, the county cannot on its own include the whole county in the consortium. A unit of local government located within the non-urban county that wishes to participate as a member of the consortium must sign the HOME consortium agreement.

(d) If the representative unit of general local government distributes HOME funds to member units of general local government, the representative unit is responsible for applying to the member units of general local government the same requirements as are applicable to subrecipients.

(e) The consortium's qualification as a unit of general local government continues for a period of three successive Federal fiscal years, or until HUD revokes its designation as a participating jurisdiction, or until an urban county member fails to requalify under the CDBG program as an urban county for a fiscal year included in the consortium's qualification period, or the consortium fails to receive a HOME allocation for the first Federal fiscal year of the consortium's qualification period and does not request to be considered to receive a HOME allocation in each of the subsequent two years. However, if a member urban county's three year CDBG qualification cycle is not the same as the consortium, the consortium may elect a shorter qualification period than three years to synchronize with the urban county's qualification

period. During the period of qualification, additional units of general local government may join the consortium, but no included unit of general local government may withdraw from the consortium. See 24 CFR part 91, subpart E, for consolidated plan requirements for consortia, including the requirement that all members of the consortia must be on the same program year.

(f) The consortium agreement may, at the option of its member units of general local government, contain a provision that authorizes automatic renewals for the successive qualification period of three Federal fiscal years. The provision authorizing automatic renewal must require the lead consortium member to give the consortium members written notice of their right to elect not to continue participation for the new qualification period.

[61 FR 48750, Sept. 16, 1996, as amended at 67 FR 61756, Oct. 1, 2002]

§ 92.102 Participation threshold amount.

(a) To be eligible to become a participating jurisdiction, a unit of general local government must have a formula allocation under § 92.50 that is equal to or greater than \$750,000; or

(b) If a unit of general local government's formula allocation is less than \$750,000, HUD must find:

(1) The unit of general local government has a local PHA and has demonstrated a capacity to carry out the provisions of this part, as evidenced by satisfactory performance under one or more HUD-administered programs that provide assistance for activities comparable to the eligible activities under this part; and

(2) The State has authorized HUD to transfer to the unit of general local government a portion of the State's allocation or the State, the unit of general local government, or both, has made available its own resources such that the sum of the amounts transferred or made available are equal to or greater than the difference between the unit of general local government's formula allocation and \$750,000.

(c) In fiscal years in which Congress appropriates less than \$1.5 billion for this part, \$500,000 is substituted for

\$750,000 each time it appears in this section.

§ 92.103 Notification of intent to participate.

(a) Not later than 30 days after receiving notice of its formula allocation amount, a jurisdiction must notify HUD in writing of its intention to become a participating jurisdiction.

(b) A unit of general local government that has a formula allocation of less than \$750,000, or less than \$500,000 in fiscal years in which Congress appropriates less than \$1.5 billion for this part, must submit, with its notice, one or more of the following, as appropriate, as evidence that it has met the threshold allocation requirements in § 92.102(b):

(1) Authorization from the State to transfer a portion of its allocation to the unit of general local government;

(2) A letter from the governor or designee indicating that the required funds have been approved and budgeted for the unit of general local government;

(3) A letter from the chief executive officer of the unit of general local government indicating that the required funds have been approved and budgeted.

§ 92.104 Submission of a consolidated plan.

A jurisdiction that has not submitted a consolidated plan to HUD must submit to HUD, not later than 90 days after providing notification under § 92.103, a consolidated plan in accordance with 24 CFR part 91.

§ 92.105 Designation as a participating jurisdiction.

When a jurisdiction has complied with the requirements of §§ 92.102 through 92.104 and HUD has approved the jurisdiction's consolidated plan in accordance with 24 CFR part 91, HUD will designate the jurisdiction as a participating jurisdiction.

§ 92.106 Continuous designation as a participating jurisdiction.

Once a State or unit of general local government is designated a participating jurisdiction, it remains a participating jurisdiction for subsequent

§ 92.107

fiscal years and the requirements of §§ 92.102 through 92.105 do not apply, unless HUD revokes the designation in accordance with § 92.107.

§ 92.107 Revocation of designation as a participating jurisdiction.

HUD may revoke a jurisdiction's designation as a participating jurisdiction if:

(a) HUD finds, after reasonable notice and opportunity for hearing as provided in § 92.552(b) that the jurisdiction is unwilling or unable to carry out the provisions of this part, including failure to meet matching contribution requirements; or

(b) The jurisdiction's formula allocation falls below \$750,000 (or below \$500,000 in fiscal years in which Congress appropriates less than \$1.5 billion for this part) for three consecutive years, below \$625,000 (or below \$410,000 in fiscal years in which Congress appropriates less than \$1.5 billion for this part) for two consecutive years, or the jurisdiction does not receive a formula allocation in any one year.

(c) When HUD revokes a participating jurisdiction's designation as a participating jurisdiction, HUD will re-allocate any remaining funds in the jurisdiction's HOME Investment Trust Fund established under § 92.500 in accordance with § 92.451.

Subpart D—Submission Requirements

§ 92.150 Submission requirements.

In order to receive its HOME allocation, a participating jurisdiction must submit a consolidated plan in accordance with 24 CFR part 91. That part includes requirements for the content of the consolidated plan, the process of developing the consolidated plan, including citizen participation, the submission date, HUD approval, and amendments.

Subpart E—Program Requirements

§ 92.200 Private-public partnership.

Each participating jurisdiction must make all reasonable efforts to maximize participation by the private sec-

24 CFR Subtitle A (4-1-11 Edition)

tor in accordance with section 221 of the Act.

§ 92.201 Distribution of assistance.

(a) *Local.* (1) Each local participating jurisdiction must, insofar as is feasible, distribute HOME funds geographically within its boundaries and among different categories of housing need, according to the priorities of housing need identified in its approved consolidated plan.

(2) The participating jurisdiction may only invest its HOME funds in eligible projects within its boundaries, or in joint projects within the boundaries of contiguous local jurisdictions which serve residents from both jurisdictions.

(b) *State.* (1) Each State participating jurisdiction is responsible for distributing HOME funds throughout the State according to the State's assessment of the geographical distribution of the housing needs within the State, as identified in the State's approved consolidated plan. The State must distribute HOME funds to rural areas in amounts that take into account the non-metropolitan share of the State's total population and objective measures of rural housing need, such as poverty and substandard housing, as set forth in the State's approved consolidated plan. To the extent the need is within the boundaries of a participating unit of general local government, the State and the unit of general local government shall coordinate activities to address that need.

(2) A State may carry out its own HOME program without active participation of units of general local government or may distribute HOME funds to units of general local government to carry out HOME programs in which both the State and all or some of the units of general local government perform specified program functions. A unit of general local government designated by a State to receive HOME funds from a State is a State recipient.

(3)(i) A State that uses State recipients to perform program functions shall ensure that the State recipients use HOME funds in accordance with the requirements of this part and other applicable laws. The State may require the State recipient to comply with requirements established by the State or

may permit the State recipient to establish its own requirements to comply with this part.

(ii) The State shall conduct such reviews and audit of its State recipients as may be necessary or appropriate to determine whether the State recipient has committed and expended the HOME funds in the United States Treasury account as required by § 92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching contribution requirements.

(4) A State and local participating jurisdiction may jointly fund a project within the boundaries of the local participating jurisdiction. The State may provide the HOME funds to the project or it may provide the HOME funds to the local participating jurisdiction to fund the project.

(5) A State may fund projects on Indian reservations located within the State provided that the State includes Indian reservations in its consolidated plan.

§ 92.202 Site and neighborhood standards.

(a) *General.* A participating jurisdiction must administer its HOME program in a manner that provides housing that is suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d–2000d–4), the Fair Housing Act (42 U.S.C. 3601 *et seq.*, E.O. 11063 (3 CFR, 1959–1963 Comp., p. 652), and HUD regulations issued pursuant thereto; and promotes greater choice of housing opportunities.

(b) *New rental housing.* In carrying out the site and neighborhood requirements with respect to new construction of rental housing, a participating jurisdiction is responsible for making the determination that proposed sites for new construction meet the requirements in 24 CFR 983.6(b).

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997]

§ 92.203 Income determinations.

(a) The HOME program has income targeting requirements for the HOME program and for HOME projects. There-

fore, the participating jurisdiction must determine each family is income eligible by determining the family's annual income.

(1) For families who are tenants in HOME-assisted housing and not receiving HOME tenant-based rental assistance, the participating jurisdiction must initially determine annual income using the method in paragraph (a)(1)(i) of this section. For subsequent income determinations during the period of affordability, the participating jurisdiction may use any one of the following methods in accordance with § 92.252(h):

(i) Examine the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(ii) Obtain from the family a written statement of the amount of the family's annual income and family size, along with a certification that the information is complete and accurate. The certification must state that the family will provide source documents upon request.

(iii) Obtain a written statement from the administrator of a government program under which the family receives benefits and which examines each year the annual income of the family. The statement must indicate the tenant's family size and state the amount of the family's annual income; or alternatively, the statement must indicate the current dollar limit for very low- or low-income families for the family size of the tenant and state that the tenant's annual income does not exceed this limit.

(2) For all other families, the participating jurisdiction must determine annual income by examining the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(b) When determining whether a family is income eligible, the participating jurisdiction must use one of the following three definitions of "annual income":

(1) "Annual income" as defined at 24 CFR 5.609 (except when determining the income of a homeowner for an owner-occupied rehabilitation project,

§ 92.204

the value of the homeowner's principal residence may be excluded from the calculation of Net Family Assets); or

(2) Annual Income as reported under the Census long-form for the most recent available decennial Census. This definition includes:

(i) Wages, salaries, tips, commissions, etc.;

(ii) Self-employment income from owned non-farm business, including proprietorships and partnerships;

(iii) Farm self-employment income;

(iv) Interest, dividends, net rental income, or income from estates or trusts;

(v) Social Security or railroad retirement;

(vi) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;

(vii) Retirement, survivor, or disability pensions; and

(viii) Any other sources of income received regularly, including Veterans' (VA) payments, unemployment compensation, and alimony; or

(3) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 series for individual Federal annual income tax purposes.

(c) Although the participating jurisdiction may use any of the three definitions of "annual income" permitted in paragraph (b) of this section, to calculate adjusted income it must apply exclusions from income established at 24 CFR 5.611. The HOME rents for very low-income families established under § 92.252(b)(2) are based on adjusted income. In addition, the participating jurisdiction may base the amount of tenant-based rental assistance on the adjusted income of the family.

(d)(1) The participating jurisdiction must calculate the annual income of the family by projecting the prevailing rate of income of the family at the time the participating jurisdiction determines that the family is income eligible. Annual income shall include income from all family members. Income or asset enhancement derived from the HOME-assisted project shall not be considered in calculating annual income.

(2) The participating jurisdiction is not required to re-examine the family's

24 CFR Subtitle A (4-1-11 Edition)

income at the time the HOME assistance is provided, unless more than six months has elapsed since the participating jurisdiction determined that the family qualified as income eligible.

(3) The participating jurisdiction must follow the requirements in § 5.617 when making subsequent income determinations of persons with disabilities who are tenants in HOME-assisted rental housing or who receive tenant-based rental assistance.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997; 66 FR 6224, Jan. 19, 2001]

§ 92.204 Applicability of requirements to entities that receive a reallocation of HOME funds, other than participating jurisdictions.

(a) Jurisdictions other than participating jurisdictions and community housing development organizations receiving competitive reallocations from HUD are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): the matching contribution requirements in § 92.218 through § 92.221 do not apply.

(2) Subpart K (Program Administration):

(i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury and the HOME funds must be used for approved activities. A local account must be established for program income. HUD will recapture HOME funds in the HOME Treasury account by the amount of:

(A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the entity of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds that are not expended within five years after the last day of the month in which HUD notifies the entity of HUD's execution of the HOME Investment Partnership Agreement; and

(C) Any penalties assessed by HUD under § 92.552.

(ii) Section 92.502 (Program disbursement and information system) applies, except that references to the HOME Investment Trust Fund mean HOME account and the reference to 24 CFR part 58 does not apply. In addition, § 92.502(c) does not apply, and instead, compliance with Treasury Circular No. 1075 (31 CFR part 205) and 24 CFR 85.21 is required.

(iii) Section 92.503 (Program income, repayments, and recaptured funds) applies, except that program income may be retained provided the funds are used for eligible activities in accordance with the requirements of this section.

(3) Section 92.504 (Participating jurisdiction responsibilities; written agreements; on-site inspections) applies, except that the written agreement must ensure compliance with the requirements in this section.

(4) Section 92.508 (Recordkeeping) applies with respect to the records that relate to the requirements of this section.

(5) Section 92.509 (Performance reports) applies, except that a performance report is required only after completion of the approved projects.

(b) The requirements in subpart H (Other Federal Requirements) of this part apply as written, except that jurisdictions and community housing development organizations receiving relocations from HUD must comply with affirmative marketing requirements, labor requirements, and lead-based paint requirements, applicable to participating jurisdictions.

(c) Subpart B (Allocation Formula), subpart C (Consortia; Designation and Revocation of Designation as a Participating Jurisdiction), and subpart G (Community Housing Development Organizations) of this part do not apply.

(d) Subpart A (General) applies, except that for the definitions of *commitment*, *program income*, and *subrecipient*, “participating jurisdiction” means jurisdiction or community housing development organization receiving the competitive reallocation.

ELIGIBLE AND PROHIBITED ACTIVITIES

§ 92.205 Eligible activities: General.

(a) *Eligible activities.* (1) HOME funds may be used by a participating jurisdiction to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition (including assistance to homebuyers), new construction, reconstruction, or rehabilitation of non-luxury housing with suitable amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations; to provide tenant-based rental assistance, including security deposits; to provide payment of reasonable administrative and planning costs; and to provide for the payment of operating expenses of community housing development organizations. The housing must be permanent or transitional housing. The specific eligible costs for these activities are set forth in §§ 92.206 through 92.209.

(2) Acquisition of vacant land or demolition must be undertaken only with respect to a particular housing project intended to provide affordable housing.

(3) Conversion of an existing structure to affordable housing is rehabilitation, unless the conversion entails adding one or more units beyond the existing walls, in which case, the project is new construction for purposes of this part.

(4) *Manufactured housing.* HOME funds may be used to purchase and/or rehabilitate a manufactured housing unit, or purchase the land upon which a manufactured housing unit is located. Except for existing, owner-occupied manufactured housing that is rehabilitated with HOME funds, the manufactured housing unit must, at the time of project completion, be connected to permanent utility hook-ups and be located on land that is owned by the manufactured housing unit owner or land for which the manufactured housing owner has a lease for a period at least equal to the applicable period of affordability.

(b) *Forms of assistance.* (1) A participating jurisdiction may invest HOME funds as equity investments, interest-

§ 92.206

bearing loans or advances, non-interest-bearing loans or advances, interest subsidies consistent with the purposes of this part, deferred payment loans, grants, or other forms of assistance that HUD determines to be consistent with the purposes of this part. Each participating jurisdiction has the right to establish the terms of assistance, subject to the requirements of this part.

(2) A participating jurisdiction may invest HOME funds to guarantee loans made by lenders and, if required, the participating jurisdiction may establish a loan guarantee account with HOME funds. The HOME funds may be used to guarantee the timely payment of principal and interest or payment of the outstanding principal and interest upon foreclosure of the loan. The amount of the loan guarantee account must be based on a reasonable estimate of the default rate on the guaranteed loans, but under no circumstances may the amount on deposit exceed 20 percent of the total outstanding principal amount guaranteed; except that the account may include a reasonable minimum balance. While loan funds guaranteed with HOME funds are subject to all HOME requirements, funds which are used to repay the guaranteed loans are not.

(c) *Minimum amount of assistance.* The minimum amount of HOME funds that must be invested in a project involving rental housing or homeownership is \$1,000 times the number of HOME-assisted units in the project.

(d) *Multi-unit projects.* HOME funds may be used to assist one or more housing units in a multi-unit project. Only the actual HOME eligible development costs of the assisted units may be charged to the HOME program. If the assisted and non-assisted units are not comparable, the actual costs may be determined based on a method of cost allocation. If the assisted and non-assisted units are comparable in terms of size, features and number of bedrooms, the actual cost of the HOME-assisted units can be determined by pro-rating the total HOME eligible development costs of the project so that the proportion of the total development costs charged to the HOME program does not

24 CFR Subtitle A (4-1-11 Edition)

exceed the proportion of the HOME-assisted units in the project.

(e) *Terminated projects.* A HOME assisted project that is terminated before completion, either voluntarily or otherwise, constitutes an ineligible activity and any HOME funds invested in the project must be repaid to the participating jurisdiction's HOME Investment Trust Fund in accordance with § 92.503(b) (except for project-specific assistance to community housing development organizations as provided in § 92.301(a)(3) and § 92.301(b)(3)).

HOME funds may be used to pay the following eligible costs:

(a) *Development hard costs.* The actual cost of constructing or rehabilitating housing. These costs include the following:

The project site is the property, owned by the project owner, upon which the project is located.

(4) For both new construction and rehabilitation of multifamily rental housing, costs to construct or rehabilitate laundry and community facilities

which are located within the same building as the housing and which are for the use of the project residents and their guests.

(5) Costs to make utility connections or to make improvements to the project site, in accordance with the provisions of §92.206(a)(3) (ii) and (iii) are also eligible in connection with acquisition of standard housing.

(b) *Refinancing costs.* The cost to refinance existing debt secured by housing that is being rehabilitated with HOME funds:

(1) For single-family (1- to 4-family) owner-occupied housing when loaning HOME funds to rehabilitate the housing, if the refinancing is necessary to reduce the overall housing costs to the borrower and make the housing more affordable.

(2) For multifamily projects, when loaning HOME funds to rehabilitate the units if refinancing is necessary to permit or continue affordability under §92.252. The participating jurisdiction must establish refinancing guidelines and state them in its consolidated plan described in 24 CFR part 91. Regardless of the amount of HOME funds invested, the minimum affordability period shall be 15 years. The guidelines shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(i) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing;

(ii) Require a review of management practices to demonstrate that disinvestment in the property has not occurred, that the long term needs of the project can be met and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated;

(iii) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both;

(iv) Specify the required period of affordability, whether it is the minimum 15 years or longer;

(v) Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community; and

(vi) State that HOME funds cannot be used to refinance multifamily loans made or insured by any Federal program, including CDBG.

(c) *Acquisition costs.* Costs of acquiring improved or unimproved real property, including acquisition by homebuyers.

(d) *Related soft costs.* Other reasonable and necessary costs incurred by the owner or participating jurisdiction and associated with the financing, or development (or both) of new construction, rehabilitation or acquisition of housing assisted with HOME funds. These costs include, but are not limited to:

(1) Architectural, engineering or related professional services required to prepare plans, drawings, specifications, or work write-ups.

(2) Costs to process and settle the financing for a project, such as private lender origination fees, credit reports, fees for title evidence, fees for recordation and filing of legal documents, building permits, attorneys fees, private appraisal fees and fees for an independent cost estimate, builders or developers fees.

(3) Costs of a project audit that the participating jurisdiction may require with respect to the development of the project.

(4) Costs to provide information services such as affirmative marketing and fair housing information to prospective homeowners and tenants as required by §92.351.

(5) For new construction or rehabilitation, the cost of funding an initial operating deficit reserve, which is a reserve to meet any shortfall in project income during the period of project rent-up (not to exceed 18 months) and which may only be used to pay project operating expenses, scheduled payments to a replacement reserve, and debt service. Any HOME funds placed in an operating deficit reserve that remain unexpended after the period of project rent-up may be retained for

§ 92.207

project reserves if permitted by the participating jurisdiction.

(6) Staff and overhead costs directly related to carrying out the project, such as work specifications preparation, loan processing inspections, and other services related to assisting potential owners, tenants, and homebuyers, e.g., housing counseling, may be charged to project costs only if the project is funded and the individual becomes the owner or tenant of the HOME-assisted project. For multi-unit projects, such costs must be allocated among HOME-assisted units in a reasonable manner and documented.

(7) For both new construction and rehabilitation, costs for the payment of impact fees that are charged for all projects within a jurisdiction.

(8) Costs of environmental review and release of funds in accordance with 24 CFR part 58 which are directly related to the project.

(e) *Community housing development organization costs.* Eligible costs of project-specific assistance are set forth in § 92.301.

(f) *Relocation costs.* The cost of relocation payments and other relocation assistance to persons displaced by the project are eligible costs.

(1) Relocation payments include replacement housing payments, payments for moving expenses, and payments for reasonable out-of-pocket costs incurred in the temporary relocation of persons.

(2) Other relocation assistance means staff and overhead costs directly related to providing advisory and other relocation services to persons displaced by the project, including timely written notices to occupants, referrals to comparable and suitable replacement property, property inspections, counseling, and other assistance necessary to minimize hardship.

(g) *Costs relating to payment of loans.* If the HOME funds are not used to directly pay a cost specified in this section, but are used to pay off a construction loan, bridge financing loan, or guaranteed loan, the payment of principal and interest for such loan is an eligible cost only if:

(1) The loan was used for eligible costs specified in this section, and

24 CFR Subtitle A (4-1-11 Edition)

(2) The HOME assistance is part of the original financing for the project and the project meets the requirements of this part.

A participating jurisdiction may expend, for payment of reasonable administrative and planning costs of the HOME program and ADDI, an amount of HOME funds that is not more than ten percent of the sum of the Fiscal Year HOME basic formula allocation plus any funds received in accordance with § 92.102(b) to meet or exceed participation threshold requirements that Fiscal Year. A state that transfers any HOME funds in accordance with § 92.102(b) must exclude these funds in calculating the amount it may expend for administrative and planning costs. In charging costs to this category the participating jurisdiction may either include the entire salary, wages, and related costs allocable to the program of each person whose *primary* responsibilities with regard to the program

involves program administration assignments, or the prorated share of the salary, wages, and related costs of each person whose job includes *any* program administration assignments. The participating jurisdiction may use only one of these methods. Program administration includes the following types of assignments:

(i) Developing systems and schedules for ensuring compliance with program requirements;

(ii) Developing interagency agreements and agreements with entities receiving HOME funds;

(iii) Monitoring HOME-assisted housing for progress and compliance with program requirements;

(iv) Developing agreements and monitoring housing not assisted with HOME funds that the participating jurisdiction designates as a matching contribution in accordance with §92.219(b) for compliance with applicable program requirements;

(v) Preparing reports and other documents related to the program for submission to HUD;

(vi) Coordinating the resolution of audit and monitoring findings;

(vii) Evaluating program results against stated objectives; and

assisting potential owners, tenants, and homebuyers (e.g., housing counseling); and staff and overhead costs directly related to providing advisory and other relocation services to persons displaced by the project, including timely written notices to occupants, referrals to comparable and suitable replacement property, property inspections, counseling, and other assistance necessary to minimize hardship. These costs may be charged as administrative costs or as project costs under §92.206(d)(6) and (f)(2), at the discretion of the participating jurisdiction.

(c) *Public information.* The provision of information and other resources to residents and citizen organizations participating in the planning, implementation, or assessment of projects being assisted with HOME funds.

(d) *Fair housing.* Activities to affirmatively further fair housing in accordance with the participating jurisdiction's certification under 24 CFR part 91.

(e) *Indirect Costs.* Indirect costs may be charged to the HOME program under a cost allocation plan prepared in accordance with OMB Circulars A-87 or A-122 as applicable.

(f) *Preparation of the consolidated plan.* Preparation of the consolidated plan required under 24 CFR part 91. Preparation includes the costs of public hearings, consultations, and publication.

§ 92.208

§ 92.208 Eligible community housing development organization (CHDO) operating expense and capacity building costs.

(a) Up to 5 percent of a participating jurisdiction's fiscal year HOME allocation may be used for the operating expenses of community housing development organizations (CHDOs). These funds may not be used to pay operating expenses incurred by a CHDO acting as a subrecipient or contractor under the HOME Program. Operating expenses means reasonable and necessary costs for the operation of the community housing development organization. Such costs include salaries, wages, and other employee compensation and benefits; employee education, training, and travel; rent; utilities; communication costs; taxes; insurance; equipment; materials and supplies. The requirements and limitations on the receipt of these funds by CHDOs are set forth in § 92.300 (e) and (f).

(b) HOME funds may be used for capacity building costs under § 92.300(b).

§ 92.209 Tenant-based rental assistance: Eligible costs and requirements.

(a) *Eligible costs.* Eligible costs are the rental assistance and security deposit payments made to provide tenant-based rental assistance for a family pursuant to this section. Administration of tenant-based rental assistance is eligible only under general management oversight and coordination at § 92.207(a).

(b) *General requirement.* A participating jurisdiction may use HOME funds for tenant-based rental assistance only if the participating jurisdiction makes the certification about inclusion of this type of assistance in its consolidated plan in accordance with 24 CFR 91.225(d)(1), 91.325(d)(1), or 91.425(a)(2)(i), and specifies local market conditions that lead to the choice of this option.

(c) *Tenant selection.* The participating jurisdiction must select families in accordance with written tenant selection policies and criteria that are consistent with the following:

(1) *Low-income families.* Tenant-based rental assistance may only be provided to very low- and low-income families.

24 CFR Subtitle A (4-1-11 Edition)

The participating jurisdiction must determine that the family is very low- or low-income before the assistance is provided. During the period of assistance, the participating jurisdiction must annually determine that the family continues to be low-income.

(2) *Preferences for Individuals with Special Needs.* (i) The participating jurisdiction may establish a preference for individuals with special needs. The participating jurisdiction may offer, in conjunction with a tenant-based rental assistance program, particular types of non-mandatory services that may be most appropriate for persons with a special need or a particular disability. Generally, tenant-based rental assistance and the related services should be made available to all persons with special needs or disabilities who can benefit from such services.

(ii) The participating jurisdiction may also provide a preference for a specific category of individuals with disabilities (e.g., persons with HIV/AIDS or chronic mental illness) if the specific category is identified in the participating jurisdiction's consolidated plan as having unmet need and the preference is needed to narrow the gap in benefits and services received by such persons.

(iii) Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a). For example, a participating jurisdiction may not determine that persons given a preference under the program are therefore prohibited from applying for or participating in other programs or forms of assistance.

(3) *Existing tenants in the HOME-assisted projects.* A participating jurisdiction may select low-income families currently residing in housing units that are designated for rehabilitation or acquisition under the participating jurisdiction's HOME program. Participating jurisdictions using HOME funds for tenant-based rental assistance programs may establish local preferences for the provision of this assistance. Families so selected may use the tenant-based assistance in the rehabilitated or acquired housing unit or in other qualified housing.

(d) *Portability of assistance.* A participating jurisdiction may require the family to use the tenant-based assistance within the participating jurisdiction's boundaries or may permit the family to use the assistance outside its boundaries.

(e) *Term of rental assistance contract.* The term of the rental assistance contract providing assistance with HOME funds may not exceed 24 months, but may be renewed, subject to the availability of HOME funds. The term of the rental assistance contract must begin on the first day of the term of the lease. For a rental assistance contract between a participating jurisdiction and an owner, the term of the contract must terminate on termination of the lease. For a rental assistance contract between a participating jurisdiction and a family, the term of the contract need not end on termination of the lease, but no payments may be made after termination of the lease until a family enters into a new lease.

(f) *Rent reasonableness.* The participating jurisdiction must disapprove a lease if the rent is not reasonable, based on rents that are charged for comparable unassisted rental units.

(g) *Tenant protections.* The lease must comply with the requirements in § 92.253 (a) and (b).

(h) *Maximum subsidy.* (1) The amount of the monthly assistance that a participating jurisdiction may pay to, or on behalf of, a family may not exceed the difference between a rent standard for the unit size established by the participating jurisdiction and 30 percent of the family's monthly adjusted income.

(2) The participating jurisdiction must establish a minimum tenant contribution to rent.

(3) The participating jurisdiction's rent standard for a unit size must be based on:

(i) Local market conditions; or

(ii) For each unit size, may not be less than 80 percent of the published Section 8 Existing Housing fair market rent (in effect when the payment standard amount is adopted) nor more than the fair market rent or HUD-approved community-wide exception rent (in effect when the participating jurisdiction adopts its rent standard amount). (Community-wide exception

rents are maximum gross rents approved by HUD for the Rental Certificate Program under 24 CFR 882.106(a)(3) for a designated municipality, county, or similar locality, which apply to the whole PHA jurisdiction.) A participating jurisdiction may approve on a unit-by-unit basis a subsidy based on a rent standard that exceeds the applicable fair market rent by up to 10 percent for 20 percent of units assisted.

(i) *Housing quality standards.* Housing occupied by a family receiving tenant-based assistance under this section must meet the requirements set forth in 24 CFR 982.401. The participating jurisdiction must inspect the housing initially and re-inspect it annually.

(j) *Security deposits.* (1) A participating jurisdiction may use HOME funds provided for tenant-based rental assistance to provide loans or grants to very low- and low-income families for security deposits for rental of dwelling units whether or not the participating jurisdiction provides any other tenant-based rental assistance under this section.

(2) The relevant State or local definition of "security deposit" in the jurisdiction where the unit is located is applicable for the purposes of this part, except that the amount of HOME funds that may be provided for a security deposit may not exceed the equivalent of two month's rent for the unit.

(3) Only the prospective tenant may apply for HOME security deposit assistance, although the participating jurisdiction may pay the funds directly to the tenant or to the landlord.

(4) HOME funds for security deposits may be provided as a grant or as a loan. If they are provided as a loan, the loan repayments are program income to be used in accordance with § 92.503.

(5) Paragraphs (b), (c), (d), (f), (g), and (i) of this section are applicable to HOME security deposit assistance, except that income determinations pursuant to paragraph (c)(1) of this section and Housing Quality Standard inspections pursuant to paragraph (i) of this section are required only at the time the security deposit assistance is provided.

§ 92.212

(k) *Program operation.* A tenant-based rental assistance program must be operated consistent with the requirements of this section. The participating jurisdiction may operate the program itself, or may contract with a PHA or other entity with the capacity to operate a rental assistance program. The tenant-based rental assistance may be provided through an assistance contract to an owner that leases a unit to an assisted family or directly to the family. In either case, the participating jurisdiction (or entity operating the program) must approve the lease.

(l) *Use of Section 8 assistance.* In any case where assistance under section 8 of the 1937 Act becomes available to a participating jurisdiction, recipients of tenant-based rental assistance under this part will qualify for tenant selection preferences to the same extent as when they received the tenant-based rental assistance under this part.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997; 67 FR 61756, Oct. 1, 2002]

§ 92.212 Pre-award costs.

(a) *General.* Before the effective date of the HOME Investment Partnership Agreement, the participating jurisdiction may incur costs which may be charged to the HOME allocation after the award of the HOME allocation, provided the costs are in compliance with the requirements of this part (including environmental review requirements) and with the statutory and regulatory requirements in effect at the time the costs are charged to the HOME allocation.

(b) *Administrative and planning costs.* Eligible administrative and planning costs may be incurred as of the beginning of the participating jurisdiction's consolidated program year (see 24 CFR 91.10) or the date the consolidated plan describing the HOME allocation to which the costs will be charged is received by HUD, whichever is later.

(c) *Project costs.* Eligible project costs may be incurred during the current program year in an amount not to exceed 25% of the current HOME allocation amount, to be charged to the following year's HOME allocation. Before incurring the pre-award costs, the participating jurisdiction must comply

24 CFR Subtitle A (4-1-11 Edition)

with its citizen participation plan requirements addressing 24 CFR 91.105(b)(2), (4), (5) and (g) (local governments) or 24 CFR 91.115(b)(2), (4), (5) and (f) (States). In lieu of a full action plan, the participating jurisdiction may develop a mini-action plan which describes the proposed pre-award projects and costs in accordance with 24 CFR 91.220(c) and includes, if applicable, 24 CFR 91.220(g)(2) (local governments) or 24 CFR 91.320(c) and, if applicable, 24 CFR 91.320(g)(2) (States). The mini-action plan must state that HOME funding for the project(s) is subject to the future availability of HOME funds. The subsequent action plan (i.e., action plan for the HOME allocation to which the costs will be charged) must also include the use of HOME funds contained in the mini-action plan.

(d) *Subrecipient or State recipient costs.* The participating jurisdiction may authorize its subrecipient or State recipient to incur pre-award costs in accordance with the requirements of this section. The authorization must be in writing.

(e) *Other pre-agreement costs.* Pre-agreement costs in excess of the amount set forth in paragraph (c) of this section must be approved, in writing, by the HUD Field Office before the costs are incurred.

§ 92.213 [Reserved]

§ 92.214 Prohibited activities.

(a) HOME funds may not be used to:

(1) Provide project reserve accounts, except as provided in § 92.206(d)(5), or operating subsidies;

(2) Provide tenant-based rental assistance for the special purposes of the existing section 8 program, in accordance with section 212(d) of the Act;

(3) Provide non-federal matching contributions required under any other Federal program;

(4) Provide assistance authorized under section 9 of the 1937 Act (Public Housing Capital and Operating Funds);

(5) Provide assistance to eligible low-income housing under 24 CFR part 248 (Prepayment of Low Income Housing Mortgages), except that assistance may be provided to priority purchasers as defined in 24 CFR 248.101;

(6) Provide assistance (other than tenant-based rental assistance, assistance to a homebuyer to acquire housing previously assisted with HOME funds, or assistance to preserve affordability of homeownership housing in accordance with § 92.254(a)(9)) to a project previously assisted with HOME funds during the period of affordability established by the particular jurisdiction in the written agreement under § 92.504. However, additional HOME funds may be committed to a project for up to one year after project completion (see § 92.502), but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under § 92.250.

(7) Pay for the acquisition of property owned by the participating jurisdiction, except for property acquired by the participating jurisdiction with HOME funds, or property acquired in anticipation of carrying out a HOME project; or

(8) Pay delinquent taxes, fees or charges on properties to be assisted with HOME funds.

(9) Pay for any cost that is not eligible under §§ 92.206 through 92.209.

(b) Participating jurisdictions may not charge monitoring, servicing and origination fees in HOME-assisted projects. However, participating jurisdictions may charge nominal application fees (although these fees are not an eligible HOME cost) to project owners to discourage frivolous applications. Such fees are applicable credits under OMB Circular A-87.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997; 67 FR 61756, Oct. 1, 2002; 72 FR 16685, Apr. 4, 2007]

§ 92.215 Limitation on jurisdictions under court order.

Limitations on the use of HOME funds in connection with litigation involving discrimination or fair housing are set forth in section 224 of the Act.

INCOME TARGETING

§ 92.216 Income targeting: Tenant-based rental assistance and rental units.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that, with respect

to tenant-based rental assistance and rental units:

(a) Not less than 90 percent of:

(1) The families receiving such rental assistance are families whose annual incomes do not exceed 60 percent of the median family income for the area, as determined and made available by HUD with adjustments for smaller and larger families (except that HUD may establish income ceilings higher or lower than 60 percent of the median for the area on the basis of HUD's findings that such variations are necessary because of prevailing levels of construction cost or fair market rent, or unusually high or low family income) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by families having such incomes; and

(b) The remainder of:

(1) The families receiving such rental assistance are households that qualify as low-income families (other than families described in paragraph (a)(1) of this section) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by such households.

§ 92.217 Income targeting: Homeownership.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that with respect to homeownership assistance, 100 percent of these funds are invested in dwelling units that are occupied by households that qualify as low-income families.

[67 FR 61756, Oct. 1, 2002]

MATCHING CONTRIBUTION REQUIREMENT

§ 92.218 Amount of matching contribution.

(a) *General.* Each participating jurisdiction must make contributions to housing that qualifies as affordable housing under the HOME program, throughout a fiscal year. The contributions must total not less than 25 percent of the funds drawn from the jurisdiction's HOME Investment Trust Fund Treasury account in that fiscal

§92.219

year, excluding funds drawn for purposes identified in paragraph (c) of this section.

(b) *Shortfall amount from State or local resources.* Amounts made available under §92.102(b)(2) from the resources of a State (other than a transfer of the State's formula allocation), the local participating jurisdiction, or both, to enable the local participating jurisdiction to meet the participation threshold amount are not required to be matched and do not constitute matching contributions.

(c) *HOME funds not required to be matched.* HOME funds used for administrative and planning costs (pursuant to §92.207); community housing development organization operating expenses (pursuant to §92.208); capacity building (pursuant to §92.300(b)) of community housing development organizations; and project specific assistance to community housing development organizations (pursuant to §92.301) when the participating jurisdiction waives repayment under the provisions of §92.301(a)(3) or §92.301(b)(3) are not required to be matched.

(d) *Match contribution for other programs.* Contributions that have been or will be counted as satisfying a matching requirement of another Federal grant or award may not count as satisfying the matching contribution requirement for the HOME program.

§92.219 Recognition of matching contribution.

(a) *Match contribution to HOME-assisted housing.* A contribution is recognized as a matching contribution if it is made with respect to:

(1) A tenant who is assisted with HOME funds;

(2) A HOME-assisted unit;

(3) The portion of a project that is not HOME-assisted provided that at least 50 percent of the housing units in the project are HOME-assisted. If the match contribution to the portion of the project that is not HOME-assisted meets the affordable housing requirements of §92.219(b)(2), the percentage requirement for HOME-assisted units does not apply; or

(4) The commercial space in a mixed-use project in which at least 51 percent of the floor space is residential pro-

24 CFR Subtitle A (4-1-11 Edition)

vided that at least 50 percent of the dwelling units are HOME-assisted.

(b) *Match contribution to affordable housing that is not HOME-assisted.* The following requirements apply for recognition of matching contributions made to affordable housing that is not HOME-assisted:

(1) For tenant-based rental assistance that is not HOME-assisted:

(i) The contribution must be made with respect to a tenant who is assisted with tenant-based rental assistance that meets the requirements of §92.203 (Income determinations) and paragraphs (a), (c), (f), and (i) of §92.209 (Tenant-based rental assistance); and

(ii) The participating jurisdiction must demonstrate in writing that such assistance meets the provisions of §§92.203 and 92.209 (except §92.209(e)).

(2) For affordable housing that is not HOME-assisted:

(i) The contribution must be made with respect to housing that qualifies as affordable housing under §92.252 or §92.254.

(ii) The participating jurisdiction or its instrumentality must execute, with the owner of the housing (or, if the participating jurisdiction is the owner, with the manager or developer), a written agreement that imposes and enumerates all of the affordability requirements from §92.252 and §92.253(a) and (b) (Tenant protections), or §92.254, whichever are applicable; the property standards requirements of §92.251; and income determinations made in accordance with §92.203. This written agreement must be executed before any match contributions may be made.

(iii) A participating jurisdiction must establish a procedure to monitor HOME match-eligible housing to ensure continued compliance with the requirements of §§92.203 (Income determinations), 92.252 (Qualification as affordable housing: Rental housing), 92.253(a) and (b) (Tenant protections) and 92.254 (Qualification as affordable housing: Homeownership). No other HOME requirements apply.

(iv) The match may be in any eligible form of match except those in §92.220(a)(2) (forbearance of fees), (a)(4) (on-site and off-site infrastructure),

(a)(10) (direct cost of supportive services) and (a)(11) (direct costs of home-buyer counseling services).

(v) Match contributions to mixed-use or mixed-income projects that contain affordable housing units will be recognized only if the contribution is made to the project's affordable housing units.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997]

§ 92.220 Form of matching contribution.

(a) *Eligible forms.* Matching contributions must be made from nonfederal resources and may be in the form of one or more of the following:

(1) *Cash contributions from nonfederal sources.* To be recognized as a cash contribution, funds must be contributed permanently to the HOME program (or to affordable housing not assisted with HOME funds), regardless of the form of investment provided to the project. Therefore, to receive match credit for the full amount of a loan to a HOME project, all repayment, interest, or other return on investment of the contribution must be deposited in the local account of the participating jurisdiction's HOME Investment Trust Fund to be used for eligible HOME activities in accordance with the requirements of this part. A cash contribution to affordable housing that is not assisted with HOME funds must be contributed permanently to the project. Repayments of matching contributions in affordable housing projects, as defined in § 92.219(b), that are not HOME-assisted, must be made to the local account of the participating jurisdiction's HOME Investment Trust Fund to get match credit for the full loan amount.

(i) A cash contribution may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section. A cash contribution made to a nonprofit organization for use in a HOME project may be counted as a matching contribution.

(ii) A cash contribution may be made from program income (as defined by 24 CFR 85.25(b)) from a Federal grant earned after the end of the award pe-

riod if no Federal requirements govern the disposition of the program income. Included in this category are repayments from closed out grants under the Urban Development Action Grant Program (24 CFR part 570, subpart G) and the Housing Development Grant Program (24 CFR part 850), and from the Rental Rehabilitation Grant Program (24 CFR part 511) after all fiscal year Rental Rehabilitation grants have been closed out.

(iii) The grant equivalent of a below-market interest rate loan to the project that is not repayable to the participating jurisdiction's HOME Investment Trust Fund may be counted as a cash contribution, as follows:

(A) If the loan is made from funds borrowed by a jurisdiction or public agency or corporation the contribution is the present discounted cash value of the difference between the payments to be made on the borrowed funds and payments to be received from the loan to the project based on a discount rate equal to the interest rate on the borrowed funds.

(B) If the loan is made from funds other than funds borrowed by a jurisdiction or public agency or corporation, the contribution is the present discounted cash value of the yield foregone. In determining the yield foregone, the participating jurisdiction must use as a measure of a market rate yield one of the following, as appropriate:

(1) With respect to one- to four-unit housing financed with a fixed interest rate mortgage, a rate equal to the 10-year Treasury note rate plus 200 basis points;

(2) With respect to one- to four-unit housing financed with an adjustable interest rate mortgage, a rate equal to the one-year Treasury bill rate plus 250 basis points;

(3) With respect to a multifamily project, a rate equal to the 10-year Treasury note rate plus 300 basis points; or

(4) With respect to housing receiving financing for rehabilitation, a rate equal to the 10-year Treasury note rate plus 400 basis points.

(iv) Proceeds of bonds that are not repaid with revenue from an affordable

§ 92.220

housing project (e.g., general obligation bonds) and that are loaned to a HOME-assisted or other qualified affordable housing project constitute a cash contribution under this paragraph.

(v) A cash contribution may be counted as a matching contribution only if it is used for costs eligible under §§ 92.206 or 92.209, or for the following (which are not HOME eligible costs): the cost of removing and relocating an ECHO housing unit during the period of affordability in accordance with § 92.258(d)(3)(ii), payments to a project reserve account beyond payments permitted by § 92.206(d)(5), operating subsidies, or costs relating to the portion of a mixed-income or mixed-use HOME-assisted project not related to the affordable housing units.

(2) *Forbearance of fees*—(i) *State and local taxes, charges or fees.* The value (based on customary and reasonable means for establishing value) of State or local taxes, fees, or other charges that are normally and customarily imposed or charged by a State or local government on all transactions or projects in the conduct of its operations, which are waived, foregone, or deferred (including State low-income housing tax credits) in a manner that achieves affordability of HOME-assisted projects, may be counted as match. The amount of any real estate taxes may be based on post-improvement property value. For taxes, fees, or charges that are forgiven for future years, the value is the present discounted cash value, based on a rate equal to the rate for the Treasury security with a maturity closest to the number of years for which the taxes, fees, or charges are waived, foregone, or deferred.

(ii) *Other charges or fees.* The value of fees or charges associated with the transfer or development of real estate that are normally and customarily imposed or charged by public or private entities, which are waived or foregone, in whole or in part, in a manner that achieves affordability of HOME-assisted projects, may be counted as match. Fees and charges under this paragraph do not include fees or charges for legal or other professional services; professional services which

24 CFR Subtitle A (4–1–11 Edition)

are donated, in whole or in part, are an eligible matching contribution in accordance with paragraph (a)(7) of this section.

(iii) Fees or charges that are associated with the HOME Program only (rather than normally and customarily imposed or charged on all transactions or projects) are not eligible forms of matching contributions.

(3) *Donated Real Property.* The value, before the HOME assistance is provided and minus any debt burden, lien, or other encumbrance, of donated land or other real property may be counted as match. The donation may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section.

(i) Donated property not acquired with Federal resources is a contribution in the amount of 100% of the value.

(ii) Donated property acquired with Federal assistance may provide a partial contribution as follows. The property must be acquired with Federal assistance specifically for a HOME project (or for affordable housing that will be counted as match pursuant to § 92.219(b)(2)). The property must be acquired with the Federal assistance at demonstrably below the appraised value and must be acknowledged by the seller as a donation to affordable housing at the time of the acquisition with the Federal assistance. The amount of the contribution is the difference between the acquisition price and the appraised value at the time of acquisition with the Federal assistance. If the property is acquired with the Federal assistance by someone other than the HOME project (or affordable housing) owner, to continue to qualify as a contribution, the property must be given to the HOME project (or affordable housing) owner at a price that does not exceed the amount of the Federal assistance used to acquire the property.

(iii) Property must be appraised in conformance with established and generally recognized appraisal practice and procedures in common use by professional appraisers. Opinions of value must be based on the best available data properly analyzed and interpreted. The appraisal of land and structures

must be performed by an independent, certified appraiser.

(4) The cost, not paid with Federal resources, of on-site and off-site infrastructure that the participating jurisdiction documents are directly required for HOME-assisted projects. The infrastructure must have been completed no earlier than 12 months before HOME funds are committed to the project.

(5) Proceeds from multifamily and single family affordable housing project bond financing validly issued by a State or local government, or an agency or instrumentality of a State or local government or a political subdivision of a State and repayable with revenues from the affordable housing project financed as follows:

(i) Fifty percent of the loan amount made from bond proceeds to a multifamily affordable housing project owner may qualify as match.

(ii) Twenty-five percent of the loan amount from bond proceeds made to a single-family affordable housing project owner may qualify as match.

(iii) Loans made from bond proceeds may not constitute more than 25 percent of a participating jurisdiction's total annual match contribution.

(6) The reasonable value of donated site-preparation and construction materials, not acquired with Federal resources. The value of site-preparation and construction materials is to be determined in accordance with the participating jurisdiction's cost estimate procedures.

(7) The reasonable rental value of the donated use of site preparation or construction equipment.

(8) The value of donated or voluntary labor or professional services (see §92.354(b)) in connection with the provision of affordable housing. A single rate established by HUD shall be applicable for determining the value of unskilled labor. The value of skilled labor or professional services shall be determined by the rate that the individual or entity performing the labor or service normally charges.

(9) The value of sweat equity (see §92.354(c)) provided to a homeownership project, under an established component of a participating jurisdiction's program, up until the time of project

completion (i.e., submission of a project completion form). Such labor shall be valued at the rate established for unskilled labor at paragraph (a)(8) of this section.

(10) The direct cost of supportive services provided to families residing in HOME-assisted units during the period of affordability or receiving HOME tenant-based rental assistance during the term of the tenant-based rental assistance contract. The supportive services must be necessary to facilitate independent living or be required as part of a self-sufficiency program. Examples of supportive services include: case management, mental health services, assistance with the tasks of daily living, substance abuse treatment and counseling, day care, and job training and counseling.

(11) The direct cost of homebuyer counseling services provided to families that acquire properties with HOME funds under the provisions of §92.254(a), including ongoing counseling services provided during the period of affordability. These services may be provided as part of a homebuyer counseling program that is not specific to the HOME Program, but only the cost of services to families that complete purchases with HOME assistance may be counted as match.

(b) *Ineligible forms.* The following are examples that do not meet the requirements of paragraph (a) of this section and do not count toward meeting a participating jurisdiction's matching contribution requirement:

(1) Contributions made with or derived from Federal resources or funds, regardless of when the Federal resources or funds were received or expended. CDBG funds (defined in 24 CFR 570.3) are Federal funds for this purpose;

(2) The interest rate subsidy attributable to the Federal tax-exemption on financing or the value attributable to Federal tax credits;

(3) Owner equity or investment in a project; and

(4) Cash or other forms of contributions from applicants for or recipients of HOME assistance or contracts, or investors who own, are working on, or are proposing to apply for assistance

§ 92.221

for a HOME-assisted project. The prohibition in this paragraph (b)(4) does not apply to contractors (who do not own any HOME project) contributing professional services in accordance with paragraph (a)(8) of this section or to persons contributing sweat equity in accordance with paragraph (a)(9) of this section.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997; 62 FR 44840, Aug. 22, 1997]

§ 92.221 Match credit.

(a) *When credit is given.* Contributions are credited on a fiscal year basis at the time the contribution is made, as follows:

(1) A cash contribution is credited when the funds are expended.

(2) The grant equivalent of a below-market interest rate loan is credited at the time of the loan closing.

(3) The value of state or local taxes, fees, or other charges that are normally and customarily imposed but are waived, foregone, or deferred is credited at the time the state or local government or other public or private entity officially waives, forgoes, or defers the taxes, fees, or other charges and notifies the project owner.

(4) The value of donated land or other real property is credited at the time ownership of the property is transferred to the HOME project (or affordable housing) owner.

(5) The cost of investment in infrastructure directly required for HOME-assisted projects is credited at the time funds are expended for the infrastructure or at the time the HOME funds are committed to the project if the infrastructure was completed before the commitment of HOME funds.

(6) The value of donated material is credited as match at the time it is used for affordable housing.

(7) The value of the donate use of site preparation or construction equipment is credited as match at the time the equipment is used for affordable housing.

(8) The value of donated or voluntary labor or professional services is credited at the time the work is performed.

(9) A loan made from bond proceeds under § 92.220(a)(5) is credited at the time of the loan closing.

24 CFR Subtitle A (4-1-11 Edition)

(10) The direct cost of social services provided to residents of HOME-assisted units is credited at the time that the social services are provided during the period of affordability.

(11) The direct cost of homebuyer counseling services provided to families that purchase HOME-assisted units is credited at the time that the homebuyer purchases the unit or for post-purchase counseling services, at the time the counseling services are provided.

(b) *Excess match.* Contributions made in a fiscal year that exceed the participating jurisdiction's match liability for the fiscal year in which they were made may be carried over and applied to future fiscal years' match liability. Loans made from bond proceeds in excess of 25 percent of a participating jurisdiction's total annual match contribution may be carried over to subsequent fiscal years as excess match, subject to the annual 25 percent limitation.

(c) Credit for match contributions shall be assigned as follows:

(1) For HOME-assisted projects involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution may decide to retain the match credit or permit the other participating jurisdiction to claim the credit.

(2) For HOME match contributions to affordable housing that is not HOME-assisted (match pursuant to § 92.219(b)) involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution receives the match credit.

(3) A State that provides non-Federal funds to a local participating jurisdiction to be used for a contribution to affordable housing, whether or not HOME-assisted, may take the match credit for itself or may permit the local participating jurisdiction to receive the match credit.

§ 92.222 Reduction of matching contribution requirement.

(a) *Reduction for fiscal distress.* HUD will determine match reductions annually.

(1) *Distress criteria for local government participating jurisdictions.* If a local government participating jurisdiction satisfies both of the distress factors in paragraphs (a)(1)(i) and (ii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a local government participating jurisdiction satisfies either distress factor in paragraphs (a)(1)(i) or (ii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) *Poverty rate.* The average poverty rate in the participating jurisdiction was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information of the Bureau of the Census.

(ii) *Per capita income.* The average per capita income in the participating jurisdiction was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(2) *Distress criteria for participating jurisdictions that are States.* If a State satisfies at least 2 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a State satisfies any 1 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) *Poverty rate.* The average poverty rate in the State was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(ii) *Per capita income.* The average per capita income in the State was less than 75 percent of the average national per capita income, during the calendar

year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(iii) *Personal income growth.* The average personal income growth rate in the State over the most recent four quarters for which the data are available was less than 75 percent of the average national personal income growth rate during that period, as determined according to information from the Bureau of Economic Analysis.

(3) *Period of match reduction for severe fiscal distress.* A 100% match reduction is effective for the fiscal year in which the severe fiscal distress determination is made and for the following fiscal year.

(4) *Period of match reduction for fiscal distress.* A 50% match reduction is effective for the fiscal year in which the fiscal distress determination is made and for the following fiscal year, except that if a severe fiscal distress determination is published in that following fiscal year, the participating jurisdiction starts a new two-year match reduction period in accordance with the provisions of paragraph (a)(3) of this section.

(b) *Reduction of match for participating jurisdictions in disaster areas.* If a participating jurisdiction is located in an area in which a declaration of major disaster pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act is made, it may request a reduction of its matching requirement. For a local participating jurisdiction, the HUD Field office may reduce the matching requirement specified in §92.218 by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year. For a State participating jurisdiction, the HUD Field office may reduce the matching requirement specified in §92.218, by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year with respect to any HOME funds expended in an area to which the declaration of a major disaster applies. At its discretion and upon request of the participating jurisdiction, the HUD Field Office may extend the reduction for an additional year.

Subpart F—Project Requirements**§ 92.250 Maximum per-unit subsidy amount and subsidy layering.**

(a) *Maximum per-unit subsidy amount.* The total amount of HOME funds and ADDI funds that a participating jurisdiction may invest on a per-unit basis in affordable housing may not exceed the per-unit dollar limitations established under section 221(d)(3)(ii) of the National Housing Act (12 U.S.C. 17151(d)(3)(ii)) for elevator-type projects that apply to the area in which the housing is located. These limits are available from the Multifamily Division in the HUD Field Office. If the participating jurisdiction's per-unit subsidy amount has already been increased to 210% as permitted under section 221(d)(3)(ii) of the National Housing Act, upon request of the Field Office, HUD will allow the per-unit subsidy amount to be increased on a program-wide basis to an amount, up to 240% of the original per unit limits.

(b) *Subsidy layering.* Before committing funds to a project, the participating jurisdiction must evaluate the project in accordance with guidelines that it has adopted for this purpose and will not invest any more HOME funds, in combination with other governmental assistance, than is necessary to provide affordable housing.

[61 FR 48750, Sept. 16, 1997, as amended at 62 FR 28929, May 28, 1997; 69 FR 16766, Mar. 30, 2004]

§ 92.251 Property standards.

(a) (1) Housing that is constructed or rehabilitated with HOME funds must meet all applicable local codes, rehabilitation standards, ordinances, and zoning ordinances at the time of project completion, except as provided in paragraph (b) of this section. The participating jurisdiction must have written standards for rehabilitation that ensure that HOME-assisted housing is decent, safe, and sanitary. In the absence of a local code for new construction or rehabilitation, HOME-assisted new construction or rehabilitation must meet, as applicable, one of three model codes: Uniform Building Code (ICBO), National Building Code (BOCA), Standard (Southern) Building Code (SBCCI); or the Council of Amer-

ican Building Officials (CABO) one or two family code; or the Minimum Property Standards (MPS) in 24 CFR 200.925 or 200.926. To avoid duplicative inspections when FHA financing is involved in a HOME-assisted property, a participating jurisdiction may rely on a Minimum Property Standards (MPS) inspection performed by a qualified person. Newly constructed housing must meet the current edition of the Model Energy Code published by the Council of American Building Officials.

(2) All other HOME-assisted housing (e.g., acquisition) must meet all applicable State and local housing quality standards and code requirements and if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401.

(3) The housing must meet the accessibility requirements at 24 CFR part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and covered multifamily dwellings, as defined at 24 CFR 100.201, must also meet the design and construction requirements at 24 CFR 100.205, which implement the Fair Housing Act (42 U.S.C. 3601–3619).

(4) Construction of all manufactured housing must meet the Manufactured Home Construction and Safety Standards established in 24 CFR part 3280. These standards pre-empt State and local codes covering the same aspects of performance for such housing. Participating jurisdictions providing HOME assistance to install manufactured housing units must comply with applicable State and local laws or codes. In the absence of such laws or codes, the participating jurisdiction must comply with the manufacturer's written instructions for installation of manufactured housing units. Manufactured housing that is rehabilitated using HOME funds must meet the requirements set out in paragraph (a)(1) of this section.

(b) The following requirements apply to housing for homeownership that is to be rehabilitated after transfer of the ownership interest:

(1) Before the transfer of the homeownership interest, the participating jurisdiction must:

(i) Inspect the housing for any defects that pose a danger to health; and

(ii) Notify the prospective purchaser of the work needed to cure the defects and the time by which defects must be cured and applicable property standards met.

(2) The housing must be free from all noted health and safety defects before occupancy and not later than 6 months after the transfer.

(3) The housing must meet the property standards in paragraph (a)(1) of this section not later than 2 years after transfer of the ownership interest.

(c) An owner of rental housing assisted with HOME funds must maintain the housing in compliance with all applicable State and local housing quality standards and code requirements and if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401.

(d) All housing occupied by tenants receiving HOME tenant-based rental assistance must meet the housing quality standards in 24 CFR 982.401.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997]

§ 92.252 Qualification as affordable housing: Rental housing.

The HOME-assisted units in a rental housing project must be occupied only by households that are eligible as low-income families and must meet the following requirements to qualify as affordable housing. The affordability requirements also apply to the HOME-assisted non-owner-occupied units in single-family housing purchased with HOME funds in accordance with § 92.254.

(a) *Rent limitation.* HUD provides the following maximum HOME rent limits. The maximum HOME rents are the lesser of:

(1) The fair market rent for existing housing for comparable units in the area as established by HUD under 24 CFR 888.111; or

(2) A rent that does not exceed 30 percent of the adjusted income of a family whose annual income equals 65 percent of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the unit. The HOME rent limits provided by

HUD will include average occupancy per unit and adjusted income assumptions.

(b) *Additional Rent limitations.* In rental projects with five or more HOME-assisted rental units, twenty (20) percent of the HOME-assisted units must be occupied by very low-income families and meet one of following rent requirements:

(1) The rent does not exceed 30 percent of the annual income of a family whose income equals 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD provides the HOME rent limits which include average occupancy per unit and adjusted income assumptions. However, if the rent determined under this paragraph is higher than the applicable rent under paragraph (a) of this section, then the maximum rent for units under this paragraph is that calculated under paragraph (a) of this section.

(2) The rent does not exceed 30 percent of the family's adjusted income. If the unit receives Federal or State project-based rental subsidy and the very low-income family pays as a contribution toward rent not more than 30 percent of the family's adjusted income, then the maximum rent (i.e., tenant contribution plus project-based rental subsidy) is the rent allowable under the Federal or State project-based rental subsidy program.

(c) *Initial rent schedule and utility allowances.* The participating jurisdiction must establish maximum monthly allowances for utilities and services (excluding telephone). The participating jurisdiction must review and approve rents proposed by the owner for units subject to the maximum rent limitations in paragraphs (a) or (b) of this section. For all units subject to the maximum rent limitations in paragraphs (a) or (b) of this section for which the tenant is paying utilities and services, the participating jurisdiction must ensure that the rents do not exceed the maximum rent minus the monthly allowances for utilities and services.

(d) *Nondiscrimination against rental assistance subsidy holders.* The owner cannot refuse to lease HOME-assisted units to a certificate or voucher holder

§ 92.252

24 CFR Subtitle A (4-1-11 Edition)

under 24 CFR part 982—Section 8 Tenant-Based Assistance: Unified Rule for Tenant-Based Assistance under the Section 8 Rental Certificate Program and the Section 8 Rental Voucher Program or to the holder of a comparable document evidencing participation in a HOME tenant-based rental assistance program because of the status of the prospective tenant as a holder of such certificate, voucher, or comparable HOME tenant-based assistance document.

(e) *Periods of Affordability.* The HOME-assisted units must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The affordability requirements apply without regard to the term of any loan or mortgage or the transfer of ownership. They must be imposed by deed restrictions, covenants running with the land, or other mechanisms approved by HUD, except that the affordability restrictions may terminate upon foreclosure or transfer in lieu of foreclosure. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure or deed in lieu of foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the project or property.

| Rental housing activity | Minimum period of affordability in years |
|---|--|
| Rehabilitation or acquisition of existing housing per unit amount of HOME funds: Under \$15,000 | 5 |
| \$15,000 to \$40,000 | 10 |
| Over \$40,000 or rehabilitation involving refinancing | 15 |
| New construction or acquisition of newly constructed housing | 20 |

(f) *Subsequent rents during the affordability period.* (1) The maximum HOME rent limits are recalculated on a periodic basis after HUD determines fair market rents and median incomes.

HUD then provides the new maximum HOME rent limits to participating jurisdictions. Regardless of changes in fair market rents and in median income over time, the HOME rents for a project are not required to be lower than the HOME rent limits for the project in effect at the time of project commitment.

(2) The participating jurisdiction must provide project owners with information on updated HOME rent limits so that rents may be adjusted (not to exceed the maximum HOME rent limits in paragraph (f)(1) of this section) in accordance with the written agreement between the participating jurisdiction and the owner. Owners must annually provide the participating jurisdiction with information on rents and occupancy of HOME-assisted units to demonstrate compliance with this section.

(3) Any increase in rents for HOME-assisted units is subject to the provisions of outstanding leases, and in any event, the owner must provide tenants of those units not less than 30 days prior written notice before implementing any increase in rents.

(g) *Adjustment of HOME rent limits for a particular project.* (1) Changes in fair market rents and in median income over time should be sufficient to maintain the financial viability of a project within the HOME rent limits in this section.

(2) HUD may adjust the HOME rent limits for a project, only if HUD finds that an adjustment is necessary to support the continued financial viability of the project and only by an amount that HUD determines is necessary to maintain continued financial viability of the project. HUD expects that this authority will be used sparingly.

(h) *Tenant income.* The income of each tenant must be determined initially in accordance with § 92.203(a)(1)(i). In addition, each year during the period of affordability the project owner must re-examine each tenant's annual income in accordance with one of the options in § 92.203 selected by the participating jurisdiction. An owner of a multifamily project with an affordability period of 10 years or more who re-examines tenant's annual income through a statement and certification

in accordance with §92.203(a)(1)(ii), must examine the income of each tenant, in accordance with §92.203(a)(1)(i), every sixth year of the affordability period. Otherwise, an owner who accepts the tenant's statement and certification in accordance with §92.203(a)(1)(ii) is not required to examine the income of tenants in multi-family or single-family projects unless there is evidence that the tenant's written statement failed to completely and accurately state information about the family's size or income.

(1) *Over-income tenants.* (1) HOME-assisted units continue to qualify as affordable housing despite a temporary noncompliance caused by increases in the incomes of existing tenants if actions satisfactory to HUD are being taken to ensure that all vacancies are filled in accordance with this section until the noncompliance is corrected.

(2) Tenants who no longer qualify as low-income families must pay as rent the lesser of the amount payable by the tenant under State or local law or 30 percent of the family's adjusted income, except that tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent governed by section 42. In addition, in projects in which the Home units are designated as floating pursuant to paragraph (j) of this section, tenants who no longer qualify as low-income are not required to pay as rent an amount that exceeds the market rent for comparable, unassisted units in the neighborhood.

(j) *Fixed and floating HOME units.* In a project containing HOME-assisted and other units, the participating jurisdiction may designate fixed or floating HOME units. This designation must be made at the time of project commitment. Fixed units remain the same throughout the period of affordability. Floating units are changed to maintain conformity with the requirements of this section during the period of affordability so that the total number of housing units meeting the requirements of this section remains the same, and each substituted unit is comparable in terms of size, features,

and number of bedrooms to the originally designated HOME-assisted unit.

§92.253 Tenant and participant protections.

(a) *Lease.* The lease between a tenant and an owner of rental housing assisted with HOME funds must be for not less than one year, unless by mutual agreement between the tenant and the owner.

(b) *Prohibited lease terms.* The lease may not contain any of the following provisions:

(1) *Agreement to be sued.* Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;

(2) *Treatment of property.* Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner may dispose of this personal property in accordance with State law;

(3) *Excusing owner from responsibility.* Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;

(4) *Waiver of notice.* Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;

(5) *Waiver of legal proceedings.* Agreement by the tenant that the owner may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;

(6) *Waiver of a jury trial.* Agreement by the tenant to waive any right to a trial by jury;

(7) *Waiver of right to appeal court decision.* Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and

§ 92.254

24 CFR Subtitle A (4-1-11 Edition)

(8) *Tenant chargeable with cost of legal actions regardless of outcome.* Agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

(c) *Termination of tenancy.* An owner may not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted with HOME funds except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for transitional housing; or for other good cause. To terminate or refuse to renew tenancy, the owner must serve written notice upon the tenant specifying the grounds for the action at least 30 days before the termination of tenancy.

(d) *Tenant selection.* An owner of rental housing assisted with HOME funds must adopt written tenant selection policies and criteria that:

(1) Are consistent with the purpose of providing housing for very low-income and low-income families;

(2) Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease;

(3) Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable; and

(4) Give prompt written notification to any rejected applicant of the grounds for any rejection.

[61 FR 48750, Sept. 16, 1996, as amended at 67 FR 61756, Oct. 1, 2002]

§ 92.254 Qualification as affordable housing: Homeownership.

(a) *Acquisition with or without rehabilitation.* Housing that is for acquisition by a family must meet the affordability requirements of this paragraph (a).

(1) The housing must be single family housing.

(2) The housing must be modest housing as follows:

(i) In the case of acquisition of newly constructed housing or standard housing, the housing has a purchase price for the type of single family housing that does not exceed 95 percent of the

median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(ii) In the case of acquisition with rehabilitation, the housing has an estimated value after rehabilitation that does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section.

(iii) If a participating jurisdiction intends to use HOME funds for homebuyer assistance or for rehabilitation of owner-occupied single-family properties, the participating jurisdiction may use the Single Family Mortgage Limits under Section 203(b) of the National Housing Act (12 U.S.C. 1709(b)) (which may be obtained from the HUD Field Office) or it may determine 95 percent of the median area purchase price for single family housing in the jurisdiction, as follows. The participating jurisdiction must set forth the price for different types of single family housing for the jurisdiction. The 95 percent of median area purchase price must be established in accordance with a market analysis which ensured that a sufficient number of recent housing sales are included in the survey. Sales must cover the requisite number of months based on volume: For 500 or more sales per month, a one-month reporting period; for 250 through 499 sales per month, a two-month reporting period; for less than 250 sales per month, at least a three-month reporting period. The data must be listed in ascending order of sales price. The address of the listed properties must include the location within the participating jurisdiction. Lot, square and subdivision data may be substituted for the street address. The housing sales data must reflect all, or nearly all, of the one-family house sales in the entire participating jurisdiction. To determine the median, take the middle sale on the list if an odd number of sales and if an even number, take the higher of the middle numbers and consider it the median. After identifying the median sales price, the amount should be multiplied by .95 to determine the 95 percent of the median area purchase price. This information must be submitted to the HUD Field Office for review.

(3) The housing must be acquired by a homebuyer whose family qualifies as a low-income family and the housing must be the principal residence of the family throughout the period described in paragraph (a)(4) of this section.

(4) *Periods of affordability.* The HOME-assisted housing must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The per unit amount of HOME funds and the affordability period that they trigger are described more fully in paragraphs (a)(5)(i) (resale) and (ii) (recapture) of this section.

| Homeownership assistance HOME amount per-unit | Minimum period of affordability in years |
|---|--|
| Under \$15,000 | 5 |
| \$15,000 to \$40,000 | 10 |
| Over \$40,000 | 15 |

(5) *Resale and recapture.* To ensure affordability, the participating jurisdiction must impose either resale or recapture requirements, at its option. The participating jurisdiction must establish the resale or recapture requirements that comply with the standards of this section and set forth the requirements in its consolidated plan. HUD must determine that they are appropriate.

(i) *Resale.* Resale requirements must ensure, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability, that the housing is made available for subsequent purchase only to a buyer whose family qualifies as a low-income family and will use the property as its principal residence. The resale requirement must also ensure that the price at resale provides the original HOME-assisted owner a fair return on investment (including the homeowner's investment and any capital improvement) and ensure that the housing will remain affordable to a reasonable range of low-income homebuyers. The period of affordability is based on the total amount of HOME funds invested in the housing.

(A) Except as provided in paragraph (a)(5)(i)(B) of this section, deed restrictions, covenants running with the land,

or other similar mechanisms must be used as the mechanism to impose the resale requirements. The affordability restrictions may terminate upon occurrence of any of the following termination events: foreclosure, transfer in lieu of foreclosure or assignment of an FHA insured mortgage to HUD. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the termination event, obtains an ownership interest in the housing.

(B) Certain housing may be presumed to meet the resale restrictions (i.e., the housing will be available and affordable to a reasonable range of low-income homebuyers; a low-income homebuyer will occupy the housing as the family's principal residence; and the original owner will be afforded a fair return on investment) during the period of affordability without the imposition of enforcement mechanisms by the participating jurisdiction. The presumption must be based upon a market analysis of the neighborhood in which the housing is located. The market analysis must include an evaluation of the location and characteristics of the housing and residents in the neighborhood (e.g., sale prices, age and amenities of the housing stock, incomes of residents, percentage of owner-occupants) in relation to housing and incomes in the housing market area. An analysis of the current and projected incomes of neighborhood residents for an average period of affordability for homebuyers in the neighborhood must support the conclusion that a reasonable range of low-income families will continue to qualify for mortgage financing. For example, an analysis shows that the housing is modestly priced within the housing market area and that families with incomes of 65% to 80% of area median can afford monthly payments under average FHA terms without other government assistance and housing will remain affordable at least during the next five to seven years compared to other housing

§ 92.254

24 CFR Subtitle A (4-1-11 Edition)

in the market area; the size and amenities of the housing are modest and substantial rehabilitation will not significantly increase the market value; the neighborhood has housing that is not currently owned by the occupants, but the participating jurisdiction is encouraging homeownership in the neighborhood by providing homeownership assistance and by making improvements to the streets, sidewalks, and other public facilities and services. If a participating jurisdiction in preparing a neighborhood revitalization strategy under § 91.215(e)(2) of its consolidated plan or Empowerment Zone or Enterprise Community application under 24 CFR part 597 has incorporated the type of market data described above, that submission may serve as the required analysis under this section. If the participating jurisdiction continues to provide homeownership assistance for housing in the neighborhood, it must periodically update the market analysis to verify the original presumption of continued affordability.

(ii) *Recapture.* Recapture provisions must ensure that the participating jurisdiction recoups all or a portion of the HOME assistance to the homebuyers, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability. The participating jurisdiction may structure its recapture provisions based on its program design and market conditions. The period of affordability is based upon the total amount of HOME funds subject to recapture described in paragraph (a)(5)(ii)(A)(5) of this section.

(A) The following options for recapture requirements are acceptable to

HUD. The participating jurisdiction may adopt, modify or develop its own recapture requirements for HUD approval. In establishing its recapture requirements, the participating jurisdiction is subject to the limitation that when the recapture requirement is triggered by a sale (voluntary or involuntary) of the housing unit, the amount recaptured cannot exceed the net proceeds, if any. The net proceeds are the sales price minus superior loan repayment (other than HOME funds) and any closing costs.

(1) *Recapture entire amount.* The participating jurisdiction may recapture the entire amount of the HOME investment from the homeowner.

(2) *Reduction during affordability period.* The participating jurisdiction may reduce the HOME investment amount to be recaptured on a prorata basis for the time the homeowner has owned and occupied the housing measured against the required affordability period.

(3) *Shared net proceeds.* If the net proceeds are not sufficient to recapture the full HOME investment (or a reduced amount as provided for in paragraph (a)(5)(ii)(A)(2) of this section) plus enable the homeowner to recover the amount of the homeowner's downpayment and any capital improvement investment made by the owner since purchase, the participating jurisdiction may share the net proceeds. The net proceeds are the sales price minus loan repayment (other than HOME funds) and closing costs. The net proceeds may be divided proportionally as set forth in the following mathematical formulas:

$$\frac{\text{HOME investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}$$

$$\frac{\text{homeowner investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}$$

(4) *Owner investment returned first.* The participating jurisdiction may permit the homebuyer to recover the homebuyer's entire investment (downpayment and capital improvements

made by the owner since purchase) before recapturing the HOME investment.

(5) *Amount subject to recapture.* The HOME investment that is subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to buy the dwelling unit. This includes any HOME assistance that reduced the purchase price from fair market value to an affordable price, but excludes the amount between the cost of producing the unit and the market value of the property (i.e., the development subsidy). The recaptured funds must be used to carry out HOME-eligible activities in accordance with the requirements of this part. If the HOME assistance is only used for the development subsidy and therefore not subject to recapture, the resale option must be used.

(6) *Special considerations for single-family properties with more than one unit.* If the HOME funds are only used to assist a low-income homebuyer to acquire one unit in single-family housing containing more than one unit and the assisted unit will be the principal residence of the homebuyer, the affordability requirements of this section apply only to the assisted unit. If HOME funds are also used to assist the low-income homebuyer to acquire one or more of the rental units in the single-family housing, the affordability requirements of § 92.252 apply to assisted rental units, except that the participating jurisdiction may impose resale or recapture restrictions on all assisted units (owner-occupied and rental units) in the single family housing. If resale restrictions are used, the affordability requirements on all assisted units continue for the period of affordability. If recapture restrictions are used, the affordability requirements on the assisted rental units may be terminated, at the discretion of the participating jurisdiction, upon recapture of the HOME investment. (If HOME funds are used to assist only the rental units in such a property then the requirements of § 92.252 would apply and the owner-occupied unit would not be subject to the income targeting or affordability provisions of § 92.254.)

(7) *Lease-purchase.* HOME funds may be used to assist homebuyers through lease-purchase programs for existing housing and for housing to be constructed. The housing must be pur-

chased by a homebuyer within 36 months of signing the lease-purchase agreement. The homebuyer must qualify as a low-income family at the time the lease-purchase agreement is signed. If HOME funds are used to acquire housing that will be resold to a homebuyer through a lease-purchase program, the HOME affordability requirements for rental housing in § 92.252 shall apply if the housing is not transferred to a homebuyer within forty-two months after project completion.

(8) *Contract to purchase.* If HOME funds are used to assist a homebuyer who has entered into a contract to purchase housing to be constructed, the homebuyer must qualify as a low-income family at the time the contract is signed.

(9) *Preserving affordability of housing that was previously assisted with HOME funds.*

(i) To preserve the affordability of HOME-assisted housing a participating jurisdiction may use additional HOME funds for the following costs:

(A) The cost to acquire the housing through a purchase option, right of first refusal, or other preemptive right before foreclosure, or at the foreclosure sale. (The foreclosure costs to acquire housing with a HOME loan in default are eligible. However, HOME funds may not be used to repay a loan made with HOME funds.)

(B) The cost to undertake any necessary rehabilitation for the housing acquired.

(C) The cost of owning/holding the housing pending resale to another homebuyer.

(D) The cost to assist another homebuyer in purchasing the housing.

(ii) When a participating jurisdiction uses HOME funds to preserve the affordability of such housing, the additional investment must be treated as an amendment to the original project. The housing must be sold to a new eligible homebuyer in accordance with the requirements of § 92.254(a) within a reasonable period of time.

(iii) The total amount of the original and additional HOME assistance may not exceed the maximum per unit subsidy amount established under § 92.250. Alternatively to charging the cost to the HOME program under § 92.206, the

§ 92.255

participating jurisdiction may charge the cost to the HOME program under § 92.207 as a reasonable administrative cost of its HOME program, so that the additional HOME funds for the housing are not subject to the maximum per-unit subsidy amount. To the extent administrative funds are used, they may be reimbursed, in whole or in part, when the housing is sold to a new eligible homebuyer.

(b) *Rehabilitation not involving acquisition.* Housing that is currently owned by a family qualifies as affordable housing only if:

(1) The estimated value of the property, after rehabilitation, does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section; and

(2) The housing is the principal residence of an owner whose family qualifies as a low-income family at the time HOME funds are committed to the housing.

(c) *Ownership interest.* The ownership in the housing assisted under this section must meet the definition of “homeownership” in § 92.2.

(d) *New construction without acquisition.* Newly constructed housing that is built on property currently owned by a family which will occupy the housing upon completion, qualifies as affordable housing if it meets the requirements under paragraph (a) of this section.

§ 92.255 Converting rental units to homeownership units for existing tenants.

The participating jurisdiction may permit the owner of HOME-assisted rental units to convert the rental units to homeownership units by selling, donating, or otherwise conveying the units to the existing tenants to enable the tenants to become homeowners in accordance with the requirements of § 92.254. If no additional HOME funds are used to enable the tenants to become homeowners, the homeownership units are subject to a minimum period of affordability equal to the remaining affordable period if the units continued

24 CFR Subtitle A (4–1–11 Edition)

as rental units. If additional HOME funds are used to directly assist the tenants to become homeowners, the minimum period of affordability is the affordability period under § 92.254(a)(4), based on the amount of direct homeownership assistance provided.

§ 92.256 [Reserved]

§ 92.257 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOME program. Neither the Federal government nor a State or local government receiving funds under HOME programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(b) Organizations that are directly funded under the HOME program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the assistance funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the assistance funded under this part, and participation must be voluntary for the beneficiaries of the assistance provided.

(c) A religious organization that participates in the HOME program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOME funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOME-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(d) An organization that participates in the HOME program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(e) HOME funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. HOME funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOME funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOME funds in this part. Sanctuaries, chapels, or other rooms that a HOME-funded religious congregation uses as its principal place of worship, however, are ineligible for HOME-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (*see* 24 CFR parts 84 and 85).

(f) If a state or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

[68 FR 56404, Sept. 30, 2003]

§ 92.258 Elder cottage housing opportunity (ECHO) units.

(a) *General.* HOME funds may be used for the initial purchase and initial placement costs of elder cottage housing opportunity (ECHO) units that meet the requirements of this section, and that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings.

(b) *Eligible owners.* The owner of a HOME-assisted ECHO unit may be:

(1) The owner-occupant of the single-family host property on which the ECHO unit will be located;

(2) A participating jurisdiction; or

(3) A non-profit organization.

(c) *Eligible tenants.* During the affordability period, the tenant of a HOME-assisted ECHO unit must be an elderly or disabled family as defined in 24 CFR 5.403 and must also be a low-income family.

(d) *Applicable requirements.* The requirements of § 92.252 apply to HOME-assisted ECHO units, with the following modifications:

(1) Only one ECHO unit may be provided per host property.

(2) The ECHO unit owner may choose whether or not to charge the tenant of the ECHO unit rent, but if a rent is charged, it must meet the requirements of § 92.252.

(3) The ECHO housing must remain affordable for the period specified in § 92.252(e). If within the affordability period the original occupant no longer occupies the unit, the ECHO unit owner must:

(i) Rent the unit to another eligible occupant on site;

(ii) Move the ECHO unit to another site for occupancy by an eligible occupant; or

(iii) If the owner of the ECHO unit is the host property owner-occupant, the owner may repay the HOME funds in accordance with the recapture provisions imposed by the participating jurisdiction consistent with § 92.254(a)(5)(ii). The participating jurisdiction must use the recaptured HOME funds for additional HOME activities.

(4) The participating jurisdiction has the responsibility to enforce the project requirements applicable to ECHO units.

Subpart G—Community Housing Development Organizations

§ 92.300 Set-aside for community housing development organizations (CHDOs).

(a)(1) Within 24 months after HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnerships Agreement, the participating jurisdiction must reserve not less than 15 percent of the HOME

§ 92.300

allocation for investment only in housing to be developed, sponsored, or owned by community housing development organizations. For a State, the HOME allocation includes funds reallocated under § 92.451(c)(2)(i) and, for a unit of general local government, funds transferred from a State under § 92.102(b). The funds are reserved when a participating jurisdiction enters into a written agreement with the community housing development organization. The funds must be provided to a community housing development organization, its subsidiary, or a partnership of which it or its subsidiary is the managing general partner. If a CHDO owns the project in partnership, it or its wholly owned for-profit or non-profit subsidiary must be the managing general partner. In acting in any of the capacities specified, the community housing development organization must have effective project control. In addition, a community housing development organization, in connection with housing it develops, sponsors or owns with HOME funds provided under this section, may provide direct homeownership assistance (e.g. downpayment assistance) and not be considered a subrecipient.

(2) The participating jurisdiction determines the form of assistance, e.g., grant or loan, that the community housing development organization receives and whether any proceeds must be returned to the participating jurisdiction or may be retained by the community housing development organization. While the proceeds the participating jurisdiction permits the community housing development organization to retain are not subject to the requirements of this part, the participating jurisdiction must specify in the written agreement with the community housing development organization whether they are to be used for HOME-eligible or other housing activities to benefit low-income families. However, funds recaptured because housing no longer meets the affordability requirements under § 92.254(a)(5)(ii) are subject to the requirements of this part in accordance with § 92.503.

(b) Each participating jurisdiction must make reasonable efforts to identify community housing development

24 CFR Subtitle A (4-1-11 Edition)

organizations that are capable, or can reasonably be expected to become capable, of carrying out elements of the jurisdiction's approved consolidated plan and to encourage such community housing development organizations to do so. If during the first 24 months of its participation in the HOME Program a participating jurisdiction cannot identify a sufficient number of capable community housing development organizations, up to 20 percent of the minimum community housing development organization setaside of 15 percent specified in paragraph (a) of this section, above, (but not more than \$150,000 during the 24 month period) may be committed to develop the capacity of community housing development organizations in the jurisdiction.

(c) Up to 10 percent of the HOME funds reserved under this section may be used for activities specified under § 92.301.

(d) HOME funds required to be reserved under this section are subject to reduction, as provided in § 92.500(d).

(e) If funds for operating expenses are provided under § 92.208 to a community housing development organization that is not also receiving funds under paragraph (a) of this section for housing to be developed, sponsored or owned by the community housing development organization, the participating jurisdiction must enter into a written agreement with the community housing development organization that provides that the community housing development organization is expected to receive funds under paragraph (a) of this section within 24 months of receiving the funds for operating expenses, and specifies the terms and conditions upon which this expectation is based.

(f) *Limitation on community housing development organization operating funds.* A community housing development organization may not receive HOME funding for any fiscal year in an amount that provides more than 50 percent or \$50,000, whichever is greater, of the community housing development organization's total operating expenses in that fiscal year. This also includes organizational support and housing education provided under section 233(b)(1), (2), and (6) of the Act, as well

as funds for operating expenses provided under § 92.208.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28930, May 28, 1997]

§ 92.301 Project-specific assistance to community housing development organizations.

(a) *Project-specific technical assistance and site control loans*—(1) *General*. Within the percentage specified in § 92.300(c), HOME funds may be used by a participating jurisdiction to provide technical assistance and site control loans to community housing development organizations in the early stages of site development for an eligible project. These loans may not exceed amounts that the participating jurisdiction determines to be customary and reasonable project preparation costs allowable under paragraph (a)(2) of this section. All costs must be related to a specific eligible project or projects.

(2) *Allowable costs*. A loan may be provided to cover project costs necessary to determine project feasibility (including costs of an initial feasibility study), consulting fees, costs of preliminary financial applications, legal fees, architectural fees, engineering fees, engagement of a development team, option to acquire property, site control and title clearance. General operational expenses of the community housing development organization are not allowable costs.

(3) *Repayment*. The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in part or in whole, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the borrower.

(b) *Project-specific seed money loans*—(1) *General*. Within the percentage specified in § 92.300(c), HOME funds may be used to provide loans to community housing development organizations to cover preconstruction project costs that the participating jurisdiction determines to be customary and reason-

able, including, but not limited to the costs of obtaining firm construction loan commitments, architectural plans and specifications, zoning approvals, engineering studies, and legal fees.

(2) *Eligible sponsors*. A loan may be provided only to a community housing development organization that has, with respect to the project concerned, site control (evidenced by a deed, a sales contract, or an option contract to acquire the property), a preliminary financial commitment, and a capable development team.

(3) *Repayment*. The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in whole or in part, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the community housing development organization.

§ 92.302 Housing education and organizational support.

HUD is authorized to provide education and organizational support assistance, in conjunction with HOME funds made available to community housing development organizations in accordance with section 233 of the Act. HUD will publish a notice in the FEDERAL REGISTER announcing the availability of funding under this section, as appropriate. The notice need not include funding for each of the eligible activities, but may target funding from among the eligible activities.

§ 92.303 Tenant participation plan.

A community housing development organization that receives assistance under this part must adhere to a fair lease and grievance procedure approved by the participating jurisdiction and provide a plan for and follow a program of tenant participation in management decisions.

Subpart H—Other Federal Requirements

§ 92.350 Other Federal requirements and nondiscrimination.

(a) The Federal requirements set forth in 24 CFR part 5, subpart A, are applicable to participants in the HOME program. The requirements of this subpart include: nondiscrimination and equal opportunity; disclosure requirements; debarred, suspended or ineligible contractors; and drug-free workplace.

(b) The nondiscrimination requirements at section 282 of the Act are applicable. These requirements are waived in connection with the use of HOME funds on lands set aside under the Hawaiian Homes Commission Act, 1920 (42 Stat. 108).

[62 FR 28930, May 28, 1997]

§ 92.351 Affirmative marketing; minority outreach program.

(a) *Affirmative marketing.* (1) Each participating jurisdiction must adopt affirmative marketing procedures and requirements for rental and homebuyer projects containing 5 or more HOME-assisted housing units. Affirmative marketing steps consist of actions to provide information and otherwise attract eligible persons in the housing market area to the available housing without regard to race, color, national origin, sex, religion, familial status or disability. (The affirmative marketing procedures do not apply to families with Section 8 tenant-based rental housing assistance or families with tenant-based rental assistance provided with HOME funds.)

(2) The affirmative marketing requirements and procedures adopted must include:

(i) Methods for informing the public, owners, and potential tenants about Federal fair housing laws and the participating jurisdiction's affirmative marketing policy (e.g., the use of the Equal Housing Opportunity logotype or slogan in press releases and solicitations for owners, and written communication to fair housing and other groups);

(ii) Requirements and practices each owner must adhere to in order to carry

out the participating jurisdiction's affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logotype or slogan, and display of fair housing poster);

(iii) Procedures to be used by owners to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing without special outreach (e.g., use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies);

(iv) Records that will be kept describing actions taken by the participating jurisdiction and by owners to affirmatively market units and records to assess the results of these actions; and

(v) A description of how the participating jurisdiction will annually assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

(3) A State that distributes HOME funds to units of general local government must require each unit of general local government to adopt affirmative marketing procedures and requirements that meet the requirement in paragraphs (a) and (b) of this section.

(b) *Minority outreach.* A participating jurisdiction must prescribe procedures acceptable to HUD to establish and oversee a minority outreach program within its jurisdiction to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women, including, without limitation, real estate firms, construction firms, appraisal firms, management firms, financial institutions, investment banking firms, underwriters, accountants, and providers of legal services, in all contracts entered into by the participating jurisdiction with such persons or entities, public and private, in order to facilitate the activities of the participating jurisdiction to provide affordable housing authorized under this Act or any other Federal housing law applicable to such jurisdiction. Section 85.36(e) of this title describes actions to be taken by a participating jurisdiction

to assure that minority business enterprises and women business enterprises are used when possible in the procurement of property and services.

§ 92.352 Environmental review.

(a) *General.* The environmental effects of each activity carried out with HOME funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and the related authorities listed in HUD's implementing regulations at 24 CFR parts 50 and 58.

(b) *Responsibility for review.* (1) The jurisdiction (e.g., the participating jurisdiction or State recipient) or insular area must assume responsibility for environmental review, decisionmaking, and action for each activity that it carries out with HOME funds, in accordance with the requirements imposed on a recipient under 24 CFR part 58. No funds may be committed to a HOME activity or project before the completion of the environmental review and approval of the request for release of funds and related certification, except as authorized by 24 CFR part 58.

(2) A State participating jurisdiction must also assume responsibility for approval of requests for release of HOME funds submitted by State recipients.

(3) HUD will perform the environmental review, in accordance with 24 CFR part 50, for a competitively awarded application for HOME funds submitted to HUD by an entity that is not a jurisdiction.

§ 92.353 Displacement, relocation, and acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, the participating jurisdiction must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted with HOME funds. To the extent feasible, residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the building/complex upon completion of the project.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/utility costs.

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex upon completion of the project; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons—(1) General.* A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201-4655) and 49 CFR part 24. A "displaced person" must be advised of his or her rights under the Fair Housing Act and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, the minority person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(2) *Displaced Person.* (i) For purposes of paragraph (c) of this section, the term *displaced person* means a person (family individual, business, nonprofit organization, or farm, including any corporation, partnership or association) that moves from real property or moves personal property from real

§ 92.353

24 CFR Subtitle A (4-1-11 Edition)

property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted with HOME funds. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

(A) After notice by the owner to move permanently from the property, if the move occurs on or after:

(1) The date of the submission of an application to the participating jurisdiction or HUD, if the applicant has site control and the application is later approved; or

(2) The date the jurisdiction approves the applicable site, if the applicant does not have site control at the time of the application; or

(B) Before the date described in paragraph (c)(2)(i)(A) of this section, if the jurisdiction or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(C) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(1) The tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition and the move occurs before the tenant is provided written notice offering the tenant the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions. Such reasonable terms and conditions must include a term of at least one year at a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(i) The tenant's monthly rent before such agreement and estimated average monthly utility costs; or

(ii) The total tenant payment, as determined under 24 CFR 5.613, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(2) The tenant is required to relocate temporarily, does not return to the building/complex, and either

(i) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation; or

(ii) Other conditions of the temporary relocation are not reasonable; or

(3) The tenant is required to move to another dwelling unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(ii) Notwithstanding paragraph (c)(2)(i) of this section, a person does not qualify as a *displaced person* if:

(A) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable federal, State or local law, or other good cause, and the participating jurisdiction determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance. The effective date of any termination or refusal to renew must be preceded by at least 30 days advance written notice to the tenant specifying the grounds for the action.

(B) The person moved into the property after the submission of the application but, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, incur a rent increase), and the fact that the person would not qualify as a "displaced person" (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(g)(2); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The jurisdiction may, at any time, ask HUD to determine whether a displacement is or would be covered by this rule.

(3) *Initiation of negotiations.* For purposes of determining the formula for computing replacement housing assistance to be provided under paragraph (c) of this section to a tenant displaced from a dwelling as a direct result of private-owner rehabilitation, demolition or acquisition of the real property, the term *initiation of negotiations* means

the execution of the agreement covering the acquisition, rehabilitation, or demolition.

(d) *Optional relocation assistance.* The participating jurisdiction may provide relocation payments and other relocation assistance to families, individuals, businesses, nonprofit organizations, and farms displaced by a project assisted with HOME funds where the displacement is not subject to paragraph (c) of this section. The jurisdiction may also provide relocation assistance to persons covered under paragraph (c) of this section beyond that required. For any such assistance that is not required by State or local law, the jurisdiction must adopt a written policy available to the public that describes the optional relocation assistance that it has elected to furnish and provides for equal relocation assistance within each class of displaced persons.

(e) *Residential antidisplacement and relocation assistance plan.* The participating jurisdiction shall comply with the requirements of 24 CFR part 42, subpart C.

(f) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements of 49 CFR part 24, subpart B.

(g) *Appeals.* A person who disagrees with the participating jurisdiction's determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the jurisdiction. A low-income person who is dissatisfied with the jurisdiction's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

§ 92.354 Labor.

(a) *General.* (1) Every contract for the construction (rehabilitation or new construction) of housing that includes 12 or more units assisted with HOME funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor

pursuant to the Davis-Bacon Act (40 U.S.C. 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing. Such contracts must also be subject to the overtime provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332).

(2) The contract for construction must contain these wage provisions if HOME funds are used for any project costs in § 92.206, including construction or nonconstruction costs, of housing with 12 or more HOME-assisted units. When HOME funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the housing that HOME funds will be used to assist homebuyers to buy the housing and the construction contract covers 12 or more housing units to be purchased with HOME assistance. The wage provisions apply to any construction contract that includes a total of 12 or more HOME-assisted units, whether one or more than one project is covered by the construction contract. Once they are determined to be applicable, the wage provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the wage provisions is not permitted.

(3) Participating jurisdictions, contractors, subcontractors, and other participants must comply with regulations issued under these acts and with other Federal laws and regulations pertaining to labor standards and HUD Handbook 1344.1 (Federal Labor Standards Compliance in Housing and Community Development Programs), as applicable. Participating jurisdictions must require certification as to compliance with the provisions of this section before making any payment under such contract.

(b) *Volunteers.* The prevailing wage provisions of paragraph (a) of this section do not apply to an individual who

§ 92.355

receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered and who is not otherwise employed at any time in the construction work. See 24 CFR part 70.

(c) *Sweat equity.* The prevailing wage provisions of paragraph (a) of this section do not apply to members of an eligible family who provide labor in exchange for acquisition of a property for homeownership or provide labor in lieu of, or as a supplement to, rent payments.

§ 92.355 Lead-based paint.

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, M and R of this title.

[64 FR 50224, Sept. 15, 1999]

§ 92.356 Conflict of interest.

(a) *Applicability.* In the procurement of property and services by participating jurisdictions, State recipients, and subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) *Conflicts prohibited.* No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decisionmaking process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(c) *Persons covered.* The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official

24 CFR Subtitle A (4-1-11 Edition)

of the participating jurisdiction, State recipient, or subrecipient which are receiving HOME funds.

(d) *Exceptions: Threshold requirements.* Upon the written request of the participating jurisdiction, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the participating jurisdiction's program or project. An exception may be considered only after the participating jurisdiction has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the participating jurisdiction's or State recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the participating jurisdiction has satisfactorily met the requirements of paragraph (d) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

(2) Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (c) of this section;

(5) Whether undue hardship will result either to the participating jurisdiction or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(6) Any other relevant considerations.

(f) *Owners and Developers.* (1) No owner, developer or sponsor of a project assisted with HOME funds (or officer, employee, agent, elected or appointed official or consultant of the owner, developer or sponsor) whether private, for-profit or non-profit (including a community housing development organization (CHDO) when acting as an owner, developer or sponsor) may occupy a HOME-assisted affordable housing unit in a project. This provision does not apply to an individual who receives HOME funds to acquire or rehabilitate his or her principal residence or to an employee or agent of the owner or developer of a rental housing project who occupies a housing unit as the project manager or maintenance worker.

(2) *Exceptions.* Upon written request of a housing owner or developer, the participating jurisdiction (or State recipient, if authorized by the State participating jurisdiction) may grant an exception to the provisions of paragraph (f)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME program and the effective and efficient administration of the owner's or developer's HOME-assisted project. In determining whether to grant a requested exception, the participating jurisdiction shall consider the following factors:

(i) Whether the person receiving the benefit is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted housing, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(ii) Whether the person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted housing in question;

(iii) Whether the tenant protection requirements of § 92.253 are being observed;

(iv) Whether the affirmative marketing requirements of § 92.351 are being observed and followed; and

(v) Any other factor relevant to the participating jurisdiction's determination, including the timing of the requested exception.

§ 92.357 Executive Order 12372.

(a) *General.* Executive Order 12372, as amended by Executive Order 12416 (3 CFR, 1982 Comp., p. 197 and 3 CFR, 1983 Comp., p. 186) (Intergovernmental Review of Federal Programs) and HUD's implementing regulations at 24 CFR part 52, allow each State to establish its own process for review and comment on proposed Federal financial assistance programs.

(b) *Applicability.* Executive Order 12372 applies to applications submitted with respect to HOME funds being competitively reallocated under subpart J of this part to units of general local government.

§ 92.358 Consultant activities.

No person providing consultant services in an employer-employee type relationship shall receive more than a reasonable rate of compensation for personal services paid with HOME funds. In no event, however, shall such compensation exceed the limits in effect under the provisions of any applicable statute (e.g., annual HUD appropriations acts which have set the limit at the equivalent of the daily rate paid for Level IV of the Executive Schedule, see the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997, Pub. L. 104-204 (September 26, 1996)). Such services shall be evidenced by written agreements between the parties which detail the responsibilities, standards, and compensation. Consultant services provided under an independent contractor relationship are not subject to the compensation limitation of Level IV of the Executive Schedule.

Subpart I—Technical Assistance

§ 92.400 Coordinated Federal support for housing strategies.

(a) *General.* HUD will provide assistance in accordance with Subtitle C of the Act.

(b) *Notice of funding.* HUD will publish a notice in the FEDERAL REGISTER announcing the availability of funding under this section as appropriate.

Subpart J—Reallocations

§ 92.450 General.

(a) This subpart J sets out the conditions under which HUD reallocates HOME funds that have been allocated, reserved, or placed in a HOME Investment Trust Fund.

(b) A jurisdiction that is not a participating jurisdiction but is meeting the requirements of §§ 92.102, 92.103, and 92.104, (participation threshold, notice of intent, and submission of consolidated plan) is treated as a participating jurisdiction for purposes of receiving a reallocation under subpart J of this part.

§ 92.451 Reallocation of HOME funds from a jurisdiction that is not designated a participating jurisdiction or has its designation revoked.

(a) *Failure to be designated a participating jurisdiction.* HUD will reallocate, under this section, any HOME funds allocated to or reserved for a jurisdiction that is not a participating jurisdiction if:

(1) HUD determines that the jurisdiction has failed to:

(i) Meet the participation threshold amount in § 92.102;

(ii) Provide notice of its intent to become a participating jurisdiction in accordance with § 92.103; or

(iii) Submit its consolidated plan, in accordance with 24 CFR part 91; or

(2) HUD after providing for amendments and resubmissions in accordance with 24 CFR part 91 disapproves the jurisdiction's consolidated plan.

(b) *Designation revoked.* HUD will reallocate, under this section, any funds remaining in a jurisdiction's HOME Investment Trust Fund after HUD has revoked the jurisdiction's designation as

a participating jurisdiction under § 92.107.

(c) *Manner of reallocation.* HUD will reallocate funds that are subject to reallocation under this section in the following manner:

(1) If the funds to be reallocated under this section are from a State, HUD will:

(i) Make the funds available by competition in accordance with criteria in § 92.453 among applications submitted by units of general local government within the State and with preference being given to applications from units of general local government that are not participating jurisdictions, and

(ii) Reallocate the remainder by formula in accordance with § 92.454.

(2) If the funds to be reallocated are from a unit of general local government:

(i) Located in a State that is participating jurisdiction, HUD will reallocate the funds to that State. The State, in distributing these funds, must give preference to the provision of affordable housing within the unit of general local government; or

(ii) Located in a State that is not a participating jurisdiction, HUD will reallocate the funds by competition among units of general local government and community housing development organizations within the State, with priority going to applications for affordable housing within the unit of general local government; and reallocate the remainder by formula in accordance with § 92.454.

§ 92.452 Reallocation of community housing development organization set-aside.

HUD will reallocate, under this section, any HOME funds reduced or recaptured by HUD from a participating jurisdiction's HOME Investment Trust Fund under § 92.300(d). HUD will reallocate these funds by competition in accordance with criteria in § 92.453 to other participating jurisdictions for affordable housing developed, sponsored, or owned by community housing development organizations.

§ 92.453 Competitive reallocations.

(a) HUD will invite applications through FEDERAL REGISTER publication

of a Notice of Funding Availability (NOFA), in accordance with section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) and the requirements of sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), for HOME funds that become available for competitive reallocation under § 92.451 or § 92.452, or both. The NOFA will describe the application requirements and procedures, including the total funding available for the competition and any maximum amount of individual awards. The NOFA will also describe the selection criteria and any special factors to be evaluated in awarding points under the selection criteria.

(b) The NOFA will include the selection criteria at sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), with the following maximum number of points awarded for each category of criteria:

(1) *Commitment*. Up to 25 points for the criteria at sec. 217(c)(1) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(1));

(2) *Actions*. Up to 50 points for the criteria at sec. 217(c)(2) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(2)); and

(3) *Policies*. Up to 25 points for the criteria at sec. 217(c)(3) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(3)).

[62 FR 44840, Aug. 22, 1997]

§ 92.454 Reallocations by formula.

(a) HUD will reallocate under this section:

(1) Any HOME funds remaining available for reallocation after HUD has made competitive reallocations under § 92.451 and § 92.452;

(2) Any HOME funds available for reallocation because HUD reduced or recaptured funds from participating jurisdiction under § 92.500(d) for failure to commit the funds within the time specified;

(3) Any HOME funds withdrawn by HUD from a participating jurisdiction under 24 CFR 91.520(f) for failure to submit in a timely manner a performance report required by 24 CFR 91.520 that is satisfactory to HUD; and

(4) Any HOME funds remitted to HUD under § 92.503(b) when a jurisdiction ceases to be a participating jurisdiction.

(b) Any reallocation of funds from a State must be made only among all participating States, and any reallocation of funds from units of general local government must be made only among all participating units of general local government, except those participating jurisdictions that HUD has removed from participating in reallocations under § 92.552.

(c) A local participating jurisdiction's share of a reallocation is calculated by multiplying the amount available for reallocation to units of general local government by a factor that is that ratio of the participating jurisdiction's formula allocation provided under § 92.50 to the total of the formula allocations provided for all local participating jurisdictions sharing in the reallocation. A State participating jurisdiction's share is comparably determined using the amount available for reallocation to States.

(d) HUD will make reallocations under this section quarterly, unless the amount available for such reallocation is insufficient to warrant making a reallocation. In any event, HUD will make a reallocation under this section at least once a year. The minimum amount of a reallocation is \$1000.

Subpart K—Program Administration

§ 92.500 The HOME Investment Trust Fund.

(a) *General*. A HOME Investment Trust Fund consists of the accounts described in this section solely for investment in accordance with the provisions of this part. HUD will establish a HOME Investment Trust Fund United States Treasury account for each participating jurisdiction. Each participating jurisdiction may use either a separate local HOME Investment Trust Fund account or, a subsidiary account within its general fund (or other appropriate fund) as the local HOME Investment Trust Fund account.

(b) *Treasury Account*. The United States Treasury account of the HOME Investment Trust Fund includes funds

§ 92.501

allocated to the participating jurisdiction under § 92.50 (including for a local participating jurisdiction, any transfer of the State's allocation pursuant to § 92.102(b)(2)) and funds reallocated to the participating jurisdiction, either by formula or by competition, under subpart J of this part; and

(c) *Local Account.* (1) The local account of the HOME Investment Trust Fund includes deposits of HOME funds disbursed from the Treasury account; the deposit of any State funds (other than HOME funds transferred pursuant to § 92.102(b)(2)) or local funds that enable the jurisdiction to meet the participating threshold amount in § 92.102; any program income (from both the allocated funds and matching contributions in accordance with the definition of program income); and any repayments or recaptured funds as required by § 92.503.

(2) The participating jurisdiction may establish a second local account of the HOME Investment Trust Funds if:

(i) The participating jurisdiction has its own affordable housing trust fund that the participating jurisdiction will use for matching contributions to the HOME program;

(ii) The statute or local ordinance requires repayments from its own trust fund to be made to the trust fund;

(iii) The participating jurisdiction establishes a separate account within its own trust fund for repayments of the matching contributions; and

(iv) The funds in the account are used solely for investment in eligible activities within the participating jurisdiction's boundaries in accordance with the provisions of this part, except as provided under § 92.201(a)(2).

(3) The funds in the local account cannot be used for the matching contribution and do not need to be matched.

(d)(1) *Reductions.* HUD will reduce or recapture HOME funds in the HOME Investment Trust Fund by the amount of:

(A) Any funds in the United States Treasury account that are required to be reserved (i.e., 15 percent of the funds) by a participating jurisdiction under § 92.300 that are not reserved for a community housing development organization pursuant to a written agree-

24 CFR Subtitle A (4-1-11 Edition)

ment within 24 months after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds in the United States Treasury account that are not committed within 24 months after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement;

(C) Any funds in the United States Treasury account that are not expended within five years after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement; and

(D) Any penalties assessed by HUD under § 92.552.

(2) For purposes of determining the amount by which the HOME Investment Trust Fund will be reduced or recaptured under paragraphs (d)(1)(A), (B) and (C) of this section, HUD will consider the sum of commitments to CHDOs, commitments, or expenditures, as applicable, from the fiscal year allocation being examined and from subsequent allocations. This sum must be equal to or greater than the amount of the fiscal year allocation being examined, or in the case of commitments to CHDOs, 15 percent of that fiscal year allocation.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28930, May 28, 1997]

§ 92.501 HOME Investment Partnership Agreement.

Allocated and reallocated funds will be made available pursuant to a HOME Investment Partnership Agreement. The agreement ensures that HOME funds invested in affordable housing are repayable if the housing ceases to qualify as affordable housing before the period of affordability expires.

§ 92.502 Program disbursement and information system.

(a) *General.* The Home Investment Trust Fund account established in the United States Treasury is managed through a computerized disbursement and information system established by HUD. The system disburses HOME funds that are allocated or reallocated,

and collects and reports information on the use of HOME funds in the United States Treasury account. [For purposes of reporting in the Integrated Disbursement and Information System, a HOME project is an activity.]

(b) *Project set-up.* (1) After the participating jurisdiction executes the HOME Investment Partnership Agreement, submits the applicable banking and security documents, complies with the environmental requirements under 24 CFR part 58 for release of funds and commits funds to a specific local project, the participating jurisdiction may identify (set up) specific investments in the disbursement and information system. Investments that require the set-up of projects in the system are the acquisition, new construction, or rehabilitation of housing, and the provision of tenant-based rental assistance. The participating jurisdiction is required to enter complete project set-up information at the time of project set-up.

(2) If the project set-up information is not completed within 20 days of the project set-up call, the project may be cancelled by the system. In addition, a project which has been committed in the system for 12 months without an initial disbursement of funds may be cancelled by the system.

(c) *Disbursement of HOME funds.* (1) After complete project set-up information is entered into the disbursement and information system, HOME funds for the project may be drawn down from the United States Treasury account by the participating jurisdiction by electronic funds transfer. The funds will be deposited in the local account of the HOME Investment Trust Fund of the participating jurisdiction within 48 to 72 hours of the disbursement request. Any drawdown of HOME funds from the United States Treasury account is conditioned upon the provision of satisfactory information by the participating jurisdiction about the project or tenant-based rental assistance and compliance with other procedures, as specified by HUD.

(2) HOME funds drawn from the United States Treasury account must be expended for eligible costs within 15 days. Any interest earned within the 15 day period may be retained by the par-

Interest earned after 15 days belongs to the United States and must be remitted promptly, but at least quarterly, to HUD, except that a local participating jurisdiction may retain interest amounts up to \$100 per year for administrative expenses and States are subject to the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.).

(4) A participating jurisdiction will be paid on an advance basis provided it complies with the requirements of this part.

(d) *Project completion.* (1) Complete project completion information must be entered into the disbursement and information system, or otherwise provided, within 120 days of the final project drawdown. If satisfactory project completion information is not provided, HUD may suspend further project set-ups or take other corrective actions.

(2) Additional HOME funds may be committed to a project up to one year after project completion, but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under § 92.250.

(e) *Access by other participants.* Access to the disbursement and information system by other entities participating in the HOME program (e.g., State recipients) will be governed by procedures established by HUD.

§ 92.503 Program income, repayments, and recaptured funds.

(a) *Program income.* (1) Program income must be used in accordance with the requirements of this part. Program income must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits

§ 92.504

the State recipient or subrecipient to retain the program income for additional HOME projects pursuant to the written agreement required by § 92.504.

(2) If the jurisdiction is not a participating jurisdiction when the program income is received, the funds are not subject to the requirements of this part.

§ 92.504 Participating jurisdiction responsibilities; written agreements; on-site inspection.

(a) *Responsibilities.* The participating jurisdiction is responsible for managing the day to day operations of its HOME program, ensuring that HOME funds are used in accordance with all program requirements and written agreements, and taking appropriate action when performance problems arise. The use of State recipients, subrecipients, or contractors does not relieve the participating jurisdiction of this responsibility. The performance of each contractor and subrecipient must be reviewed at least annually.

(b) *Executing a written agreement.* Before disbursing any HOME funds to any entity, the participating jurisdiction must enter into a written agreement with that entity. Before disbursing any HOME funds to any entity, a State recipient, subrecipient, or contractor which is administering all or a part of the HOME program on behalf of the participating jurisdiction, must also enter into a written agreement with that entity. The written agreement must ensure compliance with the requirements of this part.

(c) *Provisions in written agreements.* The contents of the agreement may vary depending upon the role the entity is asked to assume or the type of project undertaken. This section details basic requirements by role and the minimum provisions that must be included in a written agreement.

(1) *State recipient.* The provisions in the written agreement between the State and a State recipient will depend on the program functions that the State specifies the State recipient will carry out in accordance with § 92.201(b).

(i) *Use of the HOME funds.* The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide

a sound basis for the State to effectively monitor performance under the agreement.

(ii) *Affordability.* The agreement must require housing assisted with HOME funds to meet the affordability requirements of § 92.252 or § 92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period.

(iv) *Uniform administrative requirements.* The agreement must require the State recipient to comply with applicable uniform administrative requirements, as described in § 92.505.

The means of enforcement may include liens on real property, deed restrictions, or covenants running with the land. The affordability requirements in § 92.252 must be enforced by deed restriction. In addition, the agreement must specify remedies for breach of the HOME requirements. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination may occur if the State recipient materially fails to comply with any term of the agreement. The State may permit the agreement to be terminated for convenience in accordance with 24 CFR 85.44.

(xi) If the State recipient provides funds to for-profit owners or developers, nonprofit owners or developers, subrecipients, homeowners, homebuyers, tenants receiving tenant-based rental assistance, or contractors who are providing services to the State recipient, the State recipient must have a written agreement with such entities which meets the requirements of this section.

(xii) *Duration of the agreement.* The duration of the agreement will depend on which functions the State recipient performs (e.g., whether the State recipient or the State has responsibility for monitoring rental projects for the period of affordability) and which activities are funded under the agreement.

(2) *Subrecipient.* A subrecipient is a public agency or nonprofit selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME Program. The agreement between the participating jurisdiction and the subrecipient must include:

(v) *Affirmative marketing.* The agreement must specify the subrecipient's affirmative marketing responsibilities in accordance with § 92.351, if the HOME funds administered by the subrecipient will be used for housing containing five or more assisted units.

(vi) *Requests for disbursement of funds.* The agreement must specify that the subrecipient may not request disbursement of funds under the agreement until the funds are needed for payment of eligible costs. The amount of each request must be limited to the amount needed. Program income must be disbursed before the subrecipient requests funds from the participating jurisdiction.

(vii) *Reversion of assets.* The agreement must specify that upon expiration of the agreement, the subrecipient must transfer to the participating jurisdiction any HOME funds on hand at the time of expiration and any accounts receivable attributable to the use of HOME funds.

(viii) *Records and reports.* The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the participating jurisdiction in meeting its

(3) *For-profit or nonprofit housing owner, sponsor or developer (other than single-family owner-occupant)—(i) Use of the HOME funds.* The agreement between the participating jurisdiction and a for-profit or non-profit housing owner, sponsor or developer must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the participating jurisdiction to effectively monitor performance under the agreement.

(ii) *Affordability.* The agreement must require housing assisted with HOME funds to meet the affordability requirements of § 92.252 or § 92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period. If the owner or developer is undertaking rental projects, the agreement must establish the initial rents and the procedures for rent increases. If the owner or developer is undertaking homeownership projects for sale to homebuyers in accordance with § 92.254(a), the agreement must set forth the resale or recapture requirements which must be imposed on the housing.

(iii) *Project requirements.* The agreement must require compliance with project requirements in subpart F of

this part, as applicable in accordance with the type of project assisted.

Subpart L—Performance Reviews and Sanctions

§ 92.550 Performance reviews.

(a) *General.* HUD will review the performance of each participating jurisdiction in carrying out its responsibilities under this part whenever determined necessary by HUD, but at least annually. In conducting performance reviews, HUD will rely primarily on information obtained from the participating jurisdiction's and, as appropriate, the State recipient's records

24 CFR Subtitle A (4–1–11 Edition)

and reports, findings from on-site monitoring, audit reports, and information generated from the disbursement and information system established by HUD. Where applicable, HUD may also consider relevant information pertaining to a participating jurisdiction's or State recipient's performance gained from other sources, including citizen comments, complaint determinations, and litigation. Reviews to determine compliance with specific requirements of this part will be conducted as necessary, with or without prior notice to the participating jurisdiction or State recipient. Comprehensive performance reviews under the standards in paragraph (b) of this section will be conducted after prior notice to the participating jurisdiction.

(b) *Standards for comprehensive performance review.* A participating jurisdiction's performance will be comprehensively reviewed periodically, as prescribed by HUD, to determine:

(1) For local participating jurisdictions and State participating jurisdictions administering their own HOME programs, whether the participating jurisdiction has committed the HOME funds in the United States Treasury account as required by § 92.500 and expended the funds in the United States Treasury account as required by § 92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching requirements; or

(2) For State participating jurisdictions distributing HOME funds to State recipients, whether the State has met the matching contribution and other requirements of this part; has distributed the funds in accordance with the requirements of this part; and has made such reviews and audits of its State recipients as may be appropriate to determine whether they have satisfied the requirements of paragraph (b)(1) of this section.

§ 92.551 Corrective and remedial actions.

(a) *General.* HUD will use the procedures in this section in conducting the performance review as provided in § 92.550 and in taking corrective and remedial actions.

(b) *Performance review.* (1) If HUD determines preliminarily that the participating jurisdiction has not met a requirement of this part, the participating jurisdiction will be given notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD (not to exceed 30 days) and on the basis of substantial facts and data, that it has done so.

(2) If the participating jurisdiction fails to demonstrate to HUD's satisfaction that it has met the requirement, HUD will take corrective or remedial action in accordance with this section or § 92.552.

(c) *Corrective and remedial actions.* Corrective or remedial actions for a performance deficiency (failure to meet a provision of this part) will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence.

(1) HUD may instruct the participating jurisdiction to submit and comply with proposals for action to correct, mitigate and prevent a performance deficiency, including:

(i) Preparing and following a schedule of actions for carrying out the affected activities, consisting of schedules, timetables, and milestones necessary to implement the affected activities;

(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;

(iii) Canceling or revising activities likely to be affected by the performance deficiency, before expending HOME funds for the activities;

(iv) Reprogramming HOME funds that have not yet been expended from affected activities to other eligible activities;

(v) Reimbursing its HOME Investment Trust Fund in any amount not used in accordance with the requirements of this part;

(vi) Suspending disbursement of HOME funds for affected activities; and

(vii) Making matching contributions as draws are made from the participating jurisdiction's HOME Investment Trust Fund United States Treasury Account.

(2) HUD may also change the method of payment from an advance to reimbursement basis; and take other remedies that may be legally available.

§ 92.552 Notice and opportunity for hearing; sanctions.

(a) If HUD finds after reasonable notice and opportunity for hearing that a participating jurisdiction has failed to comply with any provision of this part and until HUD is satisfied that there is no longer any such failure to comply:

(1) HUD shall reduce the funds in the participating jurisdiction's HOME Investment Trust Fund by the amount of any expenditures that were not in accordance with the requirements of this part; and

(2) HUD may do one or more of the following:

(i) Prevent withdrawals from the participating jurisdiction's HOME Investment Trust Fund for activities affected by the failure to comply;

(ii) Restrict the participating jurisdiction's activities under this part to activities that conform to one or more model programs which HUD has developed in accordance with section 213 of the Act;

(iii) Remove the participating jurisdiction from participation in allocations or reallocations of funds made available under subpart B or J of this part;

(iv) Require the participating jurisdiction to make matching contributions in amounts required by § 92.218(a) as HOME funds are drawn from the participating jurisdiction's HOME Investment Trust Fund United States Treasury Account. Provided, however, that HUD may on due notice suspend payments at any time after the issuance of a notice of opportunity for hearing pursuant to paragraph (b)(1) of this section, pending such hearing and a final decision, to the extent HUD determines such action necessary to preclude the further expenditure of funds for activities affected by the failure to comply.

(b) *Proceedings.* When HUD proposes to take action pursuant to this section, the respondent in the proceedings will be the participating jurisdiction or, at

§ 92.600

HUD's option, the State recipient. Proceedings will be conducted in accordance with 24 CFR part 26, subpart B.
