I am pleased to forward to you the Gwinnett County Board of Commissioners' certification for urban transit projects in Gwinnett County, Georgia.

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub.L.111-5) ("ARRA"), I hereby certify that the attached infrastructure investments funded with amounts appropriated by ARRA under the heading: "Transit Capital Assistance" to the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided in the Georgia Statewide Transportation Improvement Program (STIP) and is available to the public at [www.dot.ga.gov/gastimulus](http://www.dot.ga.gov/gastimulus) and linked to [www.recovery.gov](http://www.recovery.gov).

I understand that Gwinnett County may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Sincerely,
