44) On the Create Application pop-up window, enter the following Information.

- If your organization's Unique Entity Identifier (UEI) number is blank, this indicates that the UEI number was not populated during the organization registration process. However, if you populated the UEI during organization registration, the field would be populated.

- Note: The UEI number will populate your SAM registration status from SAM.gov. The system will allow you to proceed without the UEI number, but you will not receive an award until the UEI is present and your organization's SAM registration is active.
