EMPLOYEE ENROLLMENT GUIDE
ACTIVE EMPLOYEES

gwinnettcounty
Board of Commissioners
2017 Active Employee Benefit Plans

This book provides, in summary, 2017 benefit options available to Gwinnett County employees who are eligible to participate in Gwinnett County Employee Benefit Plans.

Gwinnett County Board of Commissioners reserves the right to revise benefits offered at any time and the right to charge appropriate premiums for these benefits.

The premiums listed in this book are in effect as of January 1, 2017, and are not guaranteed to remain the same in future years.

If you want to enroll an eligible dependent not currently enrolled in your benefit plans, you must provide the documentation described in the *Health Plan Eligibility Information* section of this book by the date specified.

Please note: Fraudulent statements on benefit application forms, or through website *MyGCHub* enrollment, are cause for disciplinary action up to and including termination of employment with Gwinnett County and/or premium reimbursement to Gwinnett County.

Health Plan Eligibility Information

Medical Levels of Coverage – Active Employees

- Employee Only: No dependent coverage
- Employee + Spouse: No dependent children
- Employee + Child(ren): Employee + one or more children, no spouse
- Family Coverage: Employee, spouse, and one or more children

Coverage for the employee

This document describes benefits an eligible employee may receive through the benefit plans offered by Gwinnett County. The employee is also called the participant. Eligible participants include employees of the Gwinnett County Board of Commissioners, elected officials and their employees, who work on a permanent fulltime basis, permanent part-time basis working at least 30 hours per week, and limited-term full-time employees. Employees approved for a medical disability while employed by Gwinnett County are eligible to continue health, dental, or vision benefits for a maximum of two years. Benefits can continue past two years if the disability is total and permanent, as defined by the Social Security Administration, and if the employee is receiving approved disability benefits provided by Gwinnett County. Refer to CA OPEB policy for additional details concerning continued benefit eligibility. Employees approved for a medical disability are also referred to as the participant.

New hires

Online enrollment through *My GCHub* must be completed within 30 days of the date of hire. Instructions for enrolling will be provided during New Hire Orientation. Assistance or additional information may be obtained from the Department of Human Resources. Coverage will be effective on the first day of the month following one full calendar month of employment.

If an employee intends to waive coverage for any or all of the offered benefits, he/she must still complete the Web enrollment process, indicating the waiver of benefits. If the employee and dependents are not enrolled when first eligible, the employee will not be eligible to apply for benefits until the next annual enrollment period for benefits effective January 1 of the following year, unless a qualified life status change occurs. For details of life status change, refer to the *Gwinnett County SPD* located on *GCWorkplace*.

Coverage for employees who change from part-time to full-time

An employee who transitions from part-time (working less than 30 hours per week) to full-time will become eligible for benefits. If the employee elects Gwinnett County benefits, coverage will be effective the first day of the month following one full calendar month of his or her status change.

Coverage for the employee's dependents

If the employee is covered by the Gwinnett County benefit plans, his/her eligible dependents may also enroll. Eligible dependents are also called participants. The Gwinnett County Department of Human Resources will verify the eligibility of all employees and their dependents. All newly hired employees, rehired employees, employees adding dependents during annual enrollment, or employees adding dependents as a result of a qualified life status change will be required to substantiate the eligibility of all dependents who are to be enrolled in any Gwinnett County benefit plans. If substantiation documentation for your dependents is not received and validated by the date specified, your level of coverage for elected benefits will be "employee only" as of your effective date.

For a list of the identity documentation required for each potentially benefit-eligible dependent (spouse, child, or stepchild) refer to the *Summary Plan Description (SPD)* located on *GC Workplace*.

Employee procedures for submission of documentation

Upon final completion of the website enrollment process, the employee should print and review a confirmation statement to ensure the accuracy of the enrollment. Supporting documentation must be received by the Department of Human Resources by the date specified. Clear photocopies of the documents will be adequate. The documents submitted will not be returned. Enrollment must be completed within 30 days of hire. Documents must be received in the Department of Human Resources within the latter of 38 days of hire or the date the benefits will become effective for the employee.

Document review procedures

Upon receipt, documents will be reviewed within five business days by designated Department of Human Resources staff. If the documentation is found to be adequate, no further action will be necessary. If documentation is deemed inadequate, a Department of Human Resources staff member will request additional documentation or clarification from the employee. If the documentation leads to the conclusion that a dependent is ineligible for benefits, a Department of Human Resources staff member will request authorization from the health plans manager to deny enrollment of the dependent. All medical, dental, dependent life, and/or vision coverage for dependents ruled ineligible will be rescinded until an appeal is processed and approved.

Immediately upon denial of a dependent's eligibility, a letter will be mailed to the home address of the employee. The letter will explain the reasons for the denial and offer an opportunity for the employee to appeal the decision by submitting specified additional documentation within 30 days of the date of the letter.

Shallbee Health Savings Account (HSA)

A Health Savings Account (HSA) is a tax-exempt trust, or custodial account, established exclusively for the purpose of paying qualified medical expenses on behalf of the employee, spouse, and dependents covered by a qualified High-Deductible Health Plan. HSA funds can only be used for eligible expenses that are incurred by the employee and dependent family members as defined by IRS definition of “dependent.”

Key features of Health Savings Account:

- Debit card access
- Employee contributions are allowed up to annual limits
- Employees can start, stop, increase, or decrease contributions any time
- Funds are portable
- Funds carry over from one calendar year to the next
- No limit on annual carryover amount

Expenses covered by HSA funds are determined by Internal Revenue Code 213(d).

Maximum contribution amounts increased:

- Single Coverage – Maximum contribution per year: \$3,400
- Family Coverage – Maximum contribution per year: \$6,750
- Catch-Up Contribution for participants over 55 remains \$1,000
- Wellness Incentive contributions are counted as part of the annual contribution limit

Note: Once an employee turns 65 or becomes Medicare eligible an employee will no longer be eligible to receive or make contributions to an HSA account. Gwinnett County will open an HRA account to allow employees age 65 or older or Medicare eligible to receive incentive funding earned by participating in the Wellness Program

Health Reimbursement Arrangement (HRA)

Gwinnett's Shallbee Health Reimbursement Arrangement (HRA) is funded by the County for the purpose of paying qualified health expenses on behalf of the employee, spouse, and dependent children. HRA funds can only be used for eligible expenses that are incurred by the employee and dependent family members.

Key features of Health Reimbursement Arrangement

- Debit card access
- Funds carry over from one calendar year to the next as long as the employee is enrolled in a Gwinnett County medical plan
- No limit on annual carryover amount
- Expenses covered by HRA funds are determined by Internal Revenue Code 213(d)

Note: *If you have an HRA with a balance and enroll in the Aetna High Deductible Health Plan (HDHP), your HRA will be converted to a Limited Purpose HRA. This will allow you to contribute to a Health Savings Account (HSA). The Limited Purpose HRA can only be used for eligible Dental and Vision expenses until the HDHP deductible has been satisfied then the Limited Purpose HRA can be used to pay eligible health plan expenses.*

Shallbee Flexible Spending Health and Dependent Care Accounts

Flexible Spending Accounts

Health Care Accounts and Dependent Care Accounts are available.

A Flexible Spending Account (FSA) allows you to put aside money on a pre-tax basis. Money for your FSA is deducted prior to the calculation of federal, state, and Social Security taxes.

Health Care FSA

A Health Care FSA can be used to pay eligible health care expenses on a pre-tax basis. In 2017, the Health Care FSA maximum contribution per year is \$2,500 and is only available with Kaiser Gold and Silver Health Plans.

Eligible expenses include:

- Your out-of-pocket medical expenses (i.e., copays, deductibles, co-insurance)
- Covered dental care expenses
- Covered vision care expenses
- Hearing aids and examinations

Visit www.ConnectYourCare.com to see a complete list of available covered expenses.

Important Note:

- Flexible Spending Account elections do not carry over from year to year.
- You must actively enroll each year to participate.
- You must enter an annual amount on My GCHub in order to participate in an FSA. The annual amount is converted to a biweekly amount and will be deducted pre-tax from your paycheck.
- Funds that are not used for expenses incurred during 2016 will be forfeited. The deadline to file for reimbursement of a claim expense incurred in 2016 is March 31, 2017.
- Claims must be filed within 90 days after employment separation.
- Once the benefit is elected you cannot discontinue during the benefit year unless you experience a qualified life status change. (refer to the Summary Plan Document for qualified life status changes)

Due to tax regulations, Health Care FSA is not available to Aetna Gold and Silver high-deductible plan participants.

Dependent Day Care FSA

Eligibility requirement: Employee and spouse must be working, actively seeking employment, or a full-time student.

Eligible expenses include dependent care expenses for children under age 13 or other dependents (spouse, child, or parents) provided they are claimed as dependents on your tax return and/or they are mentally or physically unable to take care of themselves.

In 2017, Dependent Care has a maximum contribution of \$5,000, or \$2,500 if you're married and file separate income tax returns.

Use your Shallbee FSA Dependent Day Care Account to pay for eligible expenses.

Important Note:

- Your debit card cannot be used to pay for any Dependent Care expenses. Dependent Care expenses can be processed electronically online; see www.ConnectYourCare.com for claim filing details.

- Flexible Spending Account elections do not carry over from year to year.
- You must actively enroll each year to participate.
- You must enter an annual amount on My GCHub in order to participate in an FSA.
- Funds that are not used for expenses incurred during 2016 will be forfeited. The deadline to file for reimbursement of a claim expense incurred in 2016 is March 31, 2017.
- Claims must be filed within 90 days after employment separation, but must have occurred during the period of employment.
- Once the benefit is elected you cannot discontinue during the benefit year unless you experience a qualified life status change (refer to the Summary Plan Document for qualified life status changes).

Claim Substantiation Requirements

As you use your Shallbee Account, please be aware that in certain instances ConnectYourCare may require documentation to validate your purchase or payment as an approved expense under IRS guidelines. When you submit documentation to ConnectYourCare, an Explanation of Benefit (EOB) or a detailed receipt or statement that outlines the patient's name, the provider's name, address, date of service, type of service, and your financial responsibility is required to substantiate a claim. A register receipt from the provider is not a satisfactory form of documentation because it does not provide all of the necessary information.

ConnectYourCare will notify you by U.S. mail or email when documentation is required and your debit card will be suspended until you are able to provide the proper level of documentation. You will be asked to repay any amounts that cannot be documented or were for ineligible expenses. Remember to keep copies of your receipts.

2017 Short-Term Disability: MetLife

Gwinnett County is offering you the opportunity to purchase Short-Term Disability Insurance (STD) benefits that can help protect your family's financial well-being. You can purchase this coverage at economical group rates and pay through the convenience of payroll deduction.

STD is an important part of your group benefits package. If you're unable to work due to illness or injury (not work related), the program offers benefits equal to 60 percent of your earnings to a maximum weekly benefit of \$1,200.

In 2017, a new 15 day waiting period option will be offered. The 30 and 60-day waiting period options will continue to be available. The 90 day waiting period option will be discontinued.

If you are an employee who has not previously had the opportunity to enroll in STD or if you want to change your current STD plan in order to shorten the waiting period for benefits (e.g., from a current waiting period of 30 days to a waiting period of 15 days), You will have the opportunity to enroll without providing evidence of insurability. If you are enrolled in the 90-day waiting period option and wish to continue the STD plan you will have to elect a different waiting period option.

Option	Benefit
Option I	STD coverage commences on the 15th day of accident and the 15th day of sickness and is designed to continue for a period of 165 days.
Option II	STD coverage commences on the 30th day of accident and the 30th day of sickness and is designed to continue for a period of 150 days.
Option III	STD coverage commences on the 60th day of accident and the 60th day of sickness and is designed to continue for a period of 120 days.

Rates for STD plan options are based on salary and age. For plan rates, review your benefit confirmation statement.

Long-Term Disability

Gwinnett County provides active full-time employees working 30 hours or more with Long-Term Disability Insurance (LTD) coverage through MetLife. The LTD coverage is available to you at no cost. If you become disabled from a covered injury, sickness, or pregnancy and satisfy the 180 day waiting period, the plan will cover up to 60 percent of your regular monthly salary to a maximum of \$5,000. As an eligible employee, you do not have to enroll in LTD insurance. You are automatically covered.

2017 Life Insurance – Basic, Optional, and Dependent Life: MetLife

Basic life insurance coverage

Gwinnett County provides basic life insurance and accidental death and dismemberment insurance at no cost to you through MetLife. The amount provided is equal to three times your annual base salary, rounded to the next \$1,000, up to a maximum of \$300,000.

Basic life insurance pays your beneficiary in the event of your death while you are covered by the policy. As an eligible employee, you do not have to enroll in basic life insurance; you are automatically covered.

Your beneficiary information can be changed at any time. Annual Enrollment is an ideal opportunity to review the information for your life insurance and assure that the record accurately reflects your wishes for distribution of the benefit.

Optional (additional) life insurance coverage

First-time eligible employees can receive up to an additional \$250,000 in life insurance without providing evidence of insurability. After the initial eligibility period, you may increase the amount of your basic life insurance policy in increments of \$50,000, with the submission of evidence of insurability. The maximum amount you are allowed to carry is the lesser of \$500,000, or five times your annual base salary.

Your decision about enrolling in optional life insurance coverage will not impact the basic life insurance provided to you at no cost by Gwinnett County. This is simply an opportunity for you to increase the amount of the coverage.

Your optional life insurance election includes matching optional Accidental Death and Dismemberment coverage.

Rates for Optional Life Insurance options are based on salary and age. For plan rates, review your benefit confirmation statement.

Dependent life insurance

You may elect to carry life insurance on your spouse and/or children. The benefit available is \$20,000 for a spouse, \$10,000 per child.

Dependent Life Insurance	Bi-Weekly Premium	Monthly Premium
Spouse – \$20,000 Child – \$10,000	\$1.56	\$3.37

Allstate Supplemental Coverage

Allstate provides Accident, Critical Illness, Group Universal Life, and Hospital Indemnity plans. Visit www.Allstatevoluntary.com/gwinnettcounty for details on the plans and coverages.

Accidents happen. A missed step is all it takes.

If you had an accident, would you be prepared to pay the extra expenses related to your recovery? With Accident insurance from Allstate Benefits, you can get the coverage you need today to help protect you from tomorrow's unknown. This plan pays cash benefits to help you pay expenses such as copays and deductibles, or even rent and groceries. Plus, it works well with your major medical plan, helping close gaps in your coverage.

To file a claim, go to www.allstatebenefits.com/mybenefits:

- Sign up for access using the secure online registration process and create an online user ID and password
- Be prepared to provide your social security number, zip code, and date of birth

Critical Illness Coverage: It's likely you know someone affected by a critical illness

Critical Illness coverage provides a lump-sum cash benefit to help you cover the out-of-pocket expenses associated with a critical illness. No one knows what lies ahead on the road through life. Will you have to undergo an organ transplant or coronary artery bypass procedure? Will you suffer from a stroke or heart attack? The costs involved with these conditions could have a significant impact on hard-earned finances such as lost income, child care, travel expenses, prescription drugs, and mortgage payments. Critical Illness coverage from Allstate Benefits can help offer financial support in the event you are diagnosed. This coverage also pays a benefit for advanced Alzheimer's and Parkinson's disease, second time with a previously paid Initial Critical Illness Benefit, and more.

To file a claim, go to www.allstatebenefits.com/mybenefits:

- Sign up for access using the secure online registration process and create an online user ID and password
- Be prepared to provide your social security number, zip code, and date of birth

Group Universal Life

Life insurance coverage is for the living; those left behind must deal with final expenses, bills, mortgage, and expenses associated with day-to-day life. It can also help provide financial security during life-changing events that occur as you age and your needs change. Plus, fund value accumulation allows for loans and withdrawals when needed. This plan will provide you with permanent life insurance that will not increase when you retire or leave County employment.

To file a claim, go to www.allstatebenefits.com/mybenefits:

- Sign up for access using the secure online registration process and create an online user ID and password
- Be prepared to provide your social security number, zip code, and date of birth

Identity Theft Protection

Gwinnett County offers a new benefit that will provide you with help to protect your identity. You can enroll in the plan to cover yourself and family members. The entire cost of the program will be paid through employee payroll deductions. The identity (ID) theft protection will be provided by ID Watchdog.

The ID Watchdog Platinum Plan will provide you and family members with direct insight into the critical data associated with your identity to help you determine whether or not you have been a victim of identity theft. ID Watchdog will continually monitor billions of data points and provide alerts when new or updated information is detected.

ID Watchdog Platinum regularly monitors basic identity information associated with: Social Security numbers; address changes; non-credit loans; and illicit cyber sources which buy, trade, and distribute your personal data. ID Watchdog Platinum also monitors your Equifax, Experian, and TransUnion credit reports.

If you or covered family members become a victim of identity theft while under the protection of ID Watchdog Platinum, ID Watchdog's internal team of Certified Identity Theft Risk Management Specialists will work with you and on your behalf to ensure your identity is restored.

Payroll deduction per pay period:

- Employee Only \$4.13
- Family \$8.28

2017 EAP and Work-Life Services

Employee Assistance Program (EAP)

At no cost to the employee, active employees have access to the Gwinnett Employee Assistance Program (EAP) and Work-Life Services program administered by Humana. EAP offers short-term counseling up to four visits per issue per year to help you and members of your household manage everyday life issues.

As an added benefit, the Gwinnett Employee Wellness Center has an onsite Humana EAP counselor who can provide help or guidance with your particular situation. Contact Humana EAP at 1.855.330.2962 for an appointment with our onsite EAP counselor or speak with a telephonic counselor.

EAP professionals are available to assist you with:

- Everyday needs and life events
- Weight control
- Emotional issues
- Relationship concerns
- Coping with a serious illness

- Family relationships
- Sleeping difficulties
- Loss of a loved one
- Eating disorders
- Workplace concerns
- Smoking cessation

Work-Life Services

Work-Life offers extensive assistance, information, and support to help you achieve a better balance between work, life, and family to help make your life easier. You can access information and self-search locators to find resources and providers that can help you with the follow:

- Housing options
- Child care
- Financing college
- Adoption, pregnancy, and infertility
- Moving and relocation
- Caregiving from a distance
- Finding colleges and universities
- Adjusting to retirement
- Services and education for children
- Many other life situations

Legal and Financial Assistance

As part of the EAP, you also have access to a free 30-minute consultation with a local attorney or financial professional on issues such as real estate, retirement planning, divorce and separation, budgeting/debt reconstruction, and trusts and estates. Further legal and tax preparation services can then be accessed at a discount.

2017 Employee Health and Wellness Program

Health and Wellness Incentives

If you are enrolled in one of the Gwinnett County Gold or Silver medical plans, the program offers an opportunity to earn Health and Wellness Incentives to fund your Shallbee Health Savings Account (HSA) or Shallbee Health Reimbursement Arrangement (HRA) for participating in certain healthy activities.

Please review the 2017 Health and Wellness Program summary for more information about the activities that must be completed to fund the employee Shallbee account.

Biometric Screenings and Online Wellness Assessment

The gateway to the Gwinnett County Employee Health and Wellness Program Incentives begins with completing:

- A Biometric Screening – A biometric screening measures your current health status and will include measurements such as height, weight, and waist circumference, and lab testing for glucose and cholesterol. Screenings are offered at onsite locations or at the Gwinnett County Wellness Center. You can also go to your physician to complete this screening. A form is available at www.gcbewellbesafe.com.
- An Online Wellness Assessment – The Wellness Assessment is a personalized health assessment based on information you provide, coupled with the results of your Biometric Screening. To complete your portion of the Wellness Assessment, log in to www.gcbewellbesafe.com, and respond to the questionnaire. To access the Wellness Assessment, you must be a benefit-eligible employee.

By completing your Wellness Assessment and Biometric Screening in 2016, you will avoid the wellness opt-out surcharge of \$60 per month (or \$720 annually) in 2017, and you will earn an initial employer-funded contribution to your Shallbee HSA or HRA account (Get Started), depending on which medical plan you are enrolled.

- \$150 if not covering a spouse
- \$300 if covering a spouse

Beyond the initial contribution to your HSA or HRA, additional employer contributions can be earned by participating in certain wellness activities.

2017 Employee Health and Wellness Program *(continued)*

Annual Seasonal Flu Vaccines

Flu vaccines are provided annually for employees, retirees, and eligible dependents at the Gwinnett County Employee Wellness Center or at Flu Vaccine Clinics during flu season.

More Information

The County's Health and Wellness Program complies with HIPAA regulations, including the requirement to offer a reasonable alternative for activity-based incentive criteria. Please contact Human Resources, Benefits Division for more information.

Please refer to *GC Workplace* and www.gcbewellbesafe.com for further information about available Health and Wellness Program activities.

Financial incentives and other wellness programs currently available are subject to change or discontinuation at any time.

Tobacco-Free Medical Incentive Plan Rules

Purpose of Medical Incentive Plan

The intent of the *Medical Incentive Plan* is to encourage employees to make healthy lifestyle choices which contribute to healthier and more productive lives. The decision to provide medical premium reduction incentives to tobacco-free employees is based upon medical evidence that clearly indicates the cost of medical care for non-tobacco users is lower than the cost for tobacco users, and this is consistent with industry standards.

Gwinnett County defines tobacco use as smoking cigarettes, clove cigarettes, cigars, pipes, or using smokeless tobacco such as chewing tobacco or snuff. “Regular tobacco users” are individuals who have used tobacco products more than one time per month over the last 12 months.

If you are a regular tobacco user, your medical plan premiums will be subject to a \$60 per month surcharge.

During open enrollment you will be asked to answer the following:

The image shows a screenshot of a web form titled "Tobacco Usage". On the left side of the form, there is a yellow warning triangle icon with a black exclamation mark inside. To the right of the icon, the text "Do you use tobacco products?" is displayed. At the bottom right of the form, there are two buttons: "Yes" and "No".

By submitting a response to this question, each employee is certifying that the information provided is true and correct and that they understand providing false information is in direct violation of the *Gwinnett County Code of Ethics* and may result in termination of coverage and/or disciplinary action, up to and including termination of employment with Gwinnett County. Employees are only given the opportunity to make this election during a qualified enrollment period and will not be able to change this response at any other time during the plan year.

Gwinnett County's medical plan covers tobacco cessation programs, including nicotine replacement therapy, at no cost to members enrolled in one of the medical health plans offered. The County's tobacco surcharge program complies with HIPAA regulations, including the requirement to offer a reasonable alternative based on health status. Contact the Human Resources Department, Benefit Division at 770.822.7932 during annual enrollment to learn more.

Important Information for all Gwinnett County Employees

Please read the following documents carefully

Children's Health Insurance Program (CHIP)

Medicare Part D Creditable Coverage Notice

Medicaid and the Children's Health Insurance Program (CHIP)

Free or low-cost health coverage to eligible families and children

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are not currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1.877.KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1.866.444.EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2015. Contact your State for more information on eligibility:

Medicare Part D Creditable Coverage Notice

Important notice from Gwinnett County Board of Commissioners about your prescription drug coverage and Medicare. Please read this notice carefully and keep it in a place where you will be able to locate it. This notice has information about prescription drug coverage under the Kaiser Gold and Silver Plans and the Aetna Gold, Silver and Traditional plans.

Beginning January 1, 2006, Medicare prescription drug coverage was made available to everyone with Medicare. Health plans administering claim services on behalf of the Gwinnett County Board of Commissioners have determined that the prescription drug coverage offered by the Kaiser and Aetna, the prescription drug vendor for the Kaiser and the Aetna plans is on average, for all plan participants, expected to cover/pay as much as standard Medicare prescription drug coverage.

Note: Read this notice carefully. It explains the options you have under Medicare prescription drug coverage.

Because the Gwinnett County prescription drug coverage for the Kaiser and Aetna medical programs is, on average, as good as standard Medicare prescription drug coverage, you may keep Gwinnett County health plan coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

If you decide to enroll in a Medicare prescription drug plan, you will not be eligible for Gwinnett County prescription drug coverage through the Gwinnett County Board of Commissioners health plans.

If you drop your Gwinnett County coverage and enroll in a Medicare prescription drug plan, you may not be able to re-enroll in Gwinnett County coverage later. Compare your current coverage, including which specific drugs are covered, with the coverage and cost of plans offering Medicare prescription drug benefits.

You should also know that if you drop or lose your coverage with Gwinnett County and fail to enroll in Medicare prescription drug coverage when your current coverage ends, you may pay more to enroll in Medicare prescription drug coverage at a later date.

Note: You may receive this notice at other times in the future. You may also request a copy from the Gwinnett County Department of Human Resources.
