

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-370-4526 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: EE Only \$1,600; EE+ Family: Individual \$1,600/ Family \$3,200. Out-of-Network: EE Only \$3,200; EE+ Family: Individual \$3,200/ Family \$6,400.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. The family deductible is cumulative for all family members. The family deductible can be met by a combination of family members; however, no single individual within the family will be subject to more than the individual deductible.
Are there services covered before you meet your deductible?	Yes. In-network office visits, prescription drugs & preventive care are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	In-Network: EE Only \$4,200; EE+ Family: Individual \$4,200/ Family \$8,400. Out-of-Network: EE Only \$8,400; EE+ Family: Individual \$8,400/ Family \$16,800.	The out-of-pocket limit is the most you could pay in a year for covered services before the plan begins to pay 100%. The family out-of-pocket limit is cumulative for all family members. The family out-of-pocket limit can be met by a combination of family members; however, no single individual within the family will be subject to more than the individual out-of-pocket limit.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover & penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.aetna.com/docfind or call 1-800-370-4526 for a list of in-network providers.	This plan uses a provider network. You pay less if you use a provider in the plan's network. You pay more if you use an out-of-network provider, and you may receive a bill for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
