Important Information

If the following text regarding “If Cigna determines...required to pay.” is included in your **Important Information** section of your certificate, it does not apply to you.

Coupons, Incentives and Other Communications

If Cigna determines that a Pharmacy, pharmaceutical manufacturer or other third party is or has waived, reduced, or forgiven any portion of the charges and/or any portion of Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for a Prescription Drug Product without Cigna’s express consent, then Cigna in its sole discretion shall have the right to deny the payment of plan benefits in connection with the Prescription Drug Product, or reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the Pharmacy, pharmaceutical manufacturer or other third party represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by the plan.

For example, if you use a coupon provided by a pharmaceutical manufacturer or other third party that discounts the cost of a Prescription Drug Product, Cigna may, in its sole discretion, reduce the benefits provided under the plan in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts to which the value of the coupon has been applied by the Pharmacy or other third party, and/or exclude from accumulation toward any plan Deductible or Out-of-Pocket Maximum the value of any coupon applied to any Copayment, Deductible and/or Coinsurance you are required to pay.

Covered Dental Expense means that portion of a Dentist's or Independent Practice Dental Hygienist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist or Independent Practice Dental Hygienist;
- is essential for the Necessary care of teeth;

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's or Independent Practice Dental Hygienist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Eligibility for coverage will not be denied on the grounds that the child: was born out of wedlock; is not claimed as a dependent on the Employee's federal income tax return; or does not reside with the Employee or within the plan's service area; or is receiving benefits or is eligible to receive benefits under the Maryland Medical Assistance Program.

Continuity of Care Notice

You have special rights in Maryland when You are a new enrollee and may be moving from Maryland Medical Assistance or another company's dental plan to Cigna Health and Life Insurance Company coverage and if You currently are receiving treatment.

Right to use non-network providers. If You have been receiving services from a health care provider, and that provider is a non-network provider under Your new health plan with Us, You may be able to continue to see Your provider as though the provider were an in-network provider. You or Your parent, guardian, designee, or health care provider may also contact Us on Your behalf at 1-800-Cigna24 to request the right to continue to see the non-network provider as if the provider were an in-network provider with Us.

This right applies only if You are being treated by the non-network provider for covered services for one or more of the following types of conditions:

- Acute dental conditions;
- Serious chronic dental conditions;
- Any other condition upon which we and the out-of-network provider agree.
- Any other condition on which the Non-Participating provider and the receiving carrier or managed care organization reach agreement

There is a time limit for how long You can continue to see a non-network provider and only need to pay cost-sharing as though the provider were an in-network provider. For all conditions the time limit is 90 days or until the course of treatment is completed, whichever is sooner. The 90-day limit is measured from the date your coverage starts under the new plan.

You or Your representative need to contact Us so that We can pay Your claim as if You are still receiving care from a network dentist. If the non-network Dentist accepts Cigna's rate of payment, the Dentist is only permitted to bill You for the in-network cost-sharing amounts that apply to the service, such as copayments, coinsurance and deductible.

If the non-network dentist will not accept Cigna's rate of payment, the dentist may decide not to provide services to You, or may continue to provide services to You and bill You

not only for any Copayment, Coinsurance or Deductible that applies, but also bill You for the difference between the Dentist's fee and the allowable charge determined by Us.

If You have any questions please contact us at 1-800-Cigna24.

- begins before the date coverage terminates; and
- requires two or more visits on separate days to a Dentist's office.

If the plan covers orthodontia, benefits will be extended for 60 days after the date coverage terminates if the orthodontist has agreed to or is receiving monthly payments; or until the later of 60 days after the date coverage terminates or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

Eligibility - Effective Date

Effective Date of Dependent Insurance

Insurance for Your Dependents will become effective on the date You elect it, by signing a written agreement with the Employer Policyholder to make the required contribution, but no earlier than the day You become eligible for Dependent Insurance. All of Your Dependents as defined will be included.

Your Dependents will be insured only if You are insured.

Enrollment of Your child may not be denied by Us under Your dental insurance for the following reasons, that Your child:

- was born out of wedlock;
- is not claimed as a Dependent on Your federal income tax return; or
- does not reside:
 - with You; or
 - in Our service area; or
- is receiving benefits or is eligible to receive benefits under the Maryland Medical Assistance Program.

If You are required under an order to provide dental insurance coverage for Your child and You are eligible for Dependent dental insurance:

- regardless of enrollment period restrictions, We will allow the insured to enroll in Dependent coverage and include the insured's child in that coverage specified in the enrollment form;
- if the insured is enrolled in dental insurance but does not include their child in the enrollment, We will allow either the noninsuring parent, the Child Support Enforcement Agency, or the Department of Health to apply for the enrollment on behalf of such child and include such child in dental insurance under the enrollment regardless of enrollment period restrictions; and
- We may not disenroll or eliminate dental insurance for the child, unless written evidence is provided to Us that:
 - the order is no longer in effect;
 - the child has been or will be enrolled under other reasonable dental insurance which will take effect no later than the effective date of the disenrollment;
 - the Employer has eliminated Dependent dental insurance from the plan for all Employees; or
 - the Employer no longer employs the parent under whose name the child has been enrolled for coverage except to the extent that if the parent elects to exercise the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) then the dental insurance coverage must be provided for the child consistent with the Employer's plan relating to post-employment dental insurance coverage for Dependents.
- For a child who has dental insurance through Us which insures the insured parent, We will:
 - provide membership cards to the noninsuring parent;
 - provide the claim forms to the noninsuring parent;
 - provide any other information necessary for the child to obtain benefits through the dental coverage, to the noninsuring parent; and
 - process the claim forms and make appropriate payment to the noninsuring parent, the dental provider, or the Department of Health when the noninsuring parent has incurred dental expenses relating to the dental care provided to the dependent child.

Termination Of Insurance

Employees and Dependents

Special Continuation of Dental Insurance

If your Dental Insurance would otherwise cease because of a reduction in the number of hours you work or your termination of employment for any reason other than gross misconduct, you may continue the insurance by paying the required premium to the Employer. The insurance may be continued until the earliest of:

- 18 months from the date your Active Service ends;
- the last day for which you have paid the required premium;
- the date you become eligible for insurance under another group policy for dental benefits, including Medicare, unless you have a pre-existing condition for which the new policy limits coverage, in which case coverage under this Plan will continue until the pre-existing condition limitation has been satisfied, unless coverage under this Plan otherwise ends in accordance with this section;
- the date the policy cancels.

The Employer will notify you of your right to elect such continuation.

You must elect to continue insurance within 60 days of the later of:

- the date notice of the right to continue insurance is received; or
- the date the insurance would otherwise cease.

If your insurance is being continued, as outlined above, the insurance for any of your Dependents insured on the date your insurance would otherwise cease may be continued, subject to the above provisions. The insurance will continue until the earlier of:

- the date your insurance ceases; or
- with respect to any one Dependent, the date that Dependent no longer qualifies as a Dependent.

When this Special Provision ceases, the provisions of the "Dental Conversion Privilege" section will apply for your Dependents.

For Dependents of Deceased Employee

If you die while insured for your Dependents, the insurance for your Dependents will be continued in accordance with the "Dependent Dental Insurance After Your Death" provision.

However, if the Dependents elect to continue the insurance beyond the last day of the "Dependent Dental Insurance After Your Death" provision, they must notify the Employer within 90 days of your death and pay the required premium. Such continued insurance will cease on the earliest date below:

- the date coverage ends due to the Dependents' failure to make payment of the required premium;
- the date the insurance for your Dependents would have ceased if you had not died;
- the date the Dependent ceases to qualify as a Dependent, except as provided in the "Continuation for Dependent Children" provision;
- the date the Dependent becomes insured under another group health plan, including Medicare, except as provided in the "Continuation for Dependent Children" provision;
- the date the policy cancels.

Dependent Insurance After Divorce or Legal Separation

The Dental Expense Insurance for:

- your insured spouse; and
- any insured child who would cease to qualify as your Dependent as a result of your divorce or legal separation;
- may be continued, with premium payment, if you are required by decree to provide continued Dental Expense Insurance for them. However, the insurance on those Dependents will cease on the earliest date below:
 - the date coverage ends due to your failure to make payment of the required premium;
 - the date your insurance ceases;
 - the date your Dependent ceases to qualify as a Dependent, other than due to the spouse's remarriage;
 - the date Dependent Insurance is canceled.

To have Dependent Dental Insurance continued, you must notify the Employer of the decree and pay any required contribution to the Employer within 30 days after the Dependent Dental Insurance would otherwise cease.

If you die, any other terms which continue Dependent Dental Insurance after your death will apply.

The Continuation for Dependent Children provision and Dental Conversion Privilege will be available when this Dependent Dental Insurance ceases.

Reinstatement of Insurance

If your coverage ceases because of active duty in: the armed forces of the United States, or the National Guard, the insurance for you and your Dependents will be reinstated after your deactivation, provided that:

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah

becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

You must be a Utah resident.

You must have insurance coverage under an individual or group policy.

POLICIES COVERED

ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's guaranty association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefits plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of ULHIGA, including health plans, fraternal benefits societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 - whichever is lower. Other caps also apply:

\$200,000 in net cash surrender values.

\$500,000 in life insurance death benefits (including cash surrender values).

\$500,000 in health insurance benefits.

\$200,000 in annuity benefits - if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.

\$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).

Interest rates on some policies may be adjusted downward.

Important Notices

Notice regarding Coordination of Benefits

If you are covered by more than one health benefit plan, and you do not know which is your primary plan, you or your provider should contact any one of the health plans to verify which plan is primary. The health plan you contact is responsible for working with the other plan to determine which is primary and will let you know within thirty calendar days.

CAUTION: All health plans have timely claim filing requirements. If you or your provider fail to submit your claim to a secondary health plan within that plan's claim filing time limit, the plan can deny the claim. If you experience delays in the processing of your claim by the primary health plan, you or your provider will need to submit your claim to the secondary health plan within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claims processing, if you are covered by more than one plan you should promptly report to your providers and plans any changes in your coverage.

Dependent Insurance

Dental Insurance – Newborn, Adoptive Children, Court Ordered Coverage Newborns

Any Dependent child born while you are insured will become insured on the date of his birth if you elect Dependent Insurance no later than 31 days after his birth. If payment of an additional premium is required to provide coverage for a child, to continue coverage beyond 31 days, you must elect Dependent Insurance for your newborn child within the 60 day enrollment period which begins on the first day of birth. If Dependent Insurance is not elected within the 60 day enrollment period, you may be required to wait until the next plan enrollment period to enroll the child for coverage under the plan. Coverage shall include, but not be limited to, coverage for congenital anomalies of such infant children from the moment of birth.

Adoptive children are covered from the date the obligation for total or partial support begins. Waiting periods do not apply to these categories of Dependents.

A Dependent child for whom you are required by a court or administrative order to provide coverage may be enrolled at any time and is not subject to any restrictions. Application for enrollment must be accepted if presented by the Employee, the child's other parent or the state agency responsible for enforcement. An eligible child cannot be terminated from coverage until the insurer receives satisfactory written evidence that the court order is no longer in effect or the child is enrolled in another plan with comparable coverage that takes effect not later than the effective date of disenrollment.

Coverage may not be denied on the grounds that: the child was born out of wedlock; the child is not claimed as a Dependent on the Employee's federal tax return; or the child does not reside with the Employee or in the plan's service area. The insurer must provide to the custodial parent all information necessary for the child to become enrolled. Claims must be accepted from the custodial parent, the provider or the state

agency without approval of the noncustodial and payment must be made to the person submitting the claim.
