CODE ENFORCEMENT

Enhance your living environment

Gwinnett County is committed to upholding the interior standards of the International Property Maintenance Code at residential rental properties. If your rental home is damaged, improperly maintained, unsanitary, or unsafe, you may request an inspection by emailing CodeEnforcement@GwinnettCounty.com, visiting GwinnettZIP.com, or calling 770.513.5004.

Once a request is submitted, an inspection appointment will be scheduled. During the inspection, any code violations will be documented on a notice of violation. A Gwinnett Code Enforcement officer will then work with the property owner or manager to address all violations. For a list of common [interior code violations](#), visit GwinnettCodeEnforcement.com.

GWINNETT CLEAN & BEAUTIFUL

Gwinnett adds 10 new glass recycling sites

Residents now have access to 10 more glass recycling sites countywide, bringing the total number of locations to 13. The County's glass recycling program allows for safe and sustainable recycling, where residents can bring clean, empty glass containers. The newest locations are in addition to the first three at OneStop Norcross, Pinckneyville Park in Norcross, and E.E. Robinson Park in Sugar Hill.

To learn more and find a purple glass recycling container near you, visit GwinnettCounty.com/GlassRecycling.

Recycle your used items for Earth Day

Have some hard-to-recycle items? Join us – rain or shine – at Gwinnett's annual Earth Day recycling event on Saturday, April 27 from 9:00am to noon at Coolray Field in Lawrenceville. Each year, Gwinnett Solid Waste Management and Gwinnett Clean & Beautiful join the global community to celebrate Earth Day. Drop off items that are typically more difficult to recycle, such as electronics, latex and oil-based paints, tires, paper, and clothing.

Volunteers will remove items from disposable containers in your vehicle's trunk or back seat. For a list of acceptable items and more details, visit GCSolidWaste.com.
