## Walk Georgia increases physical activity for individuals or teams

Take a virtual walk across the state by signing up for the University of Georgia Cooperative Extension Service's Walk Georgia program. Walk Georgia is a 12-week program beginning February 1 that helps you increase physical activity and develop more active habits. Sign up through March 10 and report everything that gets you moving. You can include anything from a walk around the block, gardening, or playing a game of pick-up basketball.

Logging all your activities adds up the miles, allowing you to chart a virtual course across Georgia and learn facts about the state's 159 counties. The program is completely free and you may register as an individual or a four-person team. Either way, you'll have fun as you get fit! Go to [www.walkgeorgia.org](http://www.walkgeorgia.org) to get started.

## Human Trafficking Forums hosted by Gwinnett Human Relations Commission

The Gwinnett Human Relations Commission will present a series of forums to raise awareness of human trafficking and how the community can help. Attendees will understand what human trafficking is, how to identify it, its underlying causes, how to report it, and learn how other agencies intervene and rescue victims.

The commission plans to host four forums, one in each commission district. The first will be held Thursday, February 27 from 7:00pm to 9:30pm at St. Patrick's Catholic Church, located at 2140 Beaver Ruin Road in Norcross. For more information about this event or to register, please send an email to [hrc@gwinnettcounty.com](mailto:hrc@gwinnettcounty.com). Please include Human Trafficking Forums as the email subject.

### Get married or renew your vows this Valentine's Day

Celebrate this Valentine's Day by joining other couples at the Gwinnett Historic Courthouse on Friday, February 14 from 10:00am to 4:00pm in the old Justice of the Peace Office (Rooms 103 and 104) where Magistrate Court and Probate Court judges will perform Valentine's Day wedding ceremonies or perform special ceremonies to renew wedding vows.

Couples who are getting married must obtain a valid marriage license prior to February 14 and bring the original marriage license to the ceremony; you will not be able to obtain a license at the historic courthouse. Contact Probate Court at 770.822.8250 for information on obtaining your marriage license. Couples who are renewing their wedding vows do not need to bring a copy of their wedding license. All services are free and no appointment is necessary.
