Gwinnett County Government hosts many events, classes, and workshops for its residents. See these great events and more at www.gwinnettcountryevents.com.

This Week

Inclement weather caused delays and cancellations

As you may well know, this week's winter weather caused many scheduled events to be cancelled. Thank you to all residents for staying off the roads during this winter weather event. Your cooperation allowed transportation crews to clear major arterials, bridges, and collector streets that in turn helped public safety personnel reach residents with emergencies.

Trash and recycling collection resumes

Trash collection resumed today for those customers whose normal collection day is Friday. If your trash and recycling was not collected this week, your hauler will collect your items, including any overages, next week on your regularly scheduled day. If you have any questions, contact the Solid Waste and Recovered Materials Call Center by telephone at 770.822.7141 or by email at gcsolidwaste@gwinnettcountry.com. Gwinnett residents who live inside city limits should check with their city for the status of their trash service.

Next Week

Presidents' Day Holiday closures

All Gwinnett County government offices, with the exception of those operations required for the comfort and safety of the residents of the county will be closed on Monday, February 17 for the Presidents' Day holiday and reopen Tuesday, February 18. Presidents' Day is not a trash holiday for unincorporated Gwinnett County. If your normal collection day is Monday, your collection will take place as scheduled. Gwinnett residents who live inside city limits should check with their city for the status of their trash service.
