Share your ideas at a Transit Review Committee meeting

With Gwinnett County expected to continue rapid growth through 2040 and beyond, the need for a robust transit system will become even more critical. That's why the Board of Commissioners established the Gwinnett Transit Review Committee earlier this year to analyze Gwinnett's needs and recommend ways to address those needs.

The committee, made up of 13 residents representing different walks of life, is weighing different transit scenarios as they try to balance cost, coverage, and service with combinations of heavy rail, bus rapid transit, buses, and vans. When they're finished, the Transit Review Committee will make recommendations to the Board of Commissioners. The next TRC meeting will be **January 11** at 9:00am in the breezeway of the Gwinnett Justice and Administration Center, Other meetings are set for 6:00pm **January 16** and **January 27** at GJAC at Conference Room C. Meeting notices, agendas, minutes, and other information are available [here](#).
