### Six residents serving on 2016 budget review team

Six Gwinnett residents have volunteered to help Chairman Charlotte Nash on the budget review team setting priorities and making recommendations for the 2017 proposed budget. The members are Lisa Bursleson, David Cuffie, Norwood Davis, Kevin Do, Burt Manning, and Santiago Marquez. Bursleson, Manning, and Marquez are returning for another year of service. Cuffie, new to the review team, is CEO of Total Vision Consulting LLC. Also serving his first year on the budget team, Do is a realtor with ReMax Grand South and a volunteer with the Vietnamese American Community of Georgia. Davis, who last served on the budget review team three years ago, is CFO of 12Stone Church. Bursleson is a retired district level administrator from Gwinnett County Public Schools, Manning is a retired real estate appraiser and assessment administrator, and Marquez is CFO/VP of the Georgia Hispanic Chamber of Commerce.

County departments and agencies present their business plans and financial resource requests to the review team in late summer each year. Presentations began on Monday, August 29 and are available to the public on the TVgwinnett government-access cable television channel and on demand at [www.tvgwinnett.com](http://www.tvgwinnett.com).

### Commissioners approve SPLOST transportation projects

The Gwinnett County Board of Commissioners approved a contract to build sidewalk on Killian Hill from Sandra Drive to Nantucket Drive near Trickum Middle School. The project will install just over a mile of sidewalk, curb, and gutter and drainage improvements on the north side of Killian Hill Road. The project is funded by the 2009 SPLOST program.

In addition, the board also voted to accept a \$2 million state grant to fund right-of-way acquisition for a new interchange on Interstate 85 at Gravel Springs Road. A combination of federal, state, and SPLOST funds will be used to achieve the project and is estimated to cost \$19.5 million to complete.
