## THERAPEUTIC RECREATION

Gwinnett County Parks & Recreation believes ALL members of the community should have access to fun, healthy, positive recreation. Therapeutic Recreation offers specialized and inclusive community-based programs for individuals with special needs. We seek to provide residents who have physical, economic and or behavioral challenges the opportunity to participate in competitive sporting events, specialized classes, creative activities and special events.

Therapeutic Recreation exposes participants to new experiences to increase self-esteem and self-confidence and to promote community involvement and independence. That's what Therapeutic Recreation is all about! For more information on Therapeutic Recreation, email [cstr@gwinnettcountry.com](mailto:cstr@gwinnettcountry.com). For specific accommodations or questions, please contact Janice Rinaldo at [janice.rinaldo@gwinnettcountry.com](mailto:janice.rinaldo@gwinnettcountry.com) or call 678.277.0907.

**Specialized Programs** are open to everyone, but are designed to meet the unique needs of individuals with physical, mental and/or emotional disabilities. Programs include sporting activities, adaptive aquatics, arts & crafts and much more!

**Inclusive Programs** provide reasonable accommodations to people with disabilities upon request. Successful participation and accommodations will only be possible with the commitment of both the recreation staff and the participants. A reasonable accommodation is assistance provided to aid individuals with disabilities with their participation. Some minimum eligibility requirements may be required in order to participate. With a reasonable accommodation, an individual can meet the basic need or essential requirements for participation.

Participants are asked to notify the recreation department regarding any and all accommodations necessary for participation at least two weeks prior to the program start date. If accommodation requests are made less than two weeks in advance, Gwinnett County Parks & Recreation will make every effort to meet the request. If we are unable to meet the request in time, Gwinnett County Parks & Recreation reserves the right to limit or deny registration for the requested session. However, the participant will be eligible to register for another program later in the session. Visit [www.gwinnettparks.com](http://www.gwinnettparks.com) for more information on Therapeutic Recreation.

**Volunteer Opportunities** are available for special needs youth and adult therapeutic recreation programs, park landscaping and park improvement projects. If you are interested in volunteering with Therapeutic Recreation, contact Janice Rinaldo at 678.277.0900 or [janice.rinaldo@gwinnettcountry.com](mailto:janice.rinaldo@gwinnettcountry.com).

### ART SHOW

#### July 31 – October 12 • Southern Colors Art Association Show “Favorite Places/Favorite Things”

Southern Colors Art Association is an active group of Georgia artists who met through a mutual interest in art. From just two artists painting together in 1995, they have evolved to a larger group that now meets weekly at Kudzu Art Zone in Norcross. Member artists paint a variety of mediums and many styles, each contributing their own unique creative ability to the group. The exhibition will feature different theme paintings in various mediums, such as, oil, pastel, acrylic and watercolor; chosen by each artist.

#### October 16 – January 4 • Karen Burnette Garner Show “There and Back Again”

For over thirty years, Gwinnett artist Karen Burnette Garner has created original work that has been widely collected and admired. Over 1,400 of her low country landscapes grace the homes and businesses of Charleston, SC alone. Her first formal art classes were at Pinckneyville Arts Center and this exhibit will reflect how far she has come since those early days. The show will include landscape and floral paintings in oil, acrylic, and encaustic media.

After the Loveless brothers ran the mill, W. Scott Freeman and his son, Winfield, owned it until it was purchased in 1915 by Newt Pharr. By 1996, it was said to be one of only 15 mills in the state in working order and the only one in Gwinnett County. The county purchased the mill from the Pharr family in 2001 and in 2009 restored the mill and surrounding 12 acres for education and recreational use.

This former cotton farm is relatively unchanged since its drawing in the 1820 land lottery. In the early 1900's, it was a thriving farm. In later years the farm housed sharecroppers and experienced the struggles of the Great Depression and the boll weevil. This story comes to life in the property's original barn, well house, chicken coup, blacksmith shed and restored tenant farmer house.
