

## OFFICIAL NOTICE

(effective 8/2/2019)

---

**TO:** Contractors, Homeowners, and Developers

**SUBJECT:** Erosion Control & Solid Waste Management Affidavit Eliminated from All Permit Applications

**DATE:** August 16, 2019

Due to changes in departmental procedure, the Department of Planning and Development no longer requires the **Erosion & Sediment Control & Solid Waste Management Affidavit** to be submitted for building and development permits applied for on or after 8/2/2019.

For questions, contact Building Permits staff at 678.518.6020 regarding building permits and Development Review staff at 678.518.6000 regarding development permits.
