REZONING APPLICANT'S RESPONSE
STANDARDS GOVERNING THE EXERCISE OF THE ZONING POWER

PURSUANT TO SECTION 1702 OF THE 1985 ZONING RESOLUTION, THE BOARD OF COMMISSIONERS FINDS THAT THE FOLLOWING STANDARDS ARE RELEVANT IN BALANCING THE INTEREST IN PROMOTING THE PUBLIC HEALTH, SAFETY, MORALITY OR GENERAL WELFARE AGAINST THE RIGHT TO THE UNRESTRICTED USE OF PROPERTY AND SHALL GOVERN THE EXERCISE OF THE ZONING POWER.

PLEASE RESPOND TO THE FOLLOWING STANDARDS IN THE SPACE PROVIDED OR USE AN ATTACHMENT AS NECESSARY:

- (A) WHETHER A PROPOSED REZONING WILL PERMIT A USE THAT IS SUITABLE IN VIEW OF THE USE AND DEVELOPMENT OF ADJACENT AND NEARBY PROPERTY:

YES. MEETS THE LAND USE PLAN & IS CONSISTENT WITH ADJACENT ZONINGS.

- (B) WHETHER A PROPOSED REZONING WILL ADVERSELY AFFECT THE EXISTING USE OR USABILITY OF ADJACENT OR NEARBY PROPERTY:

NO. ADJACENT PROPERTY OWNER IS SELLING THE OUT PARCEL & IS IN AGREEMENT WITH INTENT OF ZONING.

- (C) WHETHER THE PROPERTY TO BE AFFECTED BY A PROPOSED REZONING HAS REASONABLE ECONOMIC USE AS CURRENTLY ZONED:

NO. CURRENT ZONING IS RA-200. HIGHEST & BEST USE FOR PROPERTY IS FOR COMMERCIAL DEVELOPMENT.

- (D) WHETHER THE PROPOSED REZONING WILL RESULT IN A USE WHICH WILL OR COULD CAUSE AN EXCESSIVE OR BURDENSOME USE OF EXISTING STREETS, TRANSPORTATION FACILITIES, UTILITIES, OR SCHOOLS:

NO. PROPERTY IS ON THE CORNER OF A MAJOR ARTERIAL & A MINOR COLLECTOR. THE COUNTY HAS ONGOING PLANS TO ENHANCE HAMILTON MILL ROAD.

- (E) WHETHER THE PROPOSED REZONING IS IN CONFORMITY WITH THE POLICY AND INTENT OF THE LAND USE PLAN:

YES.

- (F) WHETHER THERE ARE OTHER EXISTING OR CHANGING CONDITIONS AFFECTING THE USE AND DEVELOPMENT OF THE PROPERTY WHICH GIVE SUPPORTING GROUNDS FOR EITHER APPROVAL OR DISAPPROVAL OF THE PROPOSED REZONING:

YES. BASED ON ROAD IMPROVEMENTS & C-1 ZONING ACROSS THE STREET. THE SELLER OF THE PROPERTY IS SUPPORTIVE OF REZONING.

Attn: Geoff West

RE: Rezoning Request –
Dairy Queen Site
Client: Sadiq Pathrawala and Asfak Momin
Parcel: 1-1-452

To Whom it May Concern;

Our Clients, Mr. Pathrawala and Mr. Momin, is seeking to rezone the site on the NW corner of the intersection of Puckett's Mill Road and Hamilton Mill Road, from its current zoning of RA-200 to C1. Further, because the intended use is for a fast food restaurant, they also seek a Special Use Permit (SUP)

Property Info:

The tract being rezoned is 1.65 acres, and is being cut out of a tract owned by the Troy Burel Estate. The parent tract is 8.61 acres. The Burel estate wishes to sell to our clients the corner portion of their site; however they do not intend to rezone the balance of the property at this time. The clients intend to build a Dairy Queen Grill and Chill Restaurant on the tract.

Official Request:

The request is to rezone to C1 with a SUP. Further, the applicants would like to request a reduction in the zoning buffer down to a 20-foot landscape strip.

Reason / Justification for the Requests:

Per the County Zoning Ordinance, this business use may be suited for either C1 with Special Use Permit, or C2. It was our opinion that since the immediately adjacent properties was C1 with SUP (Exxon C-Store, Sherwin Williams / O'Reilly Auto Parts), C1-SUP was the correct request. And, the property owners who are selling the property are in agreement with the use and they are the remaining surrounding entity.

The typical objections to any rezoning seem to be traffic, and schools. The Dairy Queen will not affect schools. And Hamilton Mill Road is slated for some major road improvements (5 lane road section, and the realignment of the Puckett's Mill Road intersection).

The reason for the buffer reduction: A – the seller is in agreement with the plan to build the DQ site and retain the balance of the property. The purpose of the buffer is to protect his property from the commercial development. Our client and the seller are in agreement of the 20-foot buffer reduction. The reason for the landscape strip versus buffer – buffer implies undisturbed. We are working in a pasture area and have some amount of site improvements that may go over into that "strip" which we can then replant in the landscape portion of the project,

To REITERATE by Response Narrative:

- a. It is our opinion that the zoning request is a good fit for the area, and the property has no real value in its current zoning.
- b. Traffic issues on Hamilton Mill are being addressed presently by Gwinnett County, and ultimately should not be hindered by this rezoning change.
- c. The rezoning is in conformity with the Long Range Plan. It is at an intersection in a commercial corridor, across the street from current C1-SUP zoning.
- d. The property sellers, though retaining RA-200 zoning on the parent tract, are in agreement with the requested zoning and buffer reductions.

Thank you for consideration to allow Mr. Pathrawala and Mr. Momin to build a Dairy Queen at this Hamilton Mill / Puckett's Mill location.

RE: Rezoning Request –
Dairy Queen Site
Client: Sadiq Pathrawala and Asfak Momin
Parcel: 1-1-452

To Whom it May Concern;

Our Clients, Mr. Pathrawala and Mr. Momin, is seeking to rezone the site on the NW corner of the intersection of Puckett's Mill Road and Hamilton Mill Road, from its current zoning of RA-200 to C1. Further, because the intended use is for a fast food restaurant, they also seek a Special Use Permit (SUP)

Property Info:

The tract being rezoned is 1.65 acres, and is being cut out of a tract owned by the Troy Burel Estate. The parent tract is 8.61 acres. The Burel estate wishes to sell to our clients the corner portion of their site; however they do not intend to rezone the balance of the property at this time. The clients intend to build a Dairy Queen Grill and Chill Restaurant on the tract.

Official Request:

The request is to rezone to C1 with a SUP. Further, the applicants would like to request a reduction in the zoning buffer down to a 20-foot landscape strip.

Reason / Justification for the Requests:

Per the County Zoning Ordinance, this business use may be suited for either C1 with Special Use Permit, or C2. It was our opinion that since the immediately adjacent properties was C1 with SUP (Exxon C-Store, Sherwin Williams / O'Reilly Auto Parts), C1-SUP was the correct request. And, the property owners who are selling the property are in agreement with the use and they are the remaining surrounding entity.

The typical objections to any rezoning seem to be traffic, and schools. The Dairy Queen will not affect schools. And Hamilton Mill Road is slated for some major road improvements (5 lane road section, and the realignment of the Puckett's Mill Road intersection).

The reason for the buffer reduction: A – the seller is in agreement with the plan to build the DQ site and retain the balance of the property. The purpose of the buffer is to protect his property from the commercial development. Our client and the seller are in agreement of the 20-foot buffer reduction. The reason for the landscape strip versus buffer – buffer implies undisturbed. We are working in a pasture area and have some amount of site improvements that may go over into that "strip" which we can then replant in the landscape portion of the project,

Planning & Development

To REITERATE by Response Narrative:

- a. It is our opinion that the zoning request is a good fit for the area, and the property has no real value in its current zoning.
- b. Traffic issues on Hamilton Mill are being addressed presently by Gwinnett County, and ultimately should not be hindered by this rezoning change.
- c. The rezoning is in conformity with the Long Range Plan. It is at an intersection in a commercial corridor, across the street from current C1-SUP zoning.
- d. The property sellers, though retaining RA-200 zoning on the parent tract, are in agreement with the requested zoning and buffer reductions.

Thank you for consideration to allow Mr. Pathrawala and Mr. Momin to build a Dairy Queen at this Hamilton Mill / Puckett's Mill location.
