**REZONING APPLICANT'S RESPONSE**  
**STANDARDS GOVERNING THE EXERCISE OF THE ZONING POWER**

PURSUANT TO SECTION 1702 OF THE 1985 ZONING RESOLUTION, THE BOARD OF COMMISSIONERS FINDS THAT THE FOLLOWING STANDARDS ARE RELEVANT IN BALANCING THE INTEREST IN PROMOTING THE PUBLIC HEALTH, SAFETY, MORALITY OR GENERAL WELFARE AGAINST THE RIGHT TO THE UNRESTRICTED USE OF PROPERTY AND SHALL GOVERN THE EXERCISE OF THE ZONING POWER.

PLEASE RESPOND TO THE FOLLOWING STANDARDS IN THE SPACE PROVIDED OR USE AN ATTACHMENT AS NECESSARY:

(A) WHETHER A PROPOSED REZONING (OR SPECIAL USE PERMIT ) WILI PERMIT USE THAT IS SUITABLE IN VIEW OF THE USE AND DEVELOPMENT OF ADJACENT AND NEARBY PROPERTY:

**Residential landuses surround the area to include subdivisions and single family lot homes. An existing subdivsion zoned R-75 CSO is located on the eastern side of the subject property. The proposed character and scale of the planned residential community will compliment the surrounding area.**

(B) WHETHER A PROPOSED REZONING (OR SPECIAL USE PERMIT) WILL ADVERSELY AFFECT THE EXISTING USE OR USABILITY OF ADJACENT OR NEARBY PROPERTY:

**Development of the site as a residential community will be consistent with the surrounding landuses.**

(C) WHETHER THE PROPERTY TO BE AFFECTED BY A PROPOSED REZONING (OR SPECIAL USE PERMIT) HAS REASONABLE ECONOMIC USE AS CURRENTLY ZONED:

**The site, as currently zoned, does have an economic use. The proposed residential conservation community is more suited to the site.**

(D) WHETHER THE PROPOSED REZONING (OR SPECIAL USE PERMIT) WILL RESULT IN A USE WHICH WILL OR COULD CAUSE AN EXCESSIVE OR BURDENSOME USE OF EXISTING STREETS, TRANSPORTATION FACILITIES, UTILITIES, OR SCHOOLS:

**The development will impact existing facilities and services. However any improvements needed as a result of the proposed project will be incurred by the developer. Water is available via an existing water line located in the along Old Suwanee Road. Sanitary sewer crosses the site in two (2) locations.**

(E) WHETHER THE PROPOSED REZONING (OR SPECIAL USE PERMIT) IS IN CONFORMITY WITH THE POLICY AND INTENT OF THE LAND USE PLAN

**The Gwinnett County 2030 Future Development Plan recommends Residential Area – Existing / Emerging Suburban.**

(F.) WHETHER THERE ARE OTHER EXISTING OR CHANGING CONDITIONS AFFECTING THE USE AND DEVELOPMENT OF THE PROPERTY WHICH GIVE SUPPORTING GROUNDS FOR EITHER APPROVAL OR DISAPPROVAL OF THE PROPOSED REZONING (OR SPECIAL USE PERMIT):

**Approval of subdivisions within the surrounding area support the applicant's request. The existing site conditions support the applicant's request and ensure the protection of natural resources to be located within the conservation areas.**

**LETTER OF INTENT TO REZONING APPLICATION  
OF TWIN BRIDGES, 4111 OLD SUWANEE ROAD (R-100 CSO)**

June 28, 2013

Gwinnett County Department of  
Planning and Development  
One Justice Square  
446 West Crogan Street  
Lawrenceville, GA. 30045

**Re: 62.036 Acres  
4111 Old Suwanee Road  
Parcel 7-231-019  
Gwinnett County, Ga.**

Dear Planning Department:

The applicant is requesting to rezone 62.036 acres from R-75 to R-100 with an accompanying Special Use Permit for CSO. The site is located at 4111 Old Suwanee Road in Gwinnett County, Georgia. The subject property consists of one parcel. The applicant proposes to subdivide the site into 109 lots with 25.4 acres (41%) to be dedicated as conservation space. The net density of the site will be 1.82 dwelling units / acre. Homes will be constructed with a minimum of 1800 square feet for one-story and 2000 square feet for two-story dwelling. The architectural exteriors of the homes will be brick, stacked stone, cedar shake stucco or fiber cement siding. Each home will include a double car garage. Access to the development is via one entrance off of Old Suwanee Road.

The property is located within an area that is characterized with subdivisions and single lot homes. The development, as a CSO community, will provide the 50-foot buffer that will ensure the protection of the mature hardwoods along the project boundaries and blend with the land use character of the area. An existing R-75 CSO community is located along the eastern boundary of the subject site. Accordingly, the proposed conservation space will link with the existing conservation space in the adjacent subdivision – Morning Brook. The applicant therefore respectfully requests your approval of the rezoning and SUP application.

Sincerely,  
**McNally & Patrick, Inc.**

Iva Hoyle  
Project Manager

**SPECIAL USE PERMIT APPLICANT'S RESPONSE**  
**STANDARDS GOVERNING THE EXERCISE OF THE ZONING POWER**

PURSUANT TO SECTION 1702 OF THE 1985 ZONING RESOLUTION, THE BOARD OF COMMISSIONERS FINDS THAT THE FOLLOWING STANDARDS ARE RELEVANT IN BALANCING THE INTEREST IN PROMOTING THE PUBLIC HEALTH, SAFETY, MORALITY OR GENERAL WELFARE AGAINST THE RIGHT TO THE UNRESTRICTED USE OF PROPERTY AND SHALL GOVERN THE EXERCISE OF THE ZONING POWER.

PLEASE RESPOND TO THE FOLLOWING STANDARDS IN THE SPACE PROVIDED OR USE AN ATTACHMENT AS NECESSARY:

(A) WHETHER A PROPOSED REZONING (OR SPECIAL USE PERMIT) WILL PERMIT A USE THAT IS SUITABLE IN VIEW OF THE USE AND DEVELOPMENT OF ADJACENT AND NEARBY PROPERTY:

**Residential landuses surround the area to include subdivision and single lot homes. An existing subdivision zoned R-75 CSO is located on the eastern side of the subject property. The proposed character and scale of the planned residential community will compliment the surrounding area.**

(B) WHETHER A PROPOSED REZONING (OR SPECIAL USE PERMIT) WILL ADVERSELY AFFECT THE EXISTING USE OR USABILITY OF ADJACENT OR NEARBY PROPERTY:

**Development of the site as a residential community will be consistent with the surrounding landuses.**

(C) WHETHER THE PROPERTY TO BE AFFECTED BY A PROPOSED REZONING (OR SPECIAL USE PERMIT) HAS REASONABLE ECONOMIC USE AS CURRENTLY ZONED:

**The site, as currently zoned, does have an economic use. The proposed residential conservation community is more suited to the site.**

(D) WHETHER THE PROPOSED REZONING (OR SPECIAL USE PERMIT) WILL RESULT IN A USE WHICH WILL OR COULD CAUSE AN EXCESSIVE OR BURDENSOME USE OF EXISTING STREETS, TRANSPORTATION FACILITIES, UTILITIES, OR SCHOOLS:

**The development will impact existing facilities and services. However any improvements needed as a result of the proposed project will be incurred by the developer. Water is available via an existing water line located in the along Old Suwanee Road. Sanitary sewer crosses the site in two (2) locations.**

(E) WHETHER THE PROPOSED REZONING (OR SPECIAL USE PERMIT) IS IN CONFORMITY WITH THE POLICY AND INTENT OF THE LAND USE PLAN

**The Gwinnett County 2030 Future Development Plan recommends Residential Area – Existing / Emerging Suburban.**

(F.) WHETHER THERE ARE OTHER EXISTING OR CHANGING CONDITIONS AFFECTING THE USE AND DEVELOPMENT OF THE PROPERTY WHICH GIVE SUPPORTING GROUNDS FOR EITHER APPROVAL OR DISAPPROVAL OF THE PROPOSED REZONING (OR SPECIAL USE PERMIT):

**Approval of subdivisions within the surrounding area support the applicant's request. The existing site conditions support the applicant's request and ensure the protection of natural resources to be located within the conservation areas.**

**LETTER OF INTENT TO REZONING APPLICATION  
OF TWIN BRIDGES, 4111 OLD SUWANEE ROAD (R-100 CSO)**

June 28, 2013

Gwinnett County Department of  
Planning and Development  
One Justice Square  
446 West Crogan Street  
Lawrenceville, GA. 30045

**Re: 62.036 Acres  
4111 Old Suwanee Road  
Parcel 7-231-019  
Gwinnett County, Ga.**

Dear Planning Department:

The applicant is requesting to rezone 62.036 acres from R-75 to R-100 with an accompanying Special Use Permit for CSO. The site is located at 4111 Old Suwanee Road in Gwinnett County, Georgia. The subject property consists of one parcel. The applicant proposes to subdivide the site into 109 lots with 25.4 acres (41%) to be dedicated as conservation space. The net density of the site will be 1.82 dwelling units / acre. Homes will be constructed with a minimum of 1800 square feet for one-story and 2000 square feet for two-story dwelling. The architectural exteriors of the homes will be brick, stacked stone, cedar shake stucco or fiber cement siding. Each home will include a double car garage. Access to the development is via one entrance off of Old Suwanee Road.

The property is located within an area that is characterized with subdivisions and single lot homes. The development, as a CSO community, will provide the 50-foot buffer that will ensure the protection of the mature hardwoods along the project boundaries and blend with the land use character of the area. An existing R-75 CSO community is located along the eastern boundary of the subject site. Accordingly, the proposed conservation space will link with the existing conservation space in the adjacent subdivision – Morning Brook. The applicant therefore respectfully requests your approval of the rezoning and SUP application.

Sincerely,  
**McNally & Patrick, Inc.**
