PURSUANT TO REQUIREMENT OF THE UNIFIED DEVELOPMENT ORDINANCE, THE BOARD OF COMMISSIONERS FINDS THAT THE FOLLOWING STANDARDS ARE RELEVANT IN BALANCING THE INTEREST IN PROMOTING THE PUBLIC HEALTH, SAFETY, MORALITY OR GENERAL WELFARE AGAINST THE RIGHT TO THE UNRESTRICTED USE OF PROPERTY AND SHALL GOVERN THE EXERCISE OF THE ZONING POWER.

REZONING APPLICANT'S RESPONSE

STANDARDS GOVERNING THE EXERCISE OF THE ZONING POWER

- (A) The neighboring properties are a mixture of commercial, and regional mixed use. The development will be in conformance.
- (B) An adjacent property is an assisted living care specializing in Alzheimer's and dementia. Other adjacent properties include Home Depot, Assi Plaza, and a neighborhood. The proposed use will fit in line with the neighboring properties.
- (C) Economically, the property, currently zoned C-2, has reasonable use. There is an SUP for the property that allows a hotel. Our proposed zoning, MU-R will include a commercial lot along with the specialized residential portion.
- (D) The proposed development is located in an area with public water and sewer availability. It will not cause an excessive use of the local fire department, police protection, or solid waste collection/disposal services provided by the County. Further, the rezoning will not cause excessive use of existing streets, transportation facilities, or schools.
- (E) Yes. The proposed rezoning is in conformance with the 2030 Unified Plan. According to the map in the plan, we believe our property lies in the Regional Mixed Use area.
- (F) Applicant submits that the surrounding properties uses, as well as, the proximity to Interstate 85 provide additional support of this application.

LETTER OF INTENT FOR REZONING AND SPECIAL USE PERMIT
OF PARCEL R7123 030 OF LANDLOTS 123 & 156, 7TH DISTRICT

Chong (John) Yo, Good Life EB5 Advisors, LLC. (the "Applicant") submits this Letter of Intent and attached Rezoning Application on behalf of Sang K. Pyun (the "Owner") for the purpose of rezoning a portion (Lot "A") of the parcel from C-2 to O-I. The second portion of the property (Lot "B") will remain zoned as C-2. The lot to be rezoned is a tract (the "Property") situated along Satellite Blvd North of its intersection with Old Peachtree Rd. The Property is vacant and wooded with convenient access to Interstate 85. The property will remain as one lot with two zonings.

The Applicant proposes to develop the Property to contain a retail area, in Lot B, and a senior living center community, in Lot A, including a total of 130-150 apartment homes at a size, quality, and price point commensurate with or exceeding existing homes in the surrounding area. Our plan is to begin a cohesive development of both Lot A and Lot B, and end development in sync. The Property is adjacent to commercial properties, Autumn Leaves of Sugarloaf (Special Care Living Facility), and a residential neighborhood.

The proposed senior living center would have two sections: assisted living center and independent living center. Working in close partnership with the founders and owners of Masterpiece Living, the proposed senior living center (Good Life Village) will be dedicated to providing environments which nourish and stimulate lifestyles shown to result in the successful aging of older adults. With the experience from developing two senior living centers in Georgia, the Applicant is pleased to bring his expertise to the city of Suwanee.

The proposed living center's front façade exterior will consist of brick, stone, and siding. The senior living center's maximum height would be 35 feet per Gwinnett County UDO. Unpaved portions of the lot will be landscaped to create an outdoor area for residents

The proposed retail area would be consistent in style with the proposed living center. The retail area would include a pharmacy, local eateries, and offices to accommodate both the future senior residents and their families. The Owner has also begun discussions of creating an inter parcel access way between the senior living center and Assi Plaza with the owner of Assi Plaza.
