RE: Letter of Intent

Special Use Permit - 7.48 Acres (RA-200 Zoning) W Campbell Road at Sugarloaf Parkway
For Nakita and Jonathan Hemingway to operate a Bed n' Breakfast & Event Venue as a part
of their agricultural business (flower farm).

To whom it may concern:

Please use this Letter of Intent to give details of the proposed use of the above referenced property. The proposed use for the property is a Cut-flower farm with an onsite Event space and Bed n' Breakfast operation. The current zoning allows for the existence of a primary residence, greenhouses, a 1000 sq ft farm stand, secondary residential structures and other accessory structures (barn, storage shed, etc). Although the zoning allows for our business to operate an event space and bed n' breakfast, a special use permit is required. We propose to construct a 2400 sq ft barn at approximately 22 ft tall and (4) 350 sq ft guest cottages at approximately 14 ft tall.

The barn will be air conditioned and contain a prep kitchen, restrooms and small office. The cottages will provide 1-bedroom, 1 bath accommodations for up to 4 people. The proposed locations for each of these entities can be seen on our site plan along with the required 59 parking spaces, our farm stand and our primary residence.

Our intent is to create a place that enhances our community and has a positive impact on the environment. We plan to grow cut flowers and ornamentals that will be sold at our produce stand on the farm. Much of what we grow provides a natural food source and habitat for birds, bees, butterflies and other pollinators. In addition to being picturesque, flower farms are excellent venues for educational activities, weddings, bird watching and family gatherings.

Gwinnett's 2040 plan identified several goals that I believe our property helps the county achieve. These goals are:

- Preserve Rural and Agricultural properties within the county
- Protect green/low density development
