Letter of Intent

To: Gwinnett County Planning Division
Special Use Permit Application

Date: July 1st, 2019

Re: 1886 Lawrenceville Hwy Lawrenceville GA 30044

I am the owner of Woodvalley Landscape. We intend to use the above property to operate our Landscaping Business. We are not planning to be open to the public. We are mainly looking for a secure place to storage our vehicles, equipment and machinery and to also provide parking spaces to our contractors since the start point for our work routes would be this place.

We currently have 13 contractors that would arrive to the property every morning around 6:30 AM and they would park their personal vehicles.

As mentioned above our business is not going to be open to the public. Our guys arrive around 6:30 AM, leave around 7:30 AM and come back to drop trucks and equipment around 6:00 PM. This schedule varies based on the weather and/or winter time.

However, we plan on leasing out the main building at the front of the property for office space which should operate on regular business hours, Monday to Friday 8:00 AM to 6:00 PM.

We request a buffer reduction to 0 because of the existing parking that extends all the way to the property line.

We want to be able to use the parking spaces as they currently are.

The acreage of the property is .98 acres and square footage of building 5,450 sq. ft.

Sincerely,

Monika Gonzalez Santaella
