SPECIAL USE PERMIT APPLICANT'S RESPONSE
STANDARDS GOVERNING THE EXERCISE OF THE ZONING POWER

PURSUANT TO REQUIREMENT OF THE UNIFIED DEVELOPMENT ORDINANCE, THE BOARD OF COMMISSIONERS FINDS THAT THE FOLLOWING STANDARDS ARE RELEVANT IN BALANCING THE INTEREST IN PROMOTING THE PUBLIC HEALTH, SAFETY, MORALITY OR GENERAL WELFARE AGAINST THE RIGHT TO THE UNRESTRICTED USE OF PROPERTY AND SHALL GOVERN THE EXERCISE OF THE ZONING POWER.

PLEASE RESPOND TO THE FOLLOWING STANDARDS IN THE SPACE PROVIDED OR USE AN ATTACHMENT AS NECESSARY:

- (A) WHETHER A PROPOSED SPECIAL USE PERMIT WILL PERMIT A USE THAT IS SUITABLE IN VIEW OF THE USE AND DEVELOPMENT OF ADJACENT AND NEARBY PROPERTY:

Please see attached

- (B) WHETHER A PROPOSED SPECIAL USE PERMIT WILL ADVERSELY AFFECT THE EXISTING USE OR USABILITY OF ADJACENT OR NEARBY PROPERTY:

Please see attached

- (C) WHETHER THE PROPERTY TO BE AFFECTED BY A PROPOSED SPECIAL USE PERMIT HAS REASONABLE ECONOMIC USE AS CURRENTLY ZONED:

Please see attached

- (D) WHETHER THE PROPOSED SPECIAL USE PERMIT WILL RESULT IN A USE WHICH WILL OR COULD CAUSE AN EXCESSIVE OR BURDENSOME USE OF EXISTING STREETS, TRANSPORTATION FACILITIES, UTILITIES, OR SCHOOLS:

Please see attached

- (E) WHETHER THE PROPOSED SPECIAL USE PERMIT IS IN CONFORMITY WITH THE POLICY AND INTENT OF THE LAND USE PLAN:

Please see attached

- (F) WHETHER THERE ARE OTHER EXISTING OR CHANGING CONDITIONS AFFECTING THE USE AND DEVELOPMENT OF THE PROPERTY WHICH GIVE SUPPORTING GROUNDS FOR EITHER APPROVAL OR DISAPPROVAL OF THE PROPOSED SPECIAL USE PERMIT:

Please see attached

REZONING & SPECIAL USE PERMIT APPLICANT'S RESPONSE
STANDARDS GOVERNING THE EXERCISE OF THE ZONING POWER

- (A) Yes, approval of the Applications will permit a use that is suitable in view of the use and development of adjacent and nearby property. The proposed low-intensity commercial development will complement existing land uses and development patterns.
- (B) No, approval of the Applications will not adversely affect the existing use or usability of any of the nearby properties. The proposed use is compatible with surrounding land uses and the policies of the Gwinnett County 2040 Unified Plan. The proposed use will complement nearby residential development.
- (C) Due to the size, location, layout and dimensions of the subject property, the Applicant submits that the property does not have reasonable economic use as currently zoned.
- (D) No, approval of the proposed rezoning will not result in an excessive or burdensome use of the infrastructure systems. The Property is conveniently-located near multiple major thoroughfares with access to utilities. Additionally, the proposed use is a relatively low-intensity commercial use which does not generate as many vehicle trips as traditional commercial or retail uses.
- (E) Yes, approval of the proposed rezoning would be in conformity with the policy and intent of the Gwinnett County 2040 Unified Plan. The subject property is located at a "node" as defined in the 2040 Plan. Nodes are the areas surrounding the intersection of two roads classified as "Collectors" or higher. Land use policies for nodes encourage some commercial development and the low-intensity, neighborhood serving proposed storage use fits squarely within that policy.
- (F) The Applicant submits that the mix of surrounding land uses, the fact that the node at which the Property is located is likely to undergo new development in the short term, and the Property's proximity to large residential areas provide additional supporting grounds for approval of this Application.

**COMBINED LETTER OF INTENT FOR
SPECIAL USE PERMIT AND REZONING APPLICATIONS**

Mahaffey Pickens Tucker, LLP submits the attached Rezoning and Special Use Permit applications (the “Applications”) on behalf of the property owner, Barefoot Brothers, LLC (the “Applicant”) relative to an approximately 5.37-acre tract (the “Property”) located off Braselton Highway (State Route 124) at its intersection with Hog Mountain Road. The Applicant is requesting (i) to rezone the Property to the C-2 zoning classification and (ii) a special use permit in order to develop the Property for use as a Self-Storage/Mini-Warehouse Facility. The Property is currently zoned RA-200 and is designated as within the “Emerging Suburban” character area on the Gwinnett County 2040 Unified Plan (the “2040 Plan”) Future Development Map.

The Applicant is proposing to develop the Property to include three storage buildings with approximately 82,800 total square feet of interior, conditioned storage space, and an office to manage on-site operations. The proposed buildings would each be one story and would include attractive architectural design elements. The storage business would have direct access to Braselton Highway via a single driveway. The Applicant is also proposing buffer reductions along the Property’s perimeter in order to provide 15-foot landscaped buffers along the westerly and easterly (side) boundary lines and a 25-foot undisturbed buffer along the northerly (rear) boundary line.

The Hog Mountain Road/Braselton Highway intersection has already experienced successful commercial rezoning efforts and approximately six acres across Braselton Highway is currently zoned C-2. Moreover, as set forth on the Gwinnett County Long Range Road Classification Map, Hog Mountain Road is classified as a Major Collector and Braselton

Highway is classified as a Minor Arterial. Accordingly, the subject Property is located at a “node” as defined by the 2040 Plan. The 2040 Plan encourages more intense development at nodes, including neighborhood-serving commercial uses such as the proposed development. Additionally, the subject property would provide an appropriate transition of land uses from more intense commercial and retail zoning classifications at the heart of the node towards less intense single-family detached homes to the north. The proposed development would serve existing residents in the area as well as residents of new residential development that has recently occurred in the area. In this sense, the proposed development would serve as a community amenity for nearby homeowners who need additional secure space to store their belongings.

The Applicant welcomes the opportunity to meet with staff of the Gwinnett County Planning & Development Department to answer any questions or to address any concerns relating to the matters set forth in this letter or in the Applications filed herewith. The Applicant respectfully requests your approval of the Applications.

Respectfully submitted this 4th day of September, 2020.

**JUSTIFICATION FOR REZONING
AND FOR SPECIAL USE PERMIT**

The portions of the Gwinnett County Unified Development Ordinance (the “UDO”) which classify or may classify the property which is the subject of this Application (the “Property”) into any less intensive zoning classification other than as requested by the Applicant, are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983, and the Due Process Clause of the Fourteenth Amendment to the Constitution of the United States.

The application of the UDO as applied to the subject Property, which restricts its use to the present zoning classification is unconstitutional, illegal, null and void, constituting a taking of the Applicant's and the Owner's property in violation of the Just Compensation Clause of the Fifth Amendment and the Due Process Clause of the Fourteenth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983, and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

The Property is presently suitable for development under the C-2 classification with the Special Use Permit (“SUP”) as requested by the Applicant, and is not economically suitable for development under the present RA-200 zoning classification of Gwinnett County. A denial of this Application would constitute an arbitrary and capricious act by the Gwinnett County Board of Commissioners without any rational basis therefore, constituting an abuse of discretion in violation of Article I, Section I, Paragraph I and Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983, and the Due Process Clause of the Fourteenth Amendment to the

Constitution of the United States.

A refusal by the Gwinnett County Board of Commissioners to rezone the Property to the C-2 classification with the requested SUP with such conditions as agreed to by the Applicant, so as to permit the only feasible economic use of the Property, would be unconstitutional and discriminate in an arbitrary, capricious and unreasonable manner between the Applicant and owners of similarly situated property in violation of Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983 and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States. Any rezoning of the subject Property to the C-2 classification with the requested SUP, subject to conditions which are different from the conditions by which the Applicant may amend its application, to the extent such different conditions would have the effect of further restricting the Applicant's and the Owner's utilization of the subject Property, would also constitute an arbitrary, capricious and discriminatory act in zoning the Property to an unconstitutional classification and would likewise violate each of the provisions of the State and Federal Constitutions set forth hereinabove.

Opponents to the request set forth in the Application, or in any amendments to the Application, have waived their rights to appeal any decision of the Gwinnett County Board of Commissioners because they lack standing, have failed to exhaust administrative remedies, and/or because they failed to assert any legal or constitutional objections.

Accordingly, the Applicant respectfully requests that the rezoning application and the SUP application submitted by the Applicant relative to the Property be granted and that the Property be rezoned to the zoning classification as shown on the respective application and that the SUP requested be issued.
