

Gwinnett County Department of Planning & Development  
Special Inspections Program

**CONFIRMATION NOTICE OF SPECIAL INSPECTIONS**

**Project Name:** \_\_\_\_\_

**Project Address:** \_\_\_\_\_

**Building Permit No.:** **BLD** \_\_\_\_\_

**Design Professional in Responsible Charge (DPIRC):** \_\_\_\_\_

**Name of DPIRC Firm:** \_\_\_\_\_

**Structural Engineer-of-Record:** \_\_\_\_\_

Attach to this completed Confirmation Notice a copy of each Final Report of Special Inspections issued for this Project in accordance with the Georgia adopted 2018 International Building Code with amendments (IBC) and list all applicable reports as follows:

**Type of Inspection** ( as applicable) / **Date of Final Report**

- Inspection of fabricators** [IBC section 1704.2.5] / \_\_\_\_\_
- Structural steel construction** [IBC section 1705.2] / \_\_\_\_\_
- Cold-formed steel deck** [IBC section 1705.2.2] / \_\_\_\_\_
- Concrete construction** [IBC section 1705.3] / \_\_\_\_\_
- Masonry construction** [IBC section 1705.4] / \_\_\_\_\_
- Wood construction** [IBC sections 1705.5] / \_\_\_\_\_
- Soils** [IBC section 1705.6] / \_\_\_\_\_
- Driven/Cast-in-place deep foundations** [IBC sections 1705.7, 1705.8] / \_\_\_\_\_
- Structural steel (*seismic resistance*)** [IBC section 1705.12.1] / \_\_\_\_\_
- Structural wood (*seismic resistance*)** [IBC section 1705.12.2] / \_\_\_\_\_
- Cold-formed steel light-frame construction (*seismic resistance*)** [IBC section 1705.12.3] / \_\_\_\_\_
- Designated seismic systems (*nonstructural components*)** [IBC section 1705.12.4] / \_\_\_\_\_
- Architectural components (*seismic resistance*)** [IBC section 1705.12.5] / \_\_\_\_\_
- Mechanical and electrical components (*seismic resistance*)** [IBC section 1705.12.6] / \_\_\_\_\_
- Structural steel (*seismic resistance testing*)** [IBC section 1705.13.1] / \_\_\_\_\_
- Sprayed fire-resistant materials** [IBC section 1705.14] / \_\_\_\_\_
- Exterior insulation and finish systems (EIFS)** [IBC section 1705.16] / \_\_\_\_\_
- Fire-resistant penetrations and joints** [IBC section 1705.17] / \_\_\_\_\_
- Other:** \_\_\_\_\_ / \_\_\_\_\_

To the best of my knowledge, it is my professional opinion that the Special Inspections required for this project, as itemized in the Schedule of Special Inspection Services submitted for issuance of the building permit, have been completed and all identified discrepancies have been reported and resolved. All documents and reports which describe Non-Conforming work and all Final Reports created for this project are considered an integral part of this Notice.
