

STREAM BUFFER VARIANCES
Application Guidelines & Information
UDO Title 3 Chapter 500

Stream Buffer variances are decided by the Board of Construction Adjustments & Appeals. After a review by staff, variances are scheduled for an advertised public hearing. The Board of Construction Adjustments & Appeals meets on the 2nd Wednesday of each month (unless otherwise published) at 3:00PM, usually in the auditorium of the Gwinnett Justice & Administration Center, 75 Langley Drive, Lawrenceville. The applicant is required to post a public hearing notice on the property under consideration at least 15 days prior to the public hearing. Staff places a legal advertisement in the Gwinnett Daily Post at least 15 days prior to the hearing. Once advertised for public hearing, the variance request can **NOT** be withdrawn.

Note: It is strongly recommended that the applicant, or the applicant's representative, attends the public hearing to address any questions or concerns.
