Notice to Developers, Designers, Engineers and Consultants

New Traffic Calming Design Standards

EFFECTIVE IMMEDIATELY

- On July 25, 2006, the Board of Commissioners adopted an amendment to the Development Regulations to require a traffic-calming plan for residential subdivision streets. A copy of the Traffic Calming Guide is available on line or from the office of the Department of Transportation.
- Any concept plan or preliminary plat approved prior to this date shall be considered grandfathered. Any concept plan or preliminary plat submitted and not approved on or before July 25, 2006 shall be considered grandfathered provided the concept plan is approved within 90 calendar days (October 25, 2006) of the adoption of the amendment.

If you have any questions, please contact Vince Edwards with the Gwinnett County Department of Transportation at 770.822.7400.
