**PEDESTRIAN IMPROVEMENTS AHEAD
FOR NORTH BERKELEY LAKE ROAD**

(Lawrenceville, Ga., Aug. 5, 2010) – Sidewalks, curb and gutter, guardrail, drainage improvements, paving and traffic calming devices are coming soon to North Berkeley Lake Road. Gwinnett commissioners on Tuesday approved a \$373,654 contract that will use funds from the 2001 SPLOST program. The contractor will be Atlanta Demolition and Grading LLC of Suwanee, the lowest of six bidders on the project.

The work zone will cover about a mile from Peachtree Industrial Boulevard to 1,200 feet west of Lakeshore Drive Boulevard for the next several months. This work combined with a future project will extend sidewalks from Peachtree Industrial to Bush Road at Berkeley Lake City Hall and connect to the Western Gwinnett Bikeway.

“I’m confident this project will make the roadway safer for pedestrians and bicyclists as well as motorists,” said Gwinnett Transportation Director Brian Allen.
