

Your Ride Gwinnett Paratransit certification has expired or will expire this year. It is required that all Ride Gwinnett Paratransit customers submit an application for recertification every three years or whenever the certification expires (i.e. – temporary disability status). To avoid service interruption, a complete Recertification Application, including Part B (Licensed/Certified Professional Form) must be submitted within 30 days of your expiration date. **Incomplete applications will not be processed.** An in-person assessment would not be required unless your medical condition has changed.

The Recertification Application is also available in large print upon request. The application must be typed or printed clearly. Failure to do so may result in a processing delay.

Instructions on How to Complete Your Recertification Application

1. You may fill-out this application yourself or get help from anyone familiar with you or your condition. When completing this application, please keep in mind, the more detailed information you can provide the better you will enable Ride Gwinnett (RG) to make the most appropriate determination regarding your transportation needs. If you have any questions or need assistance in completing this application, please call Ride Gwinnett Paratransit at 770-246-4770 and “press 2” or TDD at 711.
2. You will need to have Part B (Licensed/Certified Professional Form) completed by a health care professional to provide verification of your disability and its effect on your ability to use RG’s regular bus system. Some examples of health care professionals that can certify your application include Clinical Social Worker, Independent Living Specialist, Occupational Therapist, Physiatrist, Physical Therapist, Rehabilitation Specialist, Audiologist, Ophthalmologist, Physician, Psychologist, Registered Nurse or Mobility Specialist/Instructor, etc.
3. Once the application is complete, including the **Licensed/Certified Professional Form**, you can fax the application to Ride Gwinnett Paratransit Department at 770-825-8162 or mail the application to:

**Ride Gwinnett Paratransit Department
3525 Mall Boulevard, Suite 5-C
Duluth, GA 30096**

4. Your application will be reviewed and an eligibility determination will be made within twenty-one (21) days of receipt of a **complete** application, an in-person interview and a functional assessment, if needed. You will receive a letter as to whether or not you are eligible to continue service. This review will be based on your ability to use regular bus service. The reviewer may request additional information from you or your health care professional. Please note that verification from a licensed health care professional **does not** automatically qualify you for Paratransit service. Based on your in-person assessment, you may be found to have:
 - Full Eligibility: Eligible for all your travel needs within the service area of RG Paratransit (3/4 of a mile within the fixed route service).

- Conditional Eligibility: Eligible for some trips on RG Paratransit depending on the nature of your disability.
 - No Eligibility: Not eligible for Paratransit
5. If you are found not eligible for RG Paratransit services and you disagree with the determination, you may appeal the decision. Information on the appeals process will be sent to you with your eligibility determination letter.

Section 2 – Professional Certification

The applicant who has asked you to review the information on the application and to sign this form is applying for eligibility for the Ride Gwinnett (RG) Paratransit service. Please read the following information carefully since it may affect your response.

Who Qualifies for Paratransit?

Paratransit service is designed to serve **ONLY** those persons whose severity of disability prevents them from using public transportation. Under the Americans with Disability Act (ADA), disability alone does not qualify a person to ride Paratransit. A person must be **FUNCTIONALLY** unable to use regular Ride Gwinnet transportation service. Service is provided to the following three general groups of persons with disabilities:

1. Persons who have specific impairment – related conditions that **PREVENT** use of regular transit service – not just make it difficult to travel to or from the bus stop.
2. Persons who need a wheelchair lift and a wheelchair lift equipped bus is not available on the route when they need to travel.
3. Persons, who are unable to board, ride or exit from regular GCT buses, even if they can get to a bus stop and the bus is equipped with a wheelchair lift.

What is Paratransit?

The Ride Gwinnett Paratransit program is a publicly funded Paratransit service, which operates specialized accessible vans for persons with disabilities who are unable to use regular fixed-route buses. Other vehicles such as a taxi also may be used when Paratransit vans are not available. Paratransit is a shared-ride door-to-door service operating within Gwinnett County in conjunction with service times of fixed-route buses.

Please review the medical information provided in the application, fill out the certification as appropriate and sign the document. The information provided will help us to serve **ONLY** those who most need Paratransit.
