What's new?

Transit Tips & Tricks

Did you know that Gwinnett County Transit's commuter buses provide overhead spacing for your belongings? While on your ride to Downtown Atlanta, you can ride comfortably with room to relax. Our commuter buses also include footrests, adjustable seats, and other amenities for maximum coziness. Experience it for yourself by riding **Route 101, 102, 103, or 110** on **Monday through Friday** during peak commuter times. To learn more about local and commuter routes, see [Routes and Schedules](#).

Microtransit is now in Snellville

Since September 17, GCT has been offering door-to-door service in the Snellville area, providing an on-demand public transportation option. Riders can now be picked up and dropped off by the push of a button on the Microtransit app or by phone for FREE. Drivers have gone through in-depth training sessions to

operate the technology in the vehicles and learn the new service area in Snellville.

Gwinnett County Transit shared Microtransit information at the Snellville Farmers Market, Centerville Community Center, and Centerville Senior Center. Plans to share Microtransit information at later dates are underway. Snellville is currently without a local transit option and has

been identified as one of many areas to receive Microtransit (also called flex service) in the [Connect Gwinnett: Transit Plan](#). For more information, visit the [Gwinnett County Microtransit page](#).

October is GCT's Savvy Seniors Month

To better inform seniors about their transit options, Gwinnett County Transit and Gwinnett County Senior Services are sponsoring talks with seniors at multiple senior centers this month. In addition to the presentations at Gwinnett's senior centers, Gwinnett County Transit is also hosting **Travel Training for Seniors** on **October 13 from 1:00pm to 3:30pm**.

During the event, seniors and their family members will learn how to ride the bus along Route 10A/B. Riders will travel from **Sugarloaf Mills Park and Ride** to **Doraville MARTA Station** and back. Free giveaways, snacks, and a Breeze Card loaded with \$5 will be provided. Attendees are encouraged to take a bathroom break before arrival and arrive 15 minutes early to sign in. Restrooms are available at the Doraville MARTA Station. Pre-register for Travel Training for Seniors [here](#), and learn more about this month's events [here](#).

GCT Rider Spotlight

Rena Tucker, a new Gwinnett County Transit commuter, travels to and from Downtown Atlanta and the Sugarloaf Mills Park and Ride. After arriving at the Sugarloaf Mills Park and Ride to ride Route 103 for the first time, she noticed there was no wait time since the bus was there when she arrived. She said, "It was a smooth ride with no issues, and no stop-and-go through traffic." Tucker also said she considered the fare price of \$5 each way quite a bargain, saving gas money and offering peace of mind.

Tucker said she wished she had tried out Gwinnett County Transit sooner because it was such a pleasant experience. For more information on how to share your spotlight story, email us at transit@gwinnettcountry.com.
