Get 50 percent off your first Token Transit purchase

[Get the Token Transit App](#)

Gwinnett County Transit riders are now able to use their cell phones to pay their fares, avoiding having to handle cash or cards.

This safe, secure fare payment option will reduce contact between GCT riders, drivers, and surfaces during the ongoing COVID-19 pandemic.

Under the new Token Transit program, patrons can purchase mobile tickets through the Token Transit App, which is free and can be downloaded from the

App Store and Google Play. Through **February 2021**, users can get 50 percent off their first purchase in the app. For pass validation, customers must give the Token Transit App access to their smartphone's Bluetooth, then bring their phone near the validator on the dashboard so the mobile ticket can be detected.

The program will also be available on Xpress, which will offer a regional, contactless product that connects all of metro Atlanta.

In addition to mobile ticketing, Breeze Cards and cash will continue to be accepted as fare payment.

Face masks now required on all buses

Effective **January 27**, GCT riders are required to wear face masks on all buses. In accordance with the [mandate](#) signed by Gwinnett County Chairwoman Nicole L. Hendrickson, this requirement will help to prevent the transmission of COVID-19 between bus riders and drivers.

For more information, please call GCT Customer Service at 770.822.5010.

Local routes 30 and 40 now run every 30 minutes

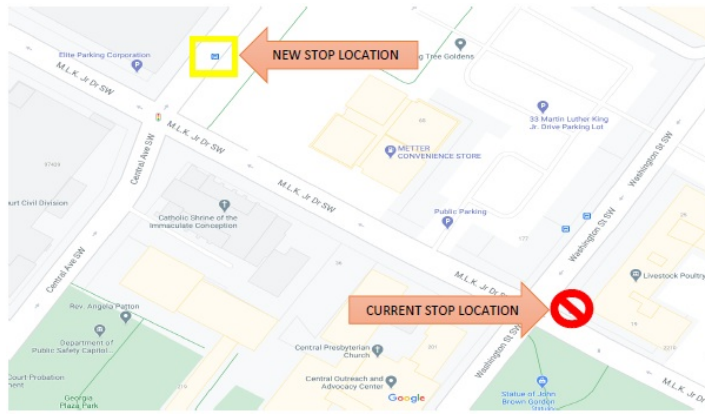

Beginning **February 1**, local routes 30 and 40 will run every 30 minutes. This change increases the frequency of service, up from running every hour during non-peak hours.

Commuter stop is moving to a new location

The stop will now be serviced on Central Avenue, just 100 feet from the corner of Central Avenue and MLK Jr. Drive. The Stop ID number will remain the same, but it will have a new name: Central Avenue and MLK Jr. Drive. This change will only affect PM service.
