What's new?

Transit Referendum set for March 19

Gwinnett County residents will go to the polls March 19 to vote on a [contract](#) for the provision of expanded transit services. If the referendum passes, Gwinnett's transit system and services will expand based on Gwinnett's plan and its contract with MARTA. The expansion will be funded through a one-cent sales tax for transit. The contract provides control to Gwinnett over funds, expenditures, projects, and services. It requires Gwinnett funds to be spent for the benefit of Gwinnett. It sets Gwinnett's transit plan, Connect Gwinnett, as the source of transit projects. It also provides Gwinnett with three seats on the MARTA board.

For more information about the contract, please visit [our website](#). For more information about the transit plan, visit the [Connect Gwinnett: Transit plan website](#).

The Microtransit (aka flex service) pilot program has been in service in the Snellville area since September 2018, and is one of the short range goals from the [Connect Gwinnett: Transit Plan](#). With such a huge response to the service, the official end date has been extended to **April 30** instead of late March. If you have any questions about the pilot service, please visit [Microtransit](#).
